SCHOOL COUNCIL WANTS YOUR INPUT!

School Council has committed to developing a Parent Toolkit for parents of students new to our community. The intention of the Toolkit is to provide parents with the necessary information to help them become active participants in our community, and thereby effectively support their son or daughter as they transition into our community.

We would like your input on the information that should be included in the toolkit. Tell us the information that you feel is important as well as the questions that you feel every parent needs answered as their son or daughter enters the St. Benedict school community.

To gather your input we have set up a [very simple one step on-line survey](#) for you to enter your suggestions. We will also be sending home a hard copy of the survey with report cards that you can return to the main office.

As an added incentive for you to participate, all those who submit suggestions will be entered into a draw for a \$100 McCarthy's voucher. The draw will take place at our Grade 8 Parent Night the evening of Thursday January 19, 2012. Please take a moment to share your thoughts and suggestions.

GRADUATION 2011: A CELEBRATION OF PEOPLE

BY MRS. D. WITTMANN

The Twenty-fifth Graduation and Awards Presentation was held on Friday, October 28th. We would like to congratulate the entire graduating class of 2011 and wish them happiness and success in all their future endeavours.

THE GRADUATION PRAYER:

*I have knowledge, so will You show me now,
How to use it wisely and find a way somehow*

*To make the world I live in a little better place,
And make life with its problems a little bit easier
to face.*

*Grant me faith and courage and put purpose in
my days,
And show me how to serve Thee in effective
ways.*

*So my education, my knowledge and my skill
May find their true fulfillment as I learn to do Thy
will.*

*And may I ever be aware in everything I do,
That knowledge comes from learning
And wisdom comes from You.*

NEWS FROM THE GUIDANCE OFFICE

BY MRS. P. KLASSEN

GRADUATION: A CELEBRATION OF PEOPLE

On Friday, October 28th, St. Benedict welcomed back 280 graduates from the class of 2011 for the 25th Graduation Ceremony. Our gymnasium was alive with enthusiastic cheering and standing ovations typically reserved for our sports teams as proud parents, siblings and grandparents joined us to celebrate this important milestone. In addition to being presented with their diplomas, many graduates were also recognized for the outstanding contributions that they have made to our school and our community.

A highlight of the evening was a musical interlude, performed by Tonya Botting, Jessica McKay and Chantale Pomerleau, all members of the graduating class which was accompanied by a slide show of our graduates. Chantale Pomerleau was chosen by her class as Valedictorian and her address was a tribute to all that we can do as individuals to make a difference in this world.

Graduation 2011 will long be remembered not only as a celebration of academic excellence and community involvement, but also as a genuine *Celebration of People*.

POST-SECONDARY TIMELINE

1. **College and University visits will draw to a close this month.** Please check the school website for the schedule of remaining visits.
2. **Grade 12 students should still continue to do specific institution research** at the [E-info site](#) for universities and at the [Ontario Colleges](#) website for colleges.
3. **On-line application tutorials** will also help students gather the information that will be needed for the eventual application process.
4. Now is a great time to **arrange for a campus visit or tour at institutions that are of interest.** Most colleges and universities typically host these events in the fall, as well as in the spring. Check the guidance bulletin board as well as your email distribution list updates for more information about specific school open house dates.
5. The **OUAC PIN numbers which are needed for university application have not yet arrived**; however as soon as they do, students will be notified. **College application requires students to use their OEN numbers** (found on all report cards) to set up their college application accounts.
6. Students are encouraged to **complete their application prior to leaving for the Christmas break** as both the OUAC and OCAS systems tend to become overloaded as the deadline for applications approaches.
7. **Review your semester two timetable** to make sure that you have all of the necessary pre-requisite courses.
8. **Complete your Community Service Hours!!**
9. **Be prepared to wait for confirmation of acceptance from schools.** Each institution has its own timeline. Try not to let anxiety about acceptance interfere with your progress at school.

APPRENTICESHIP PRESENTATION

If you are interested in learning more about pathways that lead to apprenticeships in the trades, stay tuned for information regarding a presentation that will be held at St. Benedict on November 24th. This presentation will be held during the school day and any student in grades 10, 11 or 12 will be welcome to attend. The presentation, being hosted by the Waterloo Catholic District School Board, will explain the various opportunities that are available for students through the many apprenticeship, OYAP and dual credit programs that are offered through our school and school board.

USED UNIFORMS

Students who are interested in expanding their school wardrobe should be aware that the school has a good supply of clean, quality used uniform pieces available. Anyone who is interested in obtaining uniform clothing should contact their guidance counsellor. Uniform pieces available include golf shirts and a wide variety of sweaters, vests and jackets that will be useful as the colder weather approaches. Only a limited selection of pants is available at this time. There is no set fee for clothing, however donations would be welcome.

COMMUNITY SERVICE HOURS

In addition to fulfilling a requirement that is necessary for high school graduation, volunteering is an excellent way to develop skills and abilities, as well as a chance to give back to the community. Volunteer opportunities for students are updated and posted regularly on both the Ranger system and the Guidance bulletin board. The upcoming Christmas season brings special opportunities for helping in our community. Why wait until your Grade 12 year to find out how fun and fulfilling volunteering can be? Check out these great opportunities now!

GRADE 8S "EXPERIENCE THE ARTS" AT ST. BENEDICT

BY MRS. J. HARRIS

The Arts Department welcomed over 250 grade 8 students to "Experience the Arts" at St. Benedict on November 2 and November 8. The students enjoyed participating in a carousel of arts activities led by the St. Benedict arts staff and students.

After an opening session, where the grade 8s were introduced to their schedule for the day, arts students led them to their Music, Art, and Drama workshops. The grade 8s participated in a variety of drama activities and games; they painted and they created works using pastels; they learned about the musical instruments available at St. Benedict, and helped to create and perform a theme-based musical composition.

The day ended with a closing session that included live musical performances, drama games, an arts video, and a slide show of the events of the day. It was evident to all that there are many talented and creative students in the grade 8 classes in our family of schools. We hope to see all of them at St. Benedict next year!

JUNIOR BOYS SOCCER

By Mr. N. DUFRESNE

The junior boys soccer team finished off their season with a heart breaking loss to the Resurrection Phoenix in the semi-finals on Wednesday October 26th. The boys fought hard all season surpassing last year's 0-8 record with a 1-1-7 record. The team learned a lot about losing with dignity and many lessons about perseverance, all character traits we try to instill through our athletics program.

The team is looking forward to building on their success with as our young, talented and committed group of footballers next year.

JUNIOR BOYS FOOTBALL

By Mr. J. VALE

The Junior Boys Football Team demonstrated a ton of character and determination as they clawed back from a 19-0 deficit to upend the Bluevale Knights 20-19 in what one player called, "The most exciting game he has ever been part of!" The Saints came out flat to start the game and quickly fell behind. However, just before the halftime break, Brayden Hill connected with Braden Normore on a 25 yard touchdown pass to cut the lead to 19-7.

The third quarter was back and forth, and field conditions did not allow for much momentum on either side. The Saints took possession of the ball with seven minutes remaining and marched down the field where Hill connected with George Monaghan on a 20 yard strike to cut the lead to 19-13.

After some more great Saints defence, the offense took to the field and once again marched the ball down and on a fourth and four call, Brad Vince caught a 15 yard pass from Hill to tie the game. However, the extra point was blocked, leaving the game tied at 19.

With under a minute to go, a costly turnover by the Knights gave the Saints the ball back on Bluevale's side of the field. After two quick first downs, Brayden Hill kicked the ball through the end zone on the last play of the game for the single point a Saints victory, 20-19!

It truly was a total team effort and the team exemplified what true Saints heart is all about! With the win, the Saints record improved to 4-2.

The team continued their winning ways last Thursday by beating WCI 28-27. The Saints once again got off to a slow start, falling behind 15-0 in the first half. The Saints continued to play hard and began to chip away at the Vikings lead. Two touchdowns by George Monohan as well as scores from Brayden Hill and Brad Vince eventually wore down WCI and led the Saints to a close victory.

The defence was led by Brady Bartlett, John Carroll and Chris Moses.

The Saints finished their season 5-2 and begin their playoffs this Thursday.

M.A.D. MOVEMENT

BY MISS K. LAUNSLAGER

The M.A.D. Movement took part in Halloween for Hunger on October 31. This is an annual event where students and teachers go door to door on Halloween night to collect canned goods for the Cambridge Food Bank. This year fifteen students dressed up and collected hundreds of canned goods for a great cause.

The M.A.D. Movement's next event will be **We Day** on November 16. This is an annual event run by Free the Children. There will be six thousand students and educators gathering at the Kitchener Auditorium to celebrate and inspire the youth movement for global change. Students will return to St. Benedict with new ideas of how to make a difference locally and globally.

DOMINICAN ENCOUNTER UPDATE

BY ANDREA CAPLE AND RACHEL ZAMMIT

Our departure for the Dominican Republic is rapidly approaching. We have finished our bracelets sales and they went well. We raised approximately \$180 within the week. St. Benedict's students and staff were very supportive during our sales.

In the upcoming weeks there will be mission collections and a jeans day. For a minimum donation of \$2 the student body can contribute to our efforts by wearing jeans. All support would be greatly appreciated.

As a team we have decided that the funds raised will be going towards Dominican students' transportation. For \$800 we can transport a student to school for a year. We will also be bringing along extra luggage containing humanitarian items such as toiletries and school supplies.

If you are interested in helping us further with preparations for the trip, donations of humanitarian items would be great. Items can be sent to school with students and given to [Mr. Betik](#).

Thank you to all those who have stood by us as we prepare for this trip. In doing so, you support our initiatives to bring back our experience of solidarity and create awareness of global social injustices.
