St. Benedict CSS 50th Reunion

A CELEBRATION OF PEOPLE FOR 50 YEARS

Waterloo Region, ON – The St. Benedict C.S.S. 50th Reunion -- Friday, May 4 to Sunday, May 6, 2012 -- is just one month away. Former students and staff are asked to visit the website www.sbcss50th.myevent.com and download a registration form to be completed and mailed to the school. The deadline to guarantee a dinner reservation has been extended to Monday, April 16, 2012.

The school invites the St. Benedict community catch up with old friends and teachers, challenge yourself at a sporting event, enjoy being entertained by multi-talented alumni and teachers, and celebrate the school's rich heritage of education within the Catholic faith.

For more information, email Mr. Ron Martinello or visit <http://www.sbccs50th.myevent.com>.

CATHOLIC BOARD LAUNCHES WIRELESS INTERNET ACCESS IN ALL SCHOOLS

SPECIAL FROM THE BOARD

Waterloo Region, ON – On April 2, the Waterloo Catholic District School Board launched wireless Internet (Wi-Fi) access in all of its elementary and secondary schools, adult education campuses and board administrative locations.

The Wi-Fi launch is part of the board's visionary five-year Information Technology Plan (www.wcdsb.ca/schools/pdf/Technology-Plan-2010-2015.pdf).

Basic information about the WCDSBInternet:

The "WCDSBInternet" will provide wireless access to any personal device that is able to connect to a wireless network (laptop, tablet, mobile device, etc.).

Each elementary school has been equipped with a minimum of two hotspot locations. As a starting point, the size and range of the wireless network will be limited to the library area, some classrooms located close enough to the hotspot as well as the main office / staff room. New hotspots will be installed in the future as the WCDSB continues to expand this network.

Each secondary school has been equipped with 12 hotspot locations including the library, main office and other select locations around the school as selected by the school.

What will this look like within the school?

Teachers will be able to make arrangements for students to have the option to bring in personal devices to connect to the network. Providing access to this network will increase the number of computers available for students to use on a regular basis. On the occasion that a teacher sees the use of a personal device as beneficial for learning, they will provide the option for students to bring in their devices. All WCDSB students and staff will continue to have access to the board's computers and hard-wired high speed network.

Use and responsibility:

Introduction of the WCDSBInternet provides Waterloo Region's Catholic Schools with unlimited possibilities for student learning and positions the board among the most technologically advanced in the province. Access to the network will open the door to thousands of interactive learning websites, educational videos and current information. Collaboration and group work will be encouraged to provide access to all students. The board's current policy on acceptable use of computer technology and the Internet (www.wcdsb.ca/AP_Memos/PDF/APS017.pdf) applies to use of the new Wi-Fi system.

NEWS FROM THE CHAPLAIN

BY MR. B. REMPEL

Freedom Week

We spent the last week in March focusing on children who are being exploited around the world. Emphasis was placed on child soldiers and children working in mines and sweat shops. Over \$2000 was raised in donations that would support efforts to free children who are being exploited.

Fast for India

On Friday, March 30 over 76 students spent the overnight in St. Benedict fasting and learning about social issues relating to child poverty. Over \$4000 was raised to build a health clinic India

in collaboration with Free the Children.

Stations of the Cross

During Holy Week we spent the beginning of each period 2 join Jesus as he walked the Stations of the Cross. Using power point and narrative on the Ranger system, we were once again reminded of Jesus' commitment and courage and we journeyed toward his certain death.

Holy Thursday Crime Scene

The St. Benedict community was reminded that the death of Jesus was a tragedy and miscarriage of justice. To end the day, the cross in the middle of the atrium was surrounded by caution tape. The day ended with a prayer and students were asked to exit quietly, accompanied by Gregorian chant. The prayer is as follows:

I thank you, Lord Jesus, for becoming a human being
so I do not have to pretend or try to be God.
I thank you, Lord Jesus, for becoming finite and limited
so I do not have to pretend that I am infinite and limitless.
I thank you, crucified God, for becoming mortal
so I do not have to try to make myself immortal.
I thank you, Lord Jesus, for becoming inferior
so I do not have to pretend that I am superior to anyone.
I thank you for being crucified outside the walls,
for being expelled and excluded like the sinners and outcasts,
so you can meet me where I feel that I am,
always outside the walls of worthiness.
- Fr. Richard Rohr

The Catholic Virtue of Courage (Fortitude)

During April we are telling stories of people who exhibit courage in their lives. Cindy is one story. Cindy was on maternity leave with her son when she experienced a fever and sharp pain in her leg. When she was finally hospitalized with flesh eating disease, the doctors said she had only hours to live. Five weeks after Cindy was placed in a medically induced coma, she awoke, alive but with her arms and legs amputated. Six months after waking up to her new life and going through recovery and rehab, Cindy was walking and caring for her two children. Cindy describes her courage this way: "I am a strong person. I will never give up. I call myself the managing director of my life."

RELAY FOR LIFE IS BACK

BY MRS. M. CROWELL

This week we are kicking off registration for our second Relay for Life happening on our track Friday June 1, 2012. Last year we raised over \$42,000 and have set our goal at \$50,000 for this year.

April is cancer month and we have a jeans/yellow day and our relay rally on April 11 with a Coffee House for Cancer April 12.

The Canadian Cancer Society Relay For Life is more than just a fundraiser. It is an opportunity to get together with family and friends and celebrate cancer survivors, remember loved ones lost to cancer, and fight back in the hope of finding a cure for this terrible disease.

money with their pledge envelope. Even better, they can go to www.relayforlife.com/stbenedicts where they can register online and collect on line pledges and see how well they are doing in fundraising compared to other participants.

Every team of 10 needs a captain who will get regular email updates about what needs to happen to make this our best relay ever!

Relay is fun, fulfilling, and your participation gives strength to our mission to eradicate cancer. Walk with us in this inspirational 12-hour overnight event as we come together and fight to make cancer history.

Registration will begin during lunches in the atrium Thursday, April 12 and Friday, April 13. Once the permission form is returned with the \$15.00 fee participants can start raising

Registration in the atrium will be available ONLY on the following days April 12, 13, 18, 19, 24, 25, May 1, 2, 9, and 10 (last day to pick up permission forms).

The final day participants may return their permission forms to ensure they can attend is Wednesday, May 16.

For more information, to volunteer that night or to participate in our survivor lap please email [Mrs. Crowell](#) or [Mrs. O'Neill](#).

CELEBRATING CANADA'S FUTURE LEADERS

A message from Akela Peoples (Co-founder, President and CEO of Youth in Motion):

We understand the challenges of being a successful young person in today's world - the dedication, commitment and energy that it takes to balance activities like volunteering, part-time work, running a small business, sports, theatre and education to name a few. We also know that success is multi-dimensional....you have to be good at a number of things to attain your goals: communication skills, creative thinking, resourcefulness, ability to think and solve problems - just to name a few!

At Youth in Motion, we want to encourage you to continue making a difference. That is why we created Top 20 Under 20™—to celebrate and honour Canadians who have demonstrated a significant level innovation, leadership and achievement but have not yet reached the age of 20. There are incredible

On Wednesday, April 4, five St. Benedict students participated in the Educational Computing Organization of Ontario (ECOO)'s Board-level computer programming contest. The top three teams from our Board advance to the regional competition.

The ECOO programming contest is unique in that you can have up to four members on the team, you get four problems, three hours to solve those problems.... and only one computer. The challenge is not only to try to solve as many of the problems as you can, but to do them as quickly as possible; the time bonus is usually the tie-breaker, and often separates third from fourth place. Problems range from text manipulation, to trigonometry and physics-related, to encryption and recursion... you never know what you'll get until you open the envelope!

Our senior team of Vaughn Hilts and Tim Bryan was the first to complete any program, while the next team had no submission for nearly an hour. Unfortunately, the boys hit a snag and couldn't get any other programs running properly. Nevertheless, their quick first finish landed them in third place when all was said and done.

Our junior team of three managed to solve the first problem, and made a valiant attempt at solving the other problems. Still, the boys were pleased with their result, and look forward to returning next year.

We congratulate our senior boys on their third place finish in our Board level competition of the ECOO Computer Programming contest. Despite being shorthanded the boys demonstrated great teamwork skills, and are preparing to represent both St. Benedict and the WCDSB at the regional competition, which will be held Saturday, April 28 at the University of Western Ontario.

STUDENT VOLUNTEER OPPORTUNITY

If you would be interested in helping with "Healthy Heart Day" which is being held at St. Benedict on April 21, please speak with Mrs. Klassen in the Guidance Office as soon as possible. The organizers are looking for students with a particular interest in medically related careers to help with this event and will provide volunteers with a resume building certificate for their efforts.

QUEBEC TRIP: UNE EXPÉRIENCE MÉMORABLE

BY MISS D. COSTA

The Quebec trip was an experience of a lifetime. Not only did the students live and experience a new diverse culture but they also became close with each other on the trip. I witnessed on multiple occasions students helping each other order in French or translate signs in French. They were able to see provincial monuments and explore the beautiful walled city of Old Quebec, where they were able to use their French skills in authentic situations.

Students went to the ice hotel and were in awe of its beautiful structure and surprisingly warm atmosphere. They also had the opportunity to go dogsledding and experience the different activities offered in the cold months in Quebec.

The trip was topped off with a personal visit by Bonhomme Carnaval, and you have the perfect French cultural experience!

OVERNIGHT FAST FOR INDIA

BY MS. A. WHALEN

On behalf of MAD, we would like to extend a huge thank you to everyone that helped make this year's overnight fast for India a success. We raised almost \$4000 for health care in India.

Yes it is true, when we stick together and work together for something that is good and right and just, we create positive change. The overnight fast could not have happened without the help of many dedicated and caring people. A special thank you goes out to the members of the MAD Movement—the Making a Difference group who worked to organize the details of this event. (By the way, our meetings are every Wednesday after school in portable 1—come join us!)

Also to Mr. Witt who supported the idea of the fast from the very start. Our main office staff have been nothing short of sweet, supportive and helpful. To Mr. Furtado our amazing head custodian, for putting up with us all night and Mr. Dufresne for lending us the gym mats. To Zehrs and Starbucks and Lion's Masonry, to Mrs. Kot, Mrs. Varriano Lane, Mrs. Schuester, Mrs. Trentini, Mme. Leclerc, and Mrs. Menjolian who donated water and juice and breakfast food.

To Amber and Jessica from Free the Children for their educational presentation last night. To Lynn Harris for sharing her story about her trip to Kenya, and for inspiring us. And finally, to our adult supervisors Ms. Whalen, Mr. O'Connor, Ms. Hureau, Mrs. Cowen, Mrs. Cox, Mrs. Crowell, Mr. Rempel, Mr. Rocha and Mrs. Rocha for taking time away from their families at home to be with our Benny's family to be a part something that was so worthwhile.

MAD MARCH FOR LIFE TRIP TO OTTAWA

BY MRS. M. ROCHA

Would you like to go to Ottawa for 2 nights and 3 days? Join us on May 9, 10 and 11 as we participate in various pro life activities including the annual March for Life in which over 10,000 people walk peacefully through the streets of downtown Ottawa to encourage our government to change the existing Canadian abortion laws. This year we will also end the trip with a scenic boat cruise of Ottawa. There are only 20 spaces for students for this trip, so pick up a permission package from the MAD bulletin board on the 2nd floor in the history hallway or see Mrs. Rocha for more details. Permission forms and deposit are due by this Friday, so act fast!
