Turning it up a notch... for another few weeks...

We're almost there! In a few short weeks June, like all of her predecessors, will be a memory. But we need to make the most of it. June is a time of closure. For our grade 12s, it marks the end of another chapter in their lives, as they prepare to leave St. Benedict. For our grade 9s, 10s, and 11s, it's a time to "move up" to the next grade.

But June, like all of her predecessors, needs to be *lived*. It needs to be enjoyed (weatherwise, finally), but it also means turning it up a notch for another few weeks... that home stretch.

Students: make the most of it. Get those projects and ISUs done. Start studying. The Montreal Canadiens are out of the playoffs, so the NHL season is technically over. Prepare your review notes. Ask your teachers questions. Get answers. Get rest. Get some sun. But most of all, **get the best mark you are capable of, and one that you will be proud of.**

June will pass, don't let it pass you by, and most certainly don't let it pass without you growing intellectually and spiritually. July will wait.

September is looking even more AMAZING!

Have we got news for you! Sure, September is the end of summer vacation but we are coming back with a bang! In September Benny's is entering the *AVIVA Community Fund* Canada wide competition to win project funding to enhance our school! We have a \$150,000.00 winning idea that we know our community is going to love.

We want to enhance our sports field by adding a multipurpose score board, grandstands, a 150m stone dust fitness trail to connect to the track and some workout stations with green space rest areas that will look amazing.

All we need is you: Benny's past and present students and families to help get the message out to our community. We are looking for motivated students to work with our teams; IT & website (Mr. Milardovic), community (Mr. Wittmann & Mrs. Klassen), art and publications (Mr. Dufresne) and media (Miss Stockie) or talk to Mrs. Reis, one of our motivated project leads.

There are great creative leadership opportunities for students to work with staff promoting the project to the media, businesses, churches, our feeder schools and community leaders.

What does it take to win? It takes votes and community support to make it to the final judges round. Visit the [Aviva Community Fund](#) website and register to vote from each of your accounts. We need votes from all your email, face book and twitter accounts each day of voting to make it to the final round in December. There will also be legacy opportunities for families, friends and our community to help enhance the green space and fitness trail to beautify our school.

We know we have a winning idea and we are looking for you to be a part of it too!

Are you in Grade 12?

Are you leaving St. Benedict's next year and have uniform pieces that you would like to donate in exchange for wearing your civies for your last week of high school?

If this describes you, then, uniform collection begins Wednesday, June 11th -- check out the ranger for more information. If you have any questions, see Mrs. Leusink in the main office.

St. Benedict is gold at going green

By MR. A. ARKELL

St. Benedict has earned a Gold Level standing in the EcoSchool program for the third year in a row. We earned 89.75 points out of a total of 100. The judges who visited our school were really impressed with how we include environmental stewardship and eco-friendly practices in many areas around the school.

For those not familiar with this process, the EcoSchool program looks at six different areas around promoting Eco-Friendly practices. These categories include things like school ground greening projects, lesson plans and summative projects, field trips, programs around reducing waste and electricity usage, environmental leadership, and the way we communicate our stories to the school and public.

I'd like to personally thank all of the teachers, custodians and all others who have helped out in any way this year. Achieving Gold is not easy because it takes a whole community to work together towards one goal. We did this again for the third year in a row.

Special Olympian visits St. Benedict

BY MRS. D. WYLIE

Special Olympian and former Cambridge resident, Jeff Cressman, came to St Benedict on May 28th to visit with Mrs Missio's grade 9 class. He brought his medals to show off and many pictures showing his style. Jeff went to the Canadian Special Olympics in Calgary in 1996 as a speed skater. In 2006 he went to Hamilton to qualify for the Winter Games that were to be held in Owen Sound in 2007. At the Winter Games Jeff had the honour of being the torch bearer who helped light the Olympic torch. Jeff was one of the oldest and most respected Special Olympians at the Games. In 2006 Jeff also had the opportunity to be in Celebration on Ice with stars such as Kurt Browning, Jeffery Buttle, Shalyn Bourne and other famous Canadian figure skaters.

Jeff had an attentive audience as he told of his journey to the Ontario Winter Games in 2007 as a Figure Skater, winning gold. After the class watched a video of Jeff practicing with his coach and one of him doing his award winning performance many questions were asked about the journey to being a Special Olympian, such as how long did he practice, where he has travelled to and what he is doing now.

Jeff was a great inspiration to the class as they talked about their own favourite sports and going to the regional Special Olympics on June 16th.

Special Olympian Jeff Cressman poses with Mackenzie Dobbie.

Parts Of Speech: The NOUN

A noun is a word for a person, place, or thing. (You might like to think of nouns as *naming words*.)

Everything we can see or talk about is represented by a word which names it. That "naming word" is called a noun.

Sometimes a noun will be the name for something we can touch (e.g., lion, cake, computer), and sometimes a noun will be the name for something we cannot touch (e.g., bravery, mile, joy).

Everything is represented by a word that lets us talk about it. This includes people (e.g., man, scientist), animals (e.g., dog, lizard), places (e.g., town, street), objects (e.g., vase, pencil), substances (e.g., copper, glass), qualities (e.g., heroism, sorrow), actions (e.g., swimming, dancing), and measures (e.g., inch, ounce).

Grade 11s experience sacred spaces throughout region

By MRS. J. DIETRICH

The grade 11 World Religions classes had the opportunity to visit 3 sacred spaces throughout Waterloo Region on Wednesday, May 28. The first stop was the Islamic Centre of Cambridge where we were fortunate to hear the wise words of the local Imam who posed on the front steps of the mosque with the Bennies' students.

Our next stop was Beth Jacob Synagogue in Kitchener where Rabbi Nevo Zuckerman amazed us with his stories of living life as an Orthodox Jew.

The final visit for the students was a Hindu Temple in Bridgeport where students were awed by the beauty of many Hindu statues of popular gods and goddesses.

All the students found the day to be very educational and informative! It is definitely a trip to look forward to in your grade 11 year!

St. Benedict's is LOUDER THAN A BOMB!

By Mrs. M. ROCHA

In May, students from Mrs. Rocha's senior drama class participated in the first ever Canadian "Louder Than A Bomb" Spoken Word Competition! According to Urban Dictionary, "Spoken Word is poetry intended for onstage performance, rather than exclusively designed for the page".

Our students represented our school with class and style at the competitions. The team of Emma Fritz, Jacob Knoop, Mackenzie Kuehl and Mikael Melo placed 2nd at the Preliminaries on May 2 and the team of Julia Da Silva, Arlene Gopaulsingh, Mackenzie Kuehl, Mikael Melo and Hailey Wright placed 3rd at the Finals on May 28.

A big thank you to these students who were open to learning about this inspiring art form and who shared their beautiful poetry with others!

Youth and Philanthropic Initiative (YPI)

By Mr. R. MARTINELLO

Once again St. Benedict Civics students participated in the annual YPI (Youth and Philanthropic Initiative) challenge. YPI is an charitable organization that encourages students to participate in active citizenship by researching a local grassroots charity. Through our Grade 10 Civics classes, students in groups of two to five choose a local charity, research it through a variety of means, including visits of the charity, then present to their fellow classmates. Each class selects one group to compete in an all-school final presentation. The winner of that presentation is then given \$5,000 by YPI to present to their chosen charity.

Students get ready to **VOTE!**

As is tradition, we will be hosting a mock student provincial vote on June 9 in our atrium.

By the time the next issue of the BENN goes out we will have the votes tabulated, and our in-school pundits will be able to compare our results with the actual provincial election.

To date, YPI has donated over \$6 million to a variety of charities across Canada. All five of our high schools in the Waterloo Catholic District School Board participate in the YPI project with winners from each school presenting a \$5,000 cheque to needy charities. That means that students in our board, over the last two years, have been able to provide \$50,000 in funds to deserving charities.

The winners of this year's YPI (Youth and Philanthropy Initiative) completion were Cheyne Ferguson, Faizah Gaya, Kianna Barran, Calista McLeod, and Ashlee Hardy. Their chosen charity was Run-a-Lung, the charity established by Kayla Baker. The money donated to Run-a-Lung will be used to buy Ipads, Ipods and television screens for children who are currently receiving treatment at Sick Kids Hospital in Toronto. Congratulations go to these young ladies, and to all who participated in the YPI challenge.

For more information on YPI go to goypi.org.

By MR. F. WITTMANN

OFSAA Tennis 2014

By MRS. M. CROWELL

Ashleigh Brimo went to OFSAA Tennis at the Rexall Centre for her second year in a row to compete in the girls high school singles category. Her first match was a heartbreaker as she was up by a large margin but lost in a tiebreaker 7-5.

Her second match was on Tuesday, and after much work by the organizers due to rain we went to the Veneto tennis club where she quite easily won her match. Staying at the Veneto Club Ashleigh played another very close match but in the end lost in a tie breaker 7-5 so was not able

to advance to the finals on Wednesday despite putting forth a great effort.

Best of luck to Ashleigh in her tennis future!
