Remembering to remember

One of the challenges with Remembrance Day this year is that the two minutes of silence fell right in the middle of lunch. If you know anything about teens (I know you parents do), they enjoy two things: eating, and talking with friends. So what happens when—in the middle of them enjoying their two most favourite things during the school day—we interrupt them and ask them to *stand quietly for two minutes*?

I had cafeteria supervision Tuesday from 10:45 until 11:03—to the end of what I hoped would be silence. The minutes ticked by, until 10:59... then, an announcement came on, students were asked to stand for the Last Post. I scanned looking for someone to remind to stand (quietly) and ... found no one. Students stopped—the phones were put down, conversations put on hold, and they stood. Quietly, respectfully, reverently. I glanced out into the hallway. The same. It was AWESOME.

We often catch them "being bad", but here's one time they were good. And I hope others caught it. I certainly did. Pat your son or daughter on the back, because they were respectful and honoured those who brought us our freedom. They truly exemplified what it means to be a *celebration of people*.

Lest We Forget

Bennies Remembers

By VANESSA WINIARZ

The students of Mr. Martinello's grade ten history class worked hard to put together a Remembrance Day ceremony for the school. A challenge our school faced this year was that the moment of silence fell right in the middle of the lunch period; therefore, a group of students – Miranda Zahra, Chandler Moreira, Michelle Nguyen, Leah Ritchie and Kaitlin Humer – decided to work around it with captivating tableaux and a PowerPoint presentation that took place in the cafeteria.

These students put in a lot of effort and class time to perfect the tableaux and were working right up until the morning before. Along with Mr. Renner, Miranda Zahra planned various tableaux to the poem of In Flanders Fields, and Mr. Renner's vocal music class provided lovely acoustics as they sang *A Pittance of Time*, *O Canada* and *Highway of Heroes*.

Following the presentation at eleven o'clock, the staff and students at Bennies took part in two minutes of silence; to reflect and remember those who fought and died in previous wars and in peace-keeping missions going on in our world today. Charlene Sullivan played "Last Post" on trumpet, to signify the soldiers who have gone to their final rest.

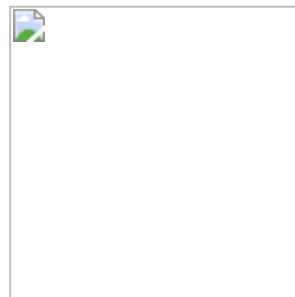

Grade 11 student Liam Clough was one of the cadets selected to stand guard at the Hespeler cenotaph.

Students in the Life Skills class designed this display on the second floor.

Immediately following "Last Post", the crowd grew silent... many bowed their heads as we stood strong; proud to be Canadian!

Mr. Renner's vocal music class sang as part of the Remembrance Day observation.

Anti-bullying Week November 17 to 21

Next week St. Benedict Community, along with the Province, is launching anti-bullying week.

Our focus is going to be on celebrating our positive school culture and highlighting the good things that are happening in our community.

We are using the theme of T.H.I.N.K. to lead each day of events. We are starting with prayers, announcements and daily tweets to begin each day.

We are going to promote our listening locker, bullying web site, options to report events and incidents that make our school unsafe and unwelcoming.

We have guest speakers, videos, banner signing, International Food Day, mental health assembly and much more.

The highlight of the week is the video staff and students created around being a positive school culture.

Please feel free to drop in and see what is happening, the calendar of events is located on our website.

Bullying is a repeated pattern of aggressive behaviour meant to hurt or cause discomfort to another person over time. Bullying can occur anywhere, at home, work or at school.

There are three types of bullying, physical, verbal and social. They include:

- Physical bullying is causing harm to another person's body or property
- Verbal bullying is causing harm to another through name-calling and insults
- Social bullying is causing intentional shunning or exclusion to another from groups

Bullying also includes the on-going harassment and/or intimidation of another person. Harassment is any behaviour or comment that is hurtful, degrading, humiliating or offensive to another person.

Intimidation is the act of causing fear in order to force or influence someone to do, or not to do, something.

The focus this week is reporting incidents where others make others feel uncomfortable or unsafe. It's also about all of the positive acts and interaction of kindness we have with others during the day ... share it, celebrate it, repeat and model it.

News from the Guidance Department

By MR. M. AMBEAU

Community Service Hours

If you are looking for ways to complete your Community Service Hours, the Christmas Season provides some ways for you to be involved. The Salvation Army is seeking volunteers from now until Christmas to help with their 2014 Red Kettle Campaign which takes place at different locations throughout the Cambridge community. Hours are very flexible and can be adapted to suit your schedule. They are looking for volunteers this weekend (Nov 13–15 and 20–22), also Monday to Saturday Nov 24 to Dec 24. Contact information for this opportunity is available in the guidance office from Mrs. O'Connor or email Harvey_canning@rogers.com.

Take Our Kids To Work

Take Our Kids to Work celebrated another great year of students going to work with their parents. We are always looking to improve the experience, could you please take a minute to [fill out the survey](#) and get your name entered in a draw to win a Samsung tablet.

Post-Secondary Timeline

1. College and University visits being held at our school will come to a close during the month of November.
2. Grade 12 students should continue to do specific institution research at the E-info site (www.electronicinfo.com) for university and www.ontariocolleges.ca site.
3. PIN numbers for students applying to university will be coming soon to the guidance office. Students planning to apply to university must use this personal PIN number to set up their accounts. Students planning to apply to college do not need a PIN number in order to set up their application account.
4. Now is a great time to arrange for a campus visit or tour at institutions that are of interest. The value of making a personal visit to a school should not be underestimated! Students who have visited campuses are finding this to be very beneficial in their decision making process. Most colleges and universities typically host these events in the fall, as well as in the spring. Specific dates can be found on the web sites of all universities and colleges.
5. Review your semester two timetable to make sure that you have all of the necessary pre-requisite courses.
6. Complete your Community Service Hours – AND – remember to hand them in!!
7. Be prepared to wait for confirmation of acceptance from schools. Each institution has its own timeline with regard to admission offers. Try not to let anxiety about acceptance interfere with your progress at school.

St. Jerome's University Tour

St. Jerome's University is affiliated with the University of Waterloo which means that any student who chooses to attend SJU receives a degree from the University of Waterloo. SJU allows students the opportunity to be part of a small campus at a large university. SJU is committed to integrating Catholic tradition with an ever-changing world and the demands of the future. At SJU, Catholic roots of inclusivity foster students from all faiths and beliefs in pursuing personal excellence, spiritual growth, and a passion for social justice through their undergraduate studies. Individual tours can also be set up.

Dealing with Loss

Hospice of Waterloo Region's Teen Support Program is open to 14–18 year olds who have lost a parent, sibling or other significant person in their lives in the last two years through illness or accident. The group addresses issues of loss and grief and coping with loss through various art experiences,

group exercises and discussions. Individual and family counselling is also available. These support groups are free of charge for participants and a professional referral to the program is not required. For more information, call Hospice of Waterloo Region directly at 519-743-4114 or check out www.hospicewaterloo.ca.

Solar panels on the roof

By MR. M. SAUVE

On November 7th work began on the installation of 1020 solar panels on the roof of our fine school. The majority of the work will be completed in the next 5 weeks. This project is one of 18 solar panel projects that are occurring at schools within our school board. This project is another way our school is leading the way into the future. Our solar panels will begin to provide energy to our community in March 2015.

Grade 7 Science Olympics

Enrichment opportunities for students

BY VERONICA REITMEIER

On Wednesday, November 5th 2014, the St. Benedict's Science team showcased the spectacular talents once again as they hosted the third annual Elementary Science Olympics. Grade 7 students from St. Joseph's, St. Margaret's, Christ the King, St. Michaels, St. Peter's, Our Lady of Fatima, and St. Elizabeth competed in 5 different events from all over the science spectrum. From the *out of this world* solar system challenges, to an ultimate paper aeroplane contest titled 'Gliding for Gold', the Saints organized and followed through with a fun day for all.

We are already looking forward to next years competition when our next group of Grade 7's comes to challenge each other with their creativity and quick wits.

Grade 8 Arts/Tech Day

BY MRS. L. O'NEILL

St. Benedict welcomed over 150 grade 8 students from five different feeder schools into the building last Wednesday. Students were participating in a Grade 8 Arts and Technology day where they spent some time completing activities in the different areas and getting a taste of what Arts and Technology look like at St. Benedict. Some groups made chocolate chip cookies, really getting a 'taste' of what Hospitality has to offer. Cosmotology had them practicing their modelling skills as they got new tattoos with blue and yellow B's on their faces or got their nails painted – blue and yellow of course! 3D cubes were made and decorated in the Visual Arts. Nail races was the challenge in Construction and a quick change

BY MRS. D. TRENTINI

For any student interested in enrichment opportunities, please check out the resource entitled "Contests, Competitions & Challenges: Opportunities Beyond the Classroom" at: <http://www.wcdsb.ca/spec-ed/programs.html>. If you have any questions about enrichment opportunities, please see Ms. Trentini in the Student Success Centre (Room 208).

SHAD Uncommon Purpose summer program – "Bootcamp For Your Brain"

SHAD is a summer program for high achieving students in grade 10, 11 and 12, focused on inspiring leadership, teamwork and entrepreneurial spirit.

SHAD is a registered Canadian charity that empowers exceptional high school students – at a pivotal point in their education – to recognize their own capabilities and envision their extraordinary potential as tomorrow's leaders and change makers. Each year, SHAD provides the opportunity for 600+ students from across Canada and internationally to attend a month-long summer program, in-residence at one of 12 Canadian host universities, focused on STEM (science, technology, engineering & math). There are currently more than 14,000 SHAD alumni including 26 Rhodes Scholars, Top 40 under 40 & Top 20 Under 20 award recipients, and many other accomplished professionals, all sharing the transformational SHAD experience and able to leverage their SHAD network for life. Founded in 1980, SHAD is based in Waterloo.

Students selected through the rigorous, competitive process for places in the summer program are top performers typically with grades over 90%, who are also well-rounded emerging leaders demonstrating initiative, creativity and flair. They are leaders in their schools, volunteers in their communities, and are often gifted musicians, artists and athletes.

While the online application due dates are November 26 or December 11, 2014, you can submit your application any time before these dates (you do not need to wait until November 26). The 2015 program will run from July 5 – 31.

The admission process is competitive, and the application takes into consideration both academic results and extra-curricular participation. SHAD is seeking exceptional students interested in STEM (science, technology, engineering, mathematics) with incredible intellect, drive, initiative and creativity, who are seeking an enrichment experience.

If you are interested in learning more about this opportunity, please go to: www.shad.ca/apply

Waterloo Unlimited

Grade 11 Program | Theme of "Design" | 5-day program

Monday, March 16, 2015 (All day) to Friday, March 20, 2015 (All day)

tire challenge in Auto Mechanics. In Communications Technology students were able to put on their own TV show. Welding personal crosses was the challenge in Manufacturing Technology. The students were put on their toes with some drama and improv games in the Drama area. A demonstration in the music area was also given to the students.

Students made their way through the building using a schedule slightly different from those in high school classes and allowing the Grade 8's to see what it's like to walk the halls of the high school and make it to class in only 5 minutes! The events were hosted by the specific area teacher, assisted by LINK crew and many student volunteers.

We will welcome a new set of Grade 8 students to the school on December 3rd to take part in another Art and Technology day.

French trip to Quebec City Parents' meeting Thursday evening

BY MME. HODGSON

Bonjour les étudiants de français!!! Do you want to go dog sledding, visit the ice hotel, go tubing in the biggest tube park in all of North America...and speak French while doing it? Well the annual Quebec City trip is for you!!!! It is time to sign up for the Quebec City Trip. Spaces are limited so get yourself signed up with Mme Hodgson asap. There will be an important Parent information meeting Thursday November 13 at 6:00 pm in the lecture hall. Please see Mme Hodgson in room 202 for sign-up information.

From engineering and the environment to science fiction and virtual reality, students will spend a week exploring the theme of design with a community of like-minded peers.

Application deadline: Monday, December 15, 2014

Program fee: \$450 (includes meals; includes HST)

Supervised overnight shared hotel accommodation: \$300 (\$60/night) (includes HST)*

*Hotel accommodation is available for both local and out-of-town students.

[APPLY NOW :: WATERLOO UNLIMITED APPLICATION](#)

Limited bursary support is available for students in financial need.

Grade 10 | Theme of "Change" | 5-day program Sunday, May 10, 2015 (All day) to Thursday, May 14, 2015 (All day)

We live in the midst of change: technological change, social change, political change, environmental change. In modern times humankind has experienced an unprecedented rapidity of change. How do we adapt, or not adapt... and what are the consequences? Students will consider the perspectives of scientists, engineers, writers, and philosophers, as they examine the dynamics of "Change".

Application deadline: Tuesday, March 10, 2015

Program fee: \$450 (includes meals; includes HST)

Supervised overnight shared residence accommodation: \$160 (\$40/night) (includes HST)*

*Residence accommodation is available for both local and out-of-town students.

[APPLY NOW :: WATERLOO UNLIMITED APPLICATION](#)

Limited bursary support is available for students in financial need.

Friars' Student Writing Awards 2015

The Franciscan Friars of the Atonement–Graymoor and The Catholic Register are proud to present the 2015 Student Writing Award.

"Jesus said to her: 'Give me a drink.'" (John 4:7)

Students should carefully read Scripture passage John 4: 1–42 and then submit a 500-word essay that answers the question: "If Jesus was able to reach out beyond his own Jewish community, and to a woman with a questionable reputation, what does that tell Catholics about the value of Christian Unity?"

1st Place Prize: iPad Air, 16GB

2nd Place Prize: Kobo Aura H20

The best essays will be edited by professional journalists and published in The Catholic Register and here at catholicregister.org.

Contest Rules:

All submissions will be read by a panel including professional journalists, and judged on overall merit. Contestants must be 14–18 years of age, and currently enrolled in an Ontario secondary school or equivalent program. Essays

must be no longer than 500 words in length and submitted on or before the contest closing date. Include your full name, email address, phone number, and name of your school on the front page of your essay.

Deadline for entries is January 9, 2015

For submissions see:

<http://www.catholicregister.org/writingaward>

Athletics

Basketball girls split championship with Resurrection

TAKEN FROM THE DISTRICT 8 WEBSITE

St. Benedict's Kayla Leusink poured in 20 points as the St. Benedict Saints topped the Resurrection Phoenix 46-30 to win the District 8 senior girls basketball championship.

Leusink was the games top scorer while teammate Afifa Salaad contributed 13 points in the championship win for the Saints. Rachel Engle led Resurrection's scoring thrust with 14 points with teammate Brittany Haughton posting 13.

The championship is just St. Benedict's second in D8 play and their first since 2002-03.

In the junior championship, Resurrection would win a lopsided battle dusting St. Benedict's 54-13. It marks the fourth consecutive junior girls title for the Phoenix and ninth overall since District 8 formed back in 1990.

Krissa Vasquez was the hot scorer for Resurrection posting 22 points while Jama Bin-Edward had 16. Maya Danis contributed 8 points in the loss for the Saints.

Both championship squads advance to play in a Central Western Ontario (CWOSSA) qualifier game set for Wednesday, November 12th against Brantford CI. Resurrection will host the junior game while St. Benedict's will host the senior game. Game times are to be determined.

Junior Footballers win close one

BY MR. J. MEYER

The Saints junior football team finished their last regular season game with a dramatic win over Glenview Park on October 31. Playing in cold and muddy conditions the Saints battled every yard of the way maintaining an undefeated season finishing 6-0 and winning the game with a final score of 31-28.

While all members of the Junior football team worked hard to win this game, special mention goes out to Josh Cumber who shut down the running backs on the opposing team multiple times, Josh Nikolic for maintaining much needed inspiration for players throughout the game, and Avery O'Hare for picking the ball from Glenview in the fourth quarter, when it was needed most.

Quarterback Andrew Horscroft also helped lead the team to victory by making pass after pass, allowing the Saints to gain yards and time in the second half of the game and with 13 seconds left in the fourth quarter and on third down, Graham Sheppard scored the deciding touchdown.

The boys bowed out of competition after a valiant effort and hard fought loss Tuesday night. While the team lost their semi-final game against Resurrection, they fought throughout the full duration of the game causing multiple turnovers. Ryan Meisner and Gavin Douglas scored two quick touchdowns in the third quarter that drastically changed momentum in the game. Gavin Douglas also scored a touchdown in the second quarter and Andrew Ager scored three extra points. The final score in the game was 50 to 21. All team members acted as true leaders on the field, completed the game with their heads held high, and eager to begin a new season next year.

Senior Football

BY MR. J. VALE

Congratulations to the Senior Boys Football team for their 42-7 victory over WCI in the WCSSAA Quarterfinal action. The Saints were led by Brayden Hill who threw 4 touchdowns to Alex Douglas (2), Devante Hudson, George Monaghan. Aidan Yearwood and Derek Cole scored rushing touchdowns. The defence was led by Bobby Cheeseman, Dylan Cherry, Alex Titus and Klay DeGannes.

X-Country OFSAA results

BY MR. F. WITTMANN

The best X-Country runners in the province assembled this past Saturday, November 1st, in Waterloo for OFSAA. Congratulations to the junior girls' team who received 8th place ribbons at this prestigious event – their second top 8 OFSAA performance in as many years, and the first Bennie's team to do it back-to-back. Sevanne led her teammates Emily, Sarah, Taylor, and Makayla, while Hope and Madi had very respectable showings in the midget girls race.

The cold weather didn't dampen our runners' spirits, as our girls finished top 8 for the second time in two years.

Stay up to date with District 8 Sports

Now receive sports updates in your email or on your mobile device!

Girls' Hockey getting an early start

BY MRS. L. O'NEILL

The girls' hockey club will get started with their first tournament on Tuesday November 18th. The girls will travel to Baden to participate in the Lady Crusaders tournament hosted by Waterloo Oxford at the Wilmot Rec Complex. We are hoping to start the season with some wins and bring home some hardware!

MAD collects food on Halloween

By MIRANDA ZAHRA

On October 31, a group of students who are a part of the Making a Difference Club went out to collect food for the Food Bank as a part of the We Scare Hunger initiative through Me to We. Every year St. Benedict students have participated in the Free the Children's Halloween initiative and this year was no different! Students got dressed up in costumes went Trick or Treating asking for non-perishable food donations for the Food Bank instead of candy.

Despite the rain the students worked hard and their commitment showed when the food was being loaded. We filled about 16 boxes with food items that were donated on Halloween Night that will be added to the food collected in class and sent off to the Cambridge Self-Help Food Bank.

A special thank you to our Bennies "DREAM TEAM": Mrs. Wylie, Mrs. Menjolian, Mrs. Cowan, Mrs. MacDonald and Mr. Rempel, whose participation made the event run that much smoother!

Because I Am a Girl

By HANNAH TREMBLETT AND MADDIE FRAMPTON

The issue of girls around the world being denied human rights is something that is not paid enough attention to. Because I Am a Girl is here to change that. At these meetings we watch motivational videos, as well as discuss ongoing problems in the world today. Each individual has their own opinions and beliefs, but we all work toward a common goal: to help achieve equal rights for both genders. The club is open to both boys and girls; we need everyone's help and support to make a difference. Because I Am a Girl meets on Mondays in room 123; we hope to see you there.

Finance club seeking members

By MR. A. MILARDOVIC

Students! Do you have money? Do you know what to do with it? The Millionaires Club isn't just about playing the stock market, it's also about tackling your financial issues.

Meet Wednesday at lunch with Mr. Milardovic and Mr. Meyer to talk finances. Next Wednesday in the Millionaires Club: What can you do as a teen to help prepare yourself financially for the next few years? Come join us for all the financial fun as we talk about earning, spending, saving and investing.

If you want to play the Stock Market competition, we can get you started on that as well. See Mr. Milardovic or Mr. Meyer at any time to get the access code to play the game!

Finally!

**the Accepting
Differences Club is
up and running!**

**the club will meet every
week on Mondays,
Wednesdays &
Thursdays at lunch in
room 327**
