A Christmas message from Administration

December has quickly arrived and along with it the season of hope and joy. It is a time for us to explain to our students that the true gift of the Christmas season is giving and caring for others. It is a perfect time to stress with the entire school community to role-model and express the following: being kind, compassionate, showing you care, expressing gratitude, forgiving others and helping those in need.

Helping people in need was certainly expressed through the tremendous efforts of the Christmas Basket and the Christmas Stocking campaigns we celebrated on Friday, December 11th in our advent assembly.

A Christmas message from Administration

Continued from above

The outpouring of support for families in need as well as our response to the Syrian families arriving to Canada was outstanding. We held a civvies day on Tuesday, December 15th to help support/sponsor a Syrian family and we raised \$1900. Truly amazing!!

We genuinely hope that you take time to enjoy the holiday season with your family. Sometimes, it can be a very exciting but hectic time of year and we need to remember to slow down and relax.

A quote to think about:

May you have the gladness of the Christmas season which is hope; The spirit of the Christmas season which is peace; The heart of the Christmas season which is love.

Wishing all of our families a wonderful Christmas and all the best for 2016.

St. Benedict Heart of the Community Phase Two Expansion Recreation Space Survey

By ST. BENEDICT ADMINISTRATION

At St. Benedict's we believe it is important that we contribute to building a strong, vibrant, and healthy community. We have received support from the Hallman Foundation to expand the recreation space at the corner of Saginaw Parkway and Franklin Boulevard to better meet the needs of the people who live in our community.

The goal of this project is to improve recreation opportunities for children and youth 0 to 16 years by offering a place that people of all ages can enjoy. In addition to an onsite public library, we currently have a large field, multi-lane track, and outdoor adult fitness stations.

We would like to hear from you about what else we should include in this space when we build it in the fall of 2016. Below are some examples of elements that we are considering including in this phase of the project. You can access the survey by [clicking here](#).

If you have any questions about this survey or the project, please contact Dan Witt, Principal of St. Benedict by e-mail at: dan.witt@wcdsb.ca or by phone at 519-621-4050.

SEVERE WEATHER

Bus Cancellation and School Closures

How do we make school closure and bus cancellation decisions?

- Student Transportation Services of Waterloo Region (STSWR) bus operators start monitoring road and weather conditions early in the morning.
- A recommendation to make any bus cancellations or school closures is discussed with the Directors of Education at local school boards.
- **Transportation cancellations do not automatically mean schools are closed**

What time do we make decisions?

- We try to make decisions by 6:00 a.m.

Where do I find cancellation information?

We communicate this information by:

1. Our website www.wcdsb.ca
2. STSWR website www.stswr.ca
3. Our twitter account @WCDsBNewsWire
4. Local media

How do frigid temperatures affect closures?

- Frigid temperatures are temperatures at -35°C with wind chill or colder.
- We monitor Environment Canada's wind chill index by 5:30 a.m.
- If temperatures are forecasted to be -35°C or colder with the wind chill at 7:00 a.m. **buses will not operate.**
- Schools may be open to students who can safely arrive at school under supervision or direction of their parents.

Important reminder

- Frost bite can happen within minutes of skin being exposed during frigid temperatures. Please dress appropriately.
- Crossing Guards may not be available as a result of frigid temperatures.

Parents have the option of keeping their children at home, or picking them up before the regular dismissal time when concerned about weather conditions.

**Classrooms are
No Phone Zones!**

Classrooms are for learning. The use of cell phones is not permitted in class. Parents, if you need to get in touch with your son or daughter, please call the school office and we will contact your child.

Students, don't let your cell phone become a distraction to your learning. Many teachers are integrating this technology into their classroom activities, but when it is not part of the learning phones should be away.

Food Allergy Alert!

We have a number of students and staff in the St. Benedict community with severe life-threatening food allergies, particularly related to peanuts and nuts (anaphylaxis). This is a medical condition that causes a severe allergic reaction to specific foods and can result in death within minutes. If your child brings their lunch with them to school, please ensure that it is free from peanuts and nut products.

If you have any questions or concerns please contact your child's administrator.

Who is your administrator?

Saints impress at Model UN Conference

By Mr. R. MARTINELLO

On Friday, December 11, six of our students participated in a Model UN Conference at the Center for International Governance Innovation (CIGI). This conference was a county wide affair held for the first

time by CIGI. This was our first UN conference for our fledgling group. The following students took part: Noah Guerin, Jason He, Tiana Thomas, Alaina Hansen, Natalie Davidson and Matthew Readman.

The delegates from St. Benedict were organized into three separate councils: the General Assembly, the Human Rights Council and the Security Council. Each council looked at separate issues. The issue of Climate Change was debated in the General Assembly, the Syrian Refugee Crisis was debated in the Human Rights Council and Nuclear Non-Proliferation was debated in the Security Council.

Special congratulations go to Tiana Thomas who was identified by the organizers to be the most diplomatic representative in the Human Rights Council.

Further Tiana, Noah Guerin and Matthew Readman so impressed the organizers that they have been invited to participate in a Model UN simulation in Ottawa. Congratulations go to all of our student delegates who now look forward to our next Model UN.

Giving Back Club

By Ms. M. TAPPER

The "Giving Back Club" was started by 3 grade 12 students who felt very strongly about giving back to both the school and greater community. They already have their volunteer hours, but felt that their peers needed a place to be able to go, within the school community, to find opportunities available to them. They also thought that if there were group opportunities to volunteer at, that some students would feel more comfortable.

They also knew many students who enjoy volunteering and wanted to make it a larger part of St. Benedict's school culture. The students contact organizations and research community events, get information and then try to match students with an activity/area they have expressed interest in.

They meet every Wednesday in room 303 at lunch to find out the weekly/monthly opportunities available to them to sign up for. We will also have a Facebook page that students can check for updated information and opportunities available to them. You can also follow us on Twitter at @sbcssgivingback.
