Next Issue

January 27, 2016

What have you learned?

By the time our next issue of the BENN newsletter goes out, fourteen days will pass. Perhaps the most important of those days will be that fourteenth day, that Wednesday, which is the day of our first period evaluation. By the time you receive your BENN newsletter that day, your son or daughter will probably be breathing a sigh of relief and saying, "one down, three to go".

School is more than just about learning and memorizing facts and formulas. Life's lessons go beyond the textbook, beyond the white board. As students journey through their educational life, we hope that they learn more about life than just course notes. And this is one of the places where I think we excel by making our school the *heart of the community: Success for each – a place for all*. As the semester winds down, see what your son or daughter is up to at Bennie's outside of classes, and if they are not involved, challenge them to do so!

The final evaluation is important—whether it takes the form of an exam, an essay, or a presentation. And students should remember that it's an opportunity for them to demonstrate what they've learned. We hope that your son or daughter has much success during the final evaluation period!

Pitch Day!

By MRS. S. BEYERLE

Do you need a clever place to hide valuables right out in the open?

Do you want a speaker for your phone that doesn't require electricity or rely on Bluetooth?

On January 12, Bennies sent 5 of its Brightest Business Brains to a Dragon's Den-style product pitch event at Communitech in Kitchener. A once-in-a-lifetime opportunity, these students from Mrs. Beyerle's Introduction to Business class got to pitch their product innovations to a panel of 3 successful entrepreneurs.

First up was "Super Secret Storage": a real book that's been slightly weathered and worn, with a hollowed-out centre where you can store your phone, some jewellery or other small items. Choose one of their ready-made products, or send them the book you'd like them to augment for a custom order that'll fit it in perfectly with the other books you already have at home. So sneaky!

Next on the agenda was "Portable Speaker". Beautifully handcrafted from solid wood, rest your phone in it and play music while the acoustic features increase your phone's volume significantly. No electricity. No wifi. No Bluetooth. Plus, it sure looks nice! Bring it with you or set it up at home.

Students got valuable feedback on their pitch delivery, expert opinions on their product ideas and advice on marketing, product enhancements and distribution that could help them start their own businesses.

Huge thanks to the Business and Education Partnership of Waterloo Region for sponsoring the event, and to the kind and gracious Mrs. Judy Carley from the school board office, who organized the details!

Junior Girls Volleyball staying strong

By Ms. J. BIRCH

The Junior volleyball girls have had a string of successes over the last few weeks. The girls have really proven themselves to be worthy opponents and are working hard as a team.

Last Friday the team won second place in a Tournament at Preston High School. Their only losses came against the eventual champions and host team Preston Panthers. Congratulations to Olivia Benzin, our team's tournament MVP.

In regular league play, the girls have been 3-0 to start January. Last Monday they defeated Woodland in four sets. It was a great team effort that included battling back to win the third set after being down 24 to 19.

The girls are all smiles as they pose for a team photo with their second place plaque.

Senior Boys Basketball

By MR. A. MILARDOVIC

To say that the past month has been a busy one for our senior boys basketball team is an understatement. Over the last month, along with going 8-0 in regular league play, they also participated in four tournaments.

In mid-December, the boys won the 37th Annual Chancellor Invitational Tournament in Hamilton. They defeated John Paul II from London in the final 57 to 34. On the way to the final the Saints defeated Brantford Assumption 59 to 22 and then Sarnia Northern 49 to 41. In the semi-final, the Saints knocked off one of the best in Hamilton, St. Jean de Brebeuf 63 to 59. Zubair Seyed was named Tournament MVP and Devante Douse was a first team all-star.

The following weekend they played in the University of Windsor Tournament, where they made it to the final. In their first game of the tourney, the Saints beat Bishop Redding, currently ranked #7 in the GTA, 61 to 39. Top scorers were Zubair Seyed with 25 and Justin Malnerich, Evan Rodenburg and Alex

To say that the past month has been a busy one for our senior boys basketball team is an understatement.

Douglas with 9 points apiece. In semi-final action the Saints beat Sarnia Northern 65 to 38. Top scorers were Evan Rodenburg with 19 and Justin Malnerich with 16. In the finals they faced a top 5 nationally ranked team in Father Henry Carr, and ended up losing 70 to 43. Top scorers were Lucas Cardoso with 12 points and Justin Malnerich with 9.

Christmas was no break for our b-ballers. The Saints travelled to the Surf 'n' Slam Classic Basketball Tournament in San Diego to take on some tough American competition. The tournament featured 30 boys teams and 12 girls teams. St. Benedict put themselves in the top 8 bracket of the tournament to see where they measured up. In their first game they faced 6'10" Junior USA National team player Jordan Brown (and possible future NBA lottery pick) and his Woodcreek team from Sacramento. The Saints trailed by 3 at half time but could not pull things out losing 63 to 52. In their second game they faced two time defending tournament champions, Mission Bay from San Diego. The Saints trailed by 3 with two minutes to go but some costly mistakes stopped the upset. They lost 54 to 45. In the third friendly game they played Davis from Utah but came up short. Not only was this a great learning experience for the boys as far as basketball goes, they were able to take in some sites and the culture of San Diego.

But alas, a return to Cambridge was necessary. Next contest: The Saints Invitational, on home court! The Invitational, the 28th annual, was another great show of sportsmanship and determination, as 24 teams came to do battle on the hard court at either St. Benedict, Monsignor Doyle, or St. Mary's. With teams from as far away as Timmins and Kingston, this tournament is one of the premier tournaments in the province.

Our Saints first saw action Friday morning against the Bluevale Knights. The Knights did not get an opportunity to mount much of an offense against the Saints, and fell 84–25 to the boys from Bennie's. The second match for Bennie's was against the Ancaster Royals, who had earlier in the day beaten Bluevale 66–22. While they did present the Saints with some tougher competition, the Saints won the game 79–49, with Zubair Seyed getting 22 points. The two wins in the round robin portion of the tournament gave the Saints first place in their pool.

In the quarter-finals, the Saints were to face off against John Paul II from London, the team they beat in the final in Hamilton in December. It was a great game that showed the strength of both teams, but in the end the Saints were again victorious, winning 46–33.

The Saints next faced Grand River in the semi-finals. The Renegades were a tough team, and by all accounts this game was the toughest challenge for the Saints in the tournament. The game was close, and in the end the Saints prevailed by a narrow margin, 56–53. The team was lead by Zubair Seyed—who would eventually be declared the tournament MVP—with 22 points.

The final match-up was set. With the St. Roch Ravens from Brampton winning their semi-final game versus the St. Joseph Jaguars from Mississauga by a score of 62–55, both teams were prepared for what should be a close game.

The game was a see-saw battle at the start, with St. Roch taking a 10–7 lead half way through the first quarter, only to see the Saints go up 12–10 in less than a minute. Going into the half, the Ravens took a 24–23 lead with a buzzer-beating 3–pointer.

The third quarter saw the Saints take command of the court, and put up an impenetrable defensive wall. The Saints outscored the Ravens 14–0 in the third quarter to take a commanding 37–24 lead. The Ravens retaliated by starting the fourth quarter with four baskets, getting within 5 points. This was as close as they would get, as the teams exchanged baskets, neither team capitalizing well on turnovers. But when all was said and done, the Saints took the game 51–37 in front of a frenzied home crowd. Zubair Seyed once again took charge of the Saints offense with 18 points.

Among the honours for Saints players, first team all-star selection went to Zubair Seyed and Evan Rodenburg, and second team all-star selection went to Lucas Cardoso. Congratulations to the boys and the coaches on a successful tournament, winning 5 games over the two days.

For details and highlights from the tournament, check out our [Saints Invitational](#) webpage, or follow [@SBCSSBasketball](#) on Twitter.

Seams Sew Easy Club

The Seams Sew Easy Club offers students the opportunity to learn how to sew as well as offering opportunities for volunteer hours to those looking to accumulate some.

We have been very busy this semester with volunteers sewing banners for the school gym and sewing buttons onto "turned in" uniform pants and golf shirts! Also, there have been costumes, stuffed animals and pyjama bottoms sewn by our busy members. Everyone has been very excited in our recent purchase of a Serger. Some of our more experienced sewers have already had the opportunity to sew with the Serger and are quite amazed at how wonderfully it finishes the seams of their projects.

It is amazing to see when a student who has never sewn before complete a project for the first time! Their excitement to see fabric become a product is quite rewarding.

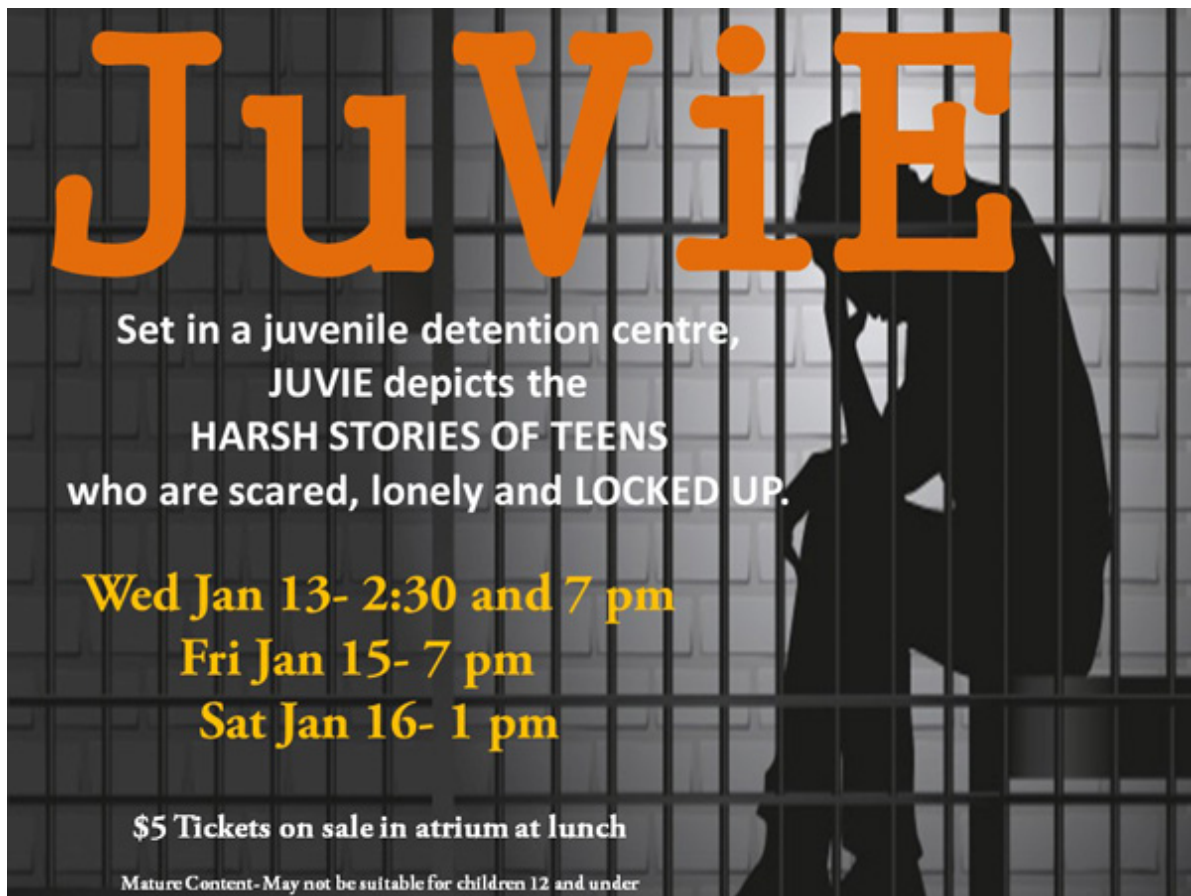

This coming semester there will be opportunity for our existing members to help out with costume making for the upcoming plays that the school will be performing. In the past, we have had a couple of students who have entered a Sears Sewing competition and one of the student's won "Honorable Mention" for their project.

The club meets on Thursdays after school in Room 217. All students are welcome to pop in and join us! Please do not hesitate to contact Mrs. Missio and Mrs. K (Mrs. Kloiber) if you have any questions or are interested in becoming part of our crew.
