St. Benedict's receives honours

By Ms. S. REIS

At the heart of Cambridge is a strong pulse—St. Benedict Catholic Secondary School—where intention, momentum and evolution intersect to create powerful and meaningful experiences for all. When we understand intention and its interactions, such as relationships and opportunity, we can come to understand so much regarding the success that SBCSS has experienced over the past three years. Recognizing that healthy behaviors such as participating in physical activity can positively influence healthy aging, SBCSS began evolving the energy created in the “Heart of the Community project” which brought close to 420,000 dollars to the school, the City of Cambridge and its community partners. Sustaining its original vision and vitality, SBCSS has nurtured this concept to what is now a comprehensive school based approach with the understanding that healthy schools support a healthy community.

Honours (Cont'd)

By Ms. S. REIS

In September 2015, SBCSS pursued the Ontario Physical and Health Education Association (OPHEA) Healthy Schools Certification. This certification looks to recognize and celebrate school communities for promoting and enhancing the health of students, school staff and broader community. The certification

required implementation of the 6–step Healthy Schools Process, where a priority health topic was determined and action–orientated initiatives were completed throughout the academic year. Initiatives such as the AVIVA launch, RBC Sports Day in Canada event, school wide step challenge, student focus groups, and the Hero of Play contest are an indication to the commitment SBCSS has for the health and wellness of its community. Using a point system OPHEA was able to recognize schools for their efforts throughout the year and award schools across Ontario under a gold, silver or bronze rating. “107 schools across Ontario were recognized with a healthy school designation, SBCSS was one of the 54 schools awarded a gold rating and the only school within the region to earn such a designation,” communicates Rachel Laxer, OPHEA healthy schools evaluator. “We are thrilled to have attained this standard through the healthy schools certification,” says Lorrie Temple Vice Principal at SBCSS. SBCSS community has committed to developing a visionary momentum that has been dynamic over the past three years, while evolving to suit the needs of its community. “Not only are we proud of our provincial accomplishment, we are anticipating the next steps towards using this certification as a means to support other initiatives on the future”, furthers Lorrie.

Significant to the Healthy Schools Certification success, was St. Benedict’s participation in the Hero of Play contest, an event brought to Canadian students across Canada in partnership with Canadian Tire and Canada’s Olympic Team. Recognizing students and staff, who are active daily, inspire others to live a healthy, active lifestyle and who embody the Olympic values of excellence, friendship and respect, with 10 collector pins, as well as lunch time events, trivia and youth appreciation awards was the focus of this project. SBCSS made a submission to this contest, by capturing events using media, videos and pictures, as evidence to the Canadian Tire Hero of Play evaluation team, in hopes of winning the contest and earning a visit from one of Canada’s 2016 Olympians.

“We are pleased to announce that St. Benedict was one of only two schools across Ontario to have won this grand prize—an Olympian visit to our school,” says Dan Witt Principal at SBCSS. “Not only do we pride ourselves on supporting a variety of sports and student athletes within our school, we are also looking forward to getting behind Canadian Olympic hopefuls this summer in the 2016 Olympic Games in Rio, Brazil.”

The school in the past three years has seen success in a variety of initiatives and projects such as securing 20,000 dollars from the Ministry of Education Physical Activity in Secondary School Grant in 2014, winning the AVIVA Community Fund Broker supported competition in 2015, receiving a major boost to the community field of \$300,000 from the Lyle S. Hallman Foundation Children and Youth Capital Grants Program, hosting the RBC Sports Day in Canada event, and earning the Youth 4 Action grant from the Canadian Cancer Society. “We are proud of our students and staff for all of their work towards improving the overall health of our school and sport programs” says Lorrie Temple, “we have so much to be proud of and the Hero of Play contest is another example of our vision coming to fruition.”

SBCSS has a long history of reaching beyond the academic to enrich the lives of thousands in its community each year. A rich multicultural centre of academic and fitness excellence, its students are ambassadors where they share, learn and play together. “Success for each, a place for all,” is the board mission statement and St. Benedict reminds us that we are all joined together through our energy and efforts, working tirelessly to create a culture that is healthy and well.

News from the Guidance Department

By MRS. P. KLASSEN

Summer School – New Credit Courses

Any student interested in taking a new credit course at summer school in July, are reminded that the registration deadline is today June 8. After this date, courses with low enrollment will be cancelled and registrations will only be accepted for classes that have spots remaining. The deadline to register

for online blended courses is Thursday, June 16. Students who require summer school to make up for an unsuccessful course, must register by Monday, June 27. Questions? See your guidance counsellor.

Graduation Ceremony Reminders

1. Invitations and tickets were mailed out early in May. If you have registered for graduation and have not yet received your invitation and tickets, please see Mrs. O'Connor in the guidance office as soon as possible.
2. Please return your replay card, as well as any tickets that you do not plan to use, to the guidance office as soon as possible. All tickets returned, will be distributed to students who have requested extra tickets via a waiting list being created by Mrs. O'Connor.
3. Thank you to the many potential graduates who have handed in their completed Community Service Hour forms! If you have not taken care of this important detail, please do so immediately. You are not eligible to attend the graduation ceremony if you have not completed your Community Service Hours.

Any graduate who has taken 5 courses in Business and Computers is entitled to a Business Certificate which will be presented at the Graduation Ceremony. Please inform Mr. Wittmann ASAP if you think you qualify.

Still Interested in Attending College or University in September??

1. The Admission Information Service (AIS) will be available through OUAC (Ontario University Application Center) from early June to August for applicants who have not been accepted to programs of their choice or for students who still wish to apply to university for September. All known openings in all university programs will be posted by the AIS at www.ouac.on.ca/ais/
2. Students who did not apply to college are still welcome to apply on-line for September, 2014 to any program that is still accepting applications. See www.ontariocolleges.ca for more information.

Community Service Hours

If you have been unable to find a summer job and are looking for something worthwhile to do, consider volunteering. In addition to completing your community service hours, you will gain valuable skills and experience which will help you to find employment at a later date. Most importantly, you will have fun and make a difference. Many organizations need and want your help. Please consider the following opportunities:

1. Great Big Theatre Company (GBTC) is seeking volunteers to assist with their Summer Day Camps which are held at various locations in the Waterloo Region. Each week can provide a volunteer with 50 hours of community service. Duties include preparing and implementing various camp activities, as well as supervising campers during lunch, snack and extended hours. Training sessions will be held in June to make sure that volunteers are confident and prepared to implement the camp agenda constructively and safely. Contact Great Big Theatre Company ASAP if you are interested. Register at www.bgtc.com or call 1-866-864-4282 and speak with Charles or Lily Small.
2. The United Way Volunteer Centre can help you get connected with volunteer opportunities, gain hours, job skills and letters or reference. Check out 2016 Volunteer Guide for Cambridge and North Dumfries.
3. KidsAbility needs you! Volunteer for iCan Bike scheduled for July 11 – July 15 at the Preston Memorial Auditorium. This unique program helps children and youth with special needs to

achieve an important life milestone – learning to ride a bike! Volunteers must be at least 16 years of age. Previous experience working with individuals with speech, physical or developmental challenges is beneficial, but not required. Want to learn more about this awesome opportunity? Scan the QR code on the guidance bulletin board.

4. In addition to the iCanBike event, KidsAbility also runs a variety of other camps and events for children and youth with special needs. Check out kidsability.ca to learn more about these amazing opportunities.
5. Cambridge Ribfest 2016 will be taking place August 5 – 7 at Riverside Park. The organizing committee is seeking as many as 400 volunteers for this event again this summer. Be a part of an event which provides support for many local charities. Register online to volunteer [www.cambridgeribfest.com /volunteers](http://www.cambridgeribfest.com/volunteers). If you need more information regarding any of the many volunteer opportunities available, please email volunteer@cambrdigeribfest.com

**Do you love bacon but are tired of tiny flying grease particles burning your forearm?
Do you wish you could make your own fizzy bath bombs at home?**

Our Bennies students are here to help, and just in time!!

Business students pitch products at Pitch Day

By MRS. S. BEYERLE

Introducing,...Grease Guardian! ...A sleeve-like item to wear when frying bacon or other greasy foods to prevent tiny, ridiculously hot flying globules of fat from burning your arm!

Also: the Bath Bomb Bakery offers custom bath bomb kits you can use to make your own deliciously scented fizzy bath bombs in the comfort of your own home! It can be a family activity, or perhaps a youth birthday party activity and it's a lot cheaper and easier than driving out of town to a Lush store to spend \$8-\$13 per bath bomb!

Eight of our Bennie's grade 9 and 10 Intro. to Business students "pitched" these products to a panel of real, live entrepreneur judges, and competed with six other product teams board-wide, in the WCDSB Pitch Day event.

The judges were incredibly impressed with how well all of our board's students presented today and – trust me – our Bennie's entrepreneurs represented our school tremendously well. They presented their product pitches following the very strict criteria, within the tight time limit, and answered some really difficult questions. It was a nail-biter!

Congratulations to Ria Goros, Andre Letona, Ashley Pauletic and Jordan Bellingham of Grease Guardian!

Congratulations to Megan Brown, Britney Tran, Adam Carriere and Jackie Papadopoulos of Bath Bomb Bakery!

Boys Slo-pitch team D8 champs!

By MR. N. O'CONNOR

The Boys Slo-pitch Team won the district 8 Title last week in dramatic fashion, beating Resurrection 14 – 13.

The Saints managed to overcome their worst game of the year in the semi finals defeating a pesky team from Monsignor Doyle, led by none other than Jordan Figueiredo, by scoring 3 runs in the final inning to edge the Mustangs 6-5.

The Championship was tied 12-12 going into the final inning, Rez scored one run in the top of the seventh but our Saints were up to the task answering with two runs in the bottom of the seventh to secure the title.

Including these two games, our boys won three games out of 15 in walk off fashion. The team finished with an overall record of 13 and 2.

Congrats to the 17 young men who Represented our school very well.

We are practising together Monday, June 13 in the music room from 2:15–3:00 for this very special occasion! See Ms. Laforet for more details.

Bennie's 24-hour fast raises \$5370 for Haiti

By ALEXIA GEORGARAS

This year's Overnight Fast for Change was a huge success! The fast was organized and lead by the Making A Difference Club, but we couldn't have done it without our wonderful staff and amazing students who raised \$5370 to build homes in Haiti!

It was a fun and inspirational night filled with activities and motivational speakers who shared stories and lessons with us that are still with us today. In just one night we made a huge difference,

What better way to pass the time than with a couple of friendly games?

Students were involved in team-building activities as part of the 24 hours.

not only by raising money, but we lit a spark within ourselves by challenging one another to make even the smallest difference in our school and community. We learned that it just takes one person to start the chain of movement and positivity. Our chain held strong with 93 students who participated in the fast! The Making A Difference Club challenges you to make a difference in our world! Join our chain of movement Saints!

E-car Team competes at UW

By Mr. S. GRANGER

Please congratulate our e-car team for a great effort last weekend in representing our school at the Waterloo EV challenge. We just missed placing in the 12v race and due to mechanical issues we did not finish the 24v race.

At the time of the breakdown we were charging hard and gaining ground. Our team showed professionalism, fabulous teamwork and respect throughout the contest. Way to go racing Saints!!!!

Bennies and Doyle March for Life in Ottawa

By ALEXIA GEORGARAS

On May 12th 2016, students and staff from St. Benedict and Monsignor Doyle attended the March For Life in Ottawa. We also stayed in Ottawa for three glorious days and two incredible nights, learning more about the pro-life movement.

The first night we were there, we attended a beautiful mass and an inspiring evening vigil at the Human Rights Monument. At the vigil we walked through the streets of Ottawa with our heads held high and our candles lit to the sky to show our support for this cause. Once we arrived at the Human Rights Monument, we all stood together, some of us quiet and attentive while others were free in their speech through songs, prayers and stories shared. Even though there were a few protesters at the vigil who did not agree with our opinion, we stood proud, respectful and strong.

Students at the candlelight vigil at the Human Rights Monument.

A chance meeting and photo-op with Cardinal Collins from Toronto on the walk from Notre-Dame to Parliament Hill.

On the last morning we woke up and went straight to the Pro-Life Youth Conference at the Hampton Hotel. The youth conference included workshops, group activities, and inspiring speakers like Obianuju Ekeocha, Christina Alaimo, and Maaiké Rosendal. Their words were true and from the heart, they are extremely passionate about the movement and it definitely left people wanting to hear more.

All of the Bennies and Doyle students left Ottawa with stories to tell and more educated on the very important issue of Pro-Life. We hope that more students join us next year on the trip– it is truly an unforgettable experience!

The next day was the big day, it was the March For Life! We all woke up pumped and ready to go but first we had mass at the beautiful Notre Dame Cathedral. Finally, it was the moment we all were waiting for, the march! Over 20,000 people stood in front of Parliament Hill listening to the motivational and captivating speakers. During our march you could feel the energy that everyone gave off. It was incredible to see so many people from all over Canada, come together to support the cause and join the movement.

After the march, we went for dinner and shopping. Most people picked up beaver tails (dessert), while others adventured off to the art gallery and other cool places in the city of Ottawa.

Mrs. Rocha and Mr. Milardovic lead the St. Benedict contingency during the march.

Finance Club stock challenge wrap-up

By MR. A. MILARDOVIC

After what many have called a turbulent few months in the Canadian economy, the St. Benedict Finance Club's stock challenge has come to an end. The contest ran from the end of February to the end of May. I'm pleased to announce that the top three players ended the game in the positives!

Alex DeSousa lead the way growing his portfolio by 8.7%. Mr. Milardovic had a respectable return of 5.7%, and Kyson Vi managed a 3.4% return on his stocks. Considering the fact that a GIC these days yields less than 2% *annually*, these returns are spectacular!

By way of comparison, all three of our portfolios did worse than the TSX, which grew 10% during that same timeframe. Still, there was plenty of discussion on stock picking strategies, taking a look at the economy, and when to take a risk and when not to.

While the focus of the club was the stock market challenge, we are also open to discussing other financial matters of importance to students. This will continue in the fall.

Finance Club will be back in September with another challenge, and we look forward to having more students join us for some fun finance talk!
