Saints Football Team Wins Prestigious Riddell Grant

By Mr. J. VALE

The St. Benedict Saints Football Program along with the entire school community is thrilled to be named a recipient of the 2016 Riddell Smarter Football Grant. Six high schools and four youth

organizations from across North America have received \$10,000 in equipment upgrades from Riddell. The helmet manufacturer's Smarter Football initiative recognizes such football programs throughout the United States and Canada for their commitment to implementing safer and smarter playing techniques, whether in practice or for games. All youth, secondary and college programs were eligible to apply for a Smarter Football grant. With over 1,000 applications, St. Benedict was the only Canadian program to be named a winner.

The image tweeted out by Riddell Sports to announce that our school was one of the grant winners.

St. Benedict Catholic Secondary School continuously strives to provide the highest quality equipment for our student-athletes. With safety as a top priority, this grant will ensure that the Saints will be able to continue to deliver a program that places player safety first and foremost. The Riddell Smarter Football Grant will allow for the development and growth of the St. Benedict football program both on and off the field for years to come. St. Benedict Catholic Secondary School would like to thank Martina DiFrancesco for all of her hard work in preparing and submitting an application for the grant! Congrats to all!

Next Tuesday is Photo Retakes Day

If you did not get your photo taken at Registration or you want to try again with your photos, listen to announcements on Tuesday morning to go to the Skybox on the 3rd floor. Remember to bring your best hairstyle and your biggest smile to Photo Retakes on Tuesday.

EQAO Confirms Cause of Technical Issues During Online OSSLT Trial

BY THE EDUCATION QUALITY AND ACCOUNTABILITY OFFICE

The cause of the technical issues that resulted in the cancellation of the October 20 province-wide trial of the online Ontario Secondary School Literacy Test (OSSLT) was an intentional, malicious and sustained Distributed Denial of Service (DDoS) attack—a type of cyberattack.

EQAO shares the disappointment experienced by thousands of students, families and educators across the province. The agency recognizes the considerable time and energy spent, by all stakeholders, preparing for the trial assessment, and it sincerely apologizes for the considerable inconvenience that resulted.

An extremely large volume of traffic from a vast set of IP addresses around the globe was targeted at the network hosting the assessment application. The impact of this DDoS, initiated by an

unknown entity or entities, was to block legitimate users' (i.e., school boards', schools' and students') access to the EQAO test application.

An in-depth and ongoing investigation will lead to recommendations on how to prevent similar incidents in the future.

EQAO undertook several successful field and load tests to gauge the system's readiness in the lead-up to the October 20 trial. This final trial was meant to test the system's readiness on a larger scale and, notwithstanding the DDoS attack, EQAO remains confident that assessments can be administered online successfully. EQAO's shift to online assessments mirrors classroom trends that see a greater emphasis on the use of digital technology.

EQAO is committed to openness and transparency, and we will continue to provide updates on this matter.

Quick Facts

- The October 20 online OSSLT was a voluntary trial to test the system's readiness before the regularly scheduled administration of the OSSLT in March 2017.
- Discussions about the feasibility of scoring completed online OSSLT assessments are ongoing and an announcement on this will be made shortly.
- EQAO will deliver the March 2017 OSSLT, which students will be able to take either online or on paper.
- An independent third-party forensic firm is involved in an investigation into the October 20 incident on behalf of EQAO.
- Data indicates that the DDoS attack began shortly before 8:00 a.m. EDT.
- At the height of the DDoS attack, 99% of the traffic in the system was not coming from schools or school boards. This effectively blocked legitimate user access to the system.
- No personal or private student information was compromised during the administration of the assessment.

EQAO shares the frustration that students, parents, teachers, schools and school board educators and administrators feel about the outcome of the assessment. We were shocked to learn that someone would deliberately interfere with the administration of the online OSSLT. There will be discussions over the next few weeks to determine how to strengthen the system, and we will continue to work with Ontario's education community to understand how best to use online assessments to benefit our province's students.

If you have any questions, please contact EQAO at 1-888-327-7377 or e-mail@eqao.com.

“Preparing Kids for the Future” workshop series

By Ms. J. JACKSON

The “Preparing Kids for the Future” workshop series kicked off on Tuesday, October 18th with our opening session entitled “Inspiring Dream Career” featuring Dr. Karyn Gordon, CEO of dk Leadership, relationship & career expert for Good Morning America and Cityline and best-selling author. With over 20 years of experience working with teens, parents, couples and adults, her mission is to inspire people to dream their best life, learn the tools, and do it!

Through a very interactive and energetic presentation, Dr. Karyn discussed with our grade 10 students many of the stressors teens encounter when mapping out their school career, as well as the realities and challenges individuals contend with while trying to find their dream career. Over the course of an hour, Dr. Karyn shared some of her strategies and techniques for becoming successful, including her “RAW” acronym that inspires individuals to “R” – Take Risks, “A” –Ask for Help, and “W” Work Hard. She encouraged the students set goals, to explore possible career choices through volunteer work, and whenever possible find a mentor who is willing to provide guidance and advice in their chosen field.

Students left with the message “Always Dream Big!”

In the evening Dr. Karyn shared her knowledge with members of our community. She discussed how the workforce platform has drastically changed over the last 20 years; where people were once dedicated to a single career, current studies show an average individual explores 11 different careers throughout their working years. Dr. Karyn introduced her “pivoting” theory that urges people to make adjustments within their career and to embrace new opportunities on their path to finding their dream career. Community members walked away with a better understanding of what employers are looking for, along with tools and techniques they can implement at home to help their child achieve success.

CONGRATULATIONS TO CIDALIA GOODFELLOW!

Winner of a free registration to Dr. Karyn's “Dare To Dream” workshops

Preparing Kids for the Future Workshop Series

INDIVIDUAL PATHWAYS PLAN (IPP)

This interactive workshop will introduce parents to Career Cruising; a self-exploration and planning program students utilize to develop their high school course plan, and to explore possible career paths for the future. In this workshop, parents will be provided the opportunity for a hands-on learning experience as we guide you through career cruising and your child’s individual pathways plan.

IMPORTANT: Prior to attending, please have your child log into their account and share the “My IPP”, allowing you access to their account.

November 24, 2016 7:00 p.m. St. Benedict C.S.S.

Our second workshop “Individual Pathways Plan (IPP) will be held here at St. Benedict’s on November 24, 2016 at 7pm. All are welcome!

University Information Presentation Night coming to St. Benedict

St. Benedict is pleased to be the host site for the Cambridge Area, UIP Night. What is UIP night and why might you be interested? All 21 Ontario Universities and their affiliates will have representation at UIP night on Thursday, November 10 from 7:00 – 9:00 PM. Students and parents who attend will have the opportunity to attend presentations that are delivered by representatives from each institution. This event provides an amazing opportunity to check out schools that may be on your list of consideration for next year. The event is presentation style, meaning that attendees will be able to attend 3, 30 minutes presentations. The evening will conclude with a 20 minute open house which will allow people to pick up information and/or ask specific questions of institutions whose presentation they did not attend.

Post-Secondary Timeline

1. College and University visits that have been held at our school this fall will be coming to a close in November; however, there are still a few opportunities for students to attend a presentation. See the guidance office for more information on how to sign up for, and attend one of these presentations.
2. Grade 12 students should continue to do specific institution research at the E-info site (www.electronicinfo.com) for university and www.ontariocolleges.ca site.
3. PIN numbers for student applying to university will arrive in the guidance office shortly. Students planning to apply to university must use this personal PIN number to set up their account. Students planning to apply to college do not need a PIN number in order to set up their application account.
4. Now is a great time to arrange for a campus visit or tour at institutions that are of interest. The value of making a personal visit to a school should not be underestimated. Students who have visited campuses are finding this to be very beneficial in their decision making process. Most colleges and universities typically host these events in the fall, as well as in the spring. Specific dates can be found on the web sites of all university and colleges.
5. Review your semester two timetable to make sure that you have all of the necessary pre-requisite courses for the programs that you are interested in applying for.
6. Complete your Community Service Hours – AND – remember to hand them in!!
7. Be prepared to wait for confirmation of acceptance from schools. Each institution has its own timeline with regard to admission offers. Try not to let anxiety about acceptance interfere with your progress at school.

CONESTOGA COLLEGE - Parent Night

Doon (Kitchener) campus, Thursday, November 17,
2016 6:00 p.m. – 7:30 p.m.

This is an important reminder for all grade 9 students: Take Our Kids to Work Day is coming up on Wednesday, November 2nd. Your completed, signed permission

Specifically designed for parents of high school students, this information session provides tools to help prepare parents for what to expect as their student transitions to post-secondary education.

To register for this event:

<https://connectwithconestoga.ca/events/index.do>

forms for Take Our Kids to Work Day are due on Friday, October 28th. Forms are to be returned to your Period 1 teachers.

FIDDLESTICKS HIGH SCHOOL YOUTH DROP IN PROGRAM

Looking for something fun to do on a Monday night?! Open Gym Drop In. Runs from 8–9pm every Monday night at Clemens Mill Public School (there will be no program on October 31st). Come play some games in the gym for an hour. You choose what we play. Dodgeball? Basketball? Soccer? You chose! Drop In costs \$1.00 and runs until June.

Community Service Hours

It is a requirement of graduation that each student complete 40 hours of community service. There are many opportunities to fulfill this requirement. If you have already registered for Hour Republic check out the guidelines on the website www.hourrepublic.com. This website can also be used to track your hours and see volunteer opportunities.

Volunteer Fair ~ Nov. 17th

Please join the Volunteer Centre of the United Way Cambridge and North Dumfries in the atrium during lunch on November 17th to access volunteer opportunities.

Fiddlesticks Community Centre

After School Program is looking for some more volunteers. The program runs Monday–Friday from after school until 5:30pm throughout the entire school year. Volunteers do not have to volunteer every day of the week but it is expected they will be a volunteer for the entire year. Volunteers in this program help with snack routine, assist with games and activities, and help supervise children from grades 1 to grade 8.

The Movember Challenge

By Mr. R. MARTINELLO

This year staff at St. Benedict will once again participate in Movember: the campaign to raise awareness around men's health (particularly prostate cancer and mental health). Each male

participant is encouraged to grow a mustache through the month of November. It will be a highly visible reminder of the health issues men face.

This year we have added a new twist. We are running a Mr. and Ms. Movember contest. Students will vote on-line for their favourite Mr. and Ms. Movember. Male staff members will have weekly pictures posted showing their ever changing mustaches. Female staff members are encouraged to wear fake mustaches in support.

Donations to the Movember campaign can be made through ca.movember.com You can donate individually or support Ron Martinello's page by typing ron martinello after you click on donate.

Access your student's attendance information in real time

By MR. A. MILARDOVIC

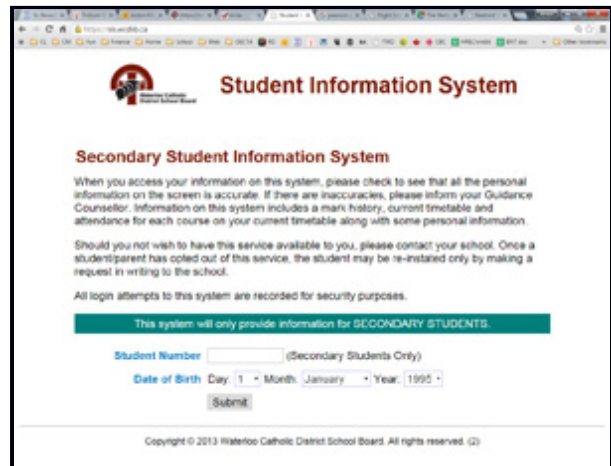

Class attendance is a key component to a student's success in their classes. Timely communication of attendance information between home and school is critical for accurate attendance records.

If a student is away from school a parent must call the attendance line at the school at 519-621-4001. The call can be placed any time, 24 hours a day. It is strongly recommended that you make this call as soon as the absence is known, or at the latest before the student returns to school.

If your son or daughter is going to be away for a trip or extended period of time for a medical reason an *Intent to be Absent* form should be completed in advance by a parent. These are available in the Guidance department.

A student, parent or guardian can access their student's attendance in real time through the Secondary Student Information System (SIS) Website. Information available to view includes student mark history, current timetable, attendance for each course on the current timetable and your contact information. The website link is <https://sis.wcdsb.ca>.

To access the student specific information, you must have the student number (which can be found on a student's timetable) and birth date. If you cannot locate the student number please call the guidance or attendance office for assistance.

By entering information about your son or daughter you can get up-to-the-minute information about their attendance.

Cash Online

You are now able to pay various fees for your child, such as Student Activity Fee, online using School Cash Online.

For safety and efficiency reasons, we want to reduce the amount of cash coming into our school. We are asking parents to please take 5 minutes to register. Once you are registered online,

you will begin receiving emails about upcoming events.

Step 3: You will receive a confirmation email. Open it up and click on the link that allows you to login and add each of your children to your household account.

If you have any questions, please select the “SUPPORT” option in the top right hand area of the screen.

A Friendly Reminder...

All visitors are reminded to please sign in at the main office upon arrival at the school, our office staff will be happy to direct you to the appropriate office and/or inform your on-site contact of your arrival. We thank you for your continued cooperation and support in keeping our community safe.

Uniform reminders

Keeping your mornings simple and stress-free isn’t the only benefit of uniforms, we as a school community value the safety benefit of making our community members and visitors easily recognizable. In addition, school uniforms mean that the pressure to have a wide range of new and expensive school clothes throughout the year isn’t an ongoing struggle for parents and being judged by their clothes isn’t a pressure for students.

All students and parents received the uniform policy for the year in the registration package and all students participated in a grade level meetings with administration to review this policy and other reminders. The policy is also contained in the student handbook which is located on our school website.

The key reminders are:

- All non-uniform items are to be removed and placed in a student's locker when they arrive to school, this includes all hats, scarves, track pants, jackets, coats etc.
- All items are to be worn as purchased and not altered
- McCarthy's navy blue or khaki pants, capris or shorts with the St. Benedict logo
- McCarthy's white/navy blue short or long sleeve golf shirt with the St. Benedict logo
- McCarthy's navy sweatshirt or navy sweater/cardigan/vest with the St. Benedict logo worn over a uniform shirt or plain white, or dark blue t-shirt.

Please ensure that you are in proper uniform throughout the day so we can get at the great task of learning without the needless interruptions or delays that occur when students need to be asked to follow the policy.

Food Allergy Alert!

We have a number of students and staff in the St. Benedict community with severe life-threatening food allergies, particularly related to peanuts and nuts (anaphylaxis). This is a medical condition that causes a severe allergic reaction to specific foods and can result in death within minutes. If your child brings their lunch with them to school,

touch with your son or daughter, please call the school office and we will contact your child.

Students, don't let your cell phone become a distraction to your learning. Many teachers are integrating this technology into their classroom activities, but when it is not part of the learning phones should be away.

please ensure that it is free from peanuts and nut products.

If you have any questions or concerns please contact your child's administrator.
