Grade 12 Reminders!!

1. While most Grade 12 students have likely completed their required 40 hours of Community Service, there are many students who have not yet handed their documentation of this into the main office. Please remind your sons and daughters to take care of this important detail as soon as possible. This is a necessary requirement for all graduates and students who do not complete this requirement in a timely manner risk losing their graduation status, as well as conditional offers that they may have already received from post-secondary institutions.
2. Invitations to the June 27, 2017 Graduation ceremony were mailed today and should be arriving to your home shortly. Please note the RSVP date of June 1. Any families who would like to request more than the allotted 4 tickets, should see Mrs. O'Connor in the guidance office to add their request to the wait list. There is a \$5 cost per additional ticket. If by some chance your son or daughter has not yet registered to attend the ceremony and wishes to attend, please do so immediately as the May 1 deadline has passed.

Grade 12 Post-Secondary Information Update

1. All students can expect to hear an admission response to all university programs that they applied to by the end of May. Students interested in accepting an offer of admission should do so by June 1, 2017.
2. If you applied to an Ontario University and you do not receive an offer of admission, please know that from June 6 – August 26, you are eligible to apply to any university program that still has known vacancies. You must have completed the necessary OSSD requirements, including six 4U/M classes to be eligible. To find out more, call 519-823-1063 or check out www.ouac.on.ca/ais

Our Mathletes: Waterloo Catholic District Champions

By Mrs. D. Brennan

Our Bennie's math club won 1st place at the Waterloo Catholic District School Board Problem Solving and Mathematics Team Competition. Led by Dr. Chernysh, a team of 21 students traveled to St. Mary's high school on May 29th to compete against the other five Catholic high schools in our board. This is the team's second consecutive championship. Their efforts have obviously shown through with their efficient problem solving skills. This competition is unique where the team must work together to sort and share the responsibility of effectively solving a variety of math problems.

Our math club meets every Thursday after school with Dr. Chernysh to practice challenging math problems.

Dr. Chernysh will be recognized by the University of Waterloo on May 29th as a teacher who goes above and beyond to nurture and enrich our students' learning of math.

Track Update

By Mr. R. Martinello

The track and field athletes had another great day at the OFSAA West Regional Championship with outstanding performances in 9 different events.

Charlotte Jones and Hope Harnack both had season best results in the junior girls 3000 meter and senior girls 800 respectively. Charlotte knocked 9 seconds off her best time while Hope shaved 3 seconds off her best time. Alexandria Webb turned in a 6th place performance in the midget girls triple jump, in her third event of the West Region Championships.

The team also had near OFSAA qualifiers in 4 events. The open boys 4x400 team clipped 3 seconds off the school record in finishing 5 in missing out on an OFSAA berth. Greg Danayan ran 8:56.71 minutes also placing 5th in the senior boys 3000 meters. This was his second 5th place

finish of West Regionals. We had heartbreak in two other events. Nana-Afia Agyeipah finished 5th in senior girls shot put, a mere 3 centimeters out of 4th. She held a slim 1 cm lead after her fourth throw but was bested on an another competitor's 3rd last throw. And Olivia Benzin also missed out by 3 one-hundred of a second, running from tough eighth lane in the junior girls' 200 meter final.

To close the meet, Alexandria Webb turned in a dominating performance in the midget girls javelin with a throw of over 36 meters. This throw beat her second place competitor by an astounding 5 meters. This week Alexandria will advance to OFSAA as the West Region champion.

Finally, in the most outstanding performance by any athlete at West Region, Sevanne Ghazarian won the girls senior 3000 meter and smashed a 25 year West Region record set by former Olympian Kathy Butler. Sevanne ran a spectacular 9:35.23 minutes beating the old record by 4½ seconds. With the entire stadium cheering her on, Sevanne outpaced her closest competitor by a full 45 seconds in capturing the awe and respect of fellow competitors and fans. In a very humble stadium interview after the race, Sevanne spoke with grace, elegance and humility in explaining her accomplishment.

As the meet came to a close, Greg Danayan was thrilled when he found out that one of the top finishers in the men's 1500 scratched for OFSAA.

As a result we will be sending four athletes in 5 events to the OFSAA championships this upcoming weekend:

- Sevanne Ghazarian: 1st Senior Girls 3000 meter and 2nd Senior Girls 1500 meter
- Alexandria Webb: 1st Midget Girls Javelin
- Xavier Isaacs: 4th Boys ID 100 meters
- Greg Danayan: 5th Senior Boys 1500 meter

Spring Concert

By OLIVIA MARTINS

The spring concert took place last Wednesday. In the atrium the art classes displayed many works of art. There was everything from sculptures to paintings and room designs. Many of the performers and audience members enjoyed taking a walk through the art exhibit. The talent of the visual arts students is absolutely breathtaking. They always produce the most amazing work.

This concert also showcased all of the musical talent we have here at Bennie's. The music, guitar and vocal music classes as well as the Concert Band and Flute Choir got to perform what they have been working on.

This night was jam packed with talent. As a student who is highly involved in the school yet does not play any instruments I was very excited to watch them perform. Everyone was blown away by the talent they witnessed that night. If anyone wants to take a music class next year or be a part

of concert band or the flute choir I most definitely recommend it. It is a great way to meet friends and practice what you are so passionate about.

The Spring Concert is one of the many opportunities that music students have to showcase their talents. If you missed out this year make sure to keep an eye out for it next year as this is an event you do not want to miss. A HUGE thank you to all of the arts teachers who have made Arts at Bennies very successful this year, we could not do it without you. Keep an eye out for

ticket sales for the arts banquet, a night where we recognize the achievement of arts students with a dinner followed by an award ceremony. Ticket sales start June 5th and end on June 9th. Tickets are \$15 and sold in the atrium at lunch during that week. The banquet will take place on Tuesday, June 13th with dinner starting at 6:00. We hope to see all of you there.
