St. Benedict receives large donation from Le Chateau

The weekend of January 19-21, the Le Chateau Outlet located on Pinebush Rd. prepared for their final days of business. Upon learning of some of the unique programs offered here at St. Benedict's, the liquidation manager, along with the store manager, worked with Bennie's staff to help donate more than \$12,000 worth of merchandise! Special thanks goes to the Le Chateau staff; Jamie, Brianna, Babneet, and Tamara for helping support our school community!

Teens Extravaganza

Civvies for

"Civvies for Teens Extravaganza" is one of the many charitable causes our school community supports throughout the school year. In March, students will be encourage to participate in a paid civvies day, in addition to donating new or gently used civvies to this initiative. All donations are sent to Argus House to help support homeless teens in our community.

Thanks to Le Chateau, we have already collected: 26 pairs of jeans, 18 pairs of dress pants, 11 skirts and 3 shirts.

The B-UNIQUE Pop Up Prom program was created two years ago as a service to help students experience prom stress free. The boutique, that operates completely by donations, is a one-stop shop for formal wear, shoes, evening bags, and jewelry. Thanks to Le Chateau, the boutique received: 28 gowns, 14 pairs of heels, and hundreds of pieces of jewelry.

The Costume Department

B-UNIQUE Pop Up Prom

Le Chateau donated hundreds of pieces of jewelry, 25 scarves, and 64 belts to be added to our already Impressive costume department.

USED UNIFORM PROGRAM: Over the past few years this program has grown in size and popularity. With the generosity of our community, we now operate a used uniform program throughout the school year. The 250 hangers donated by Le Chateau will be put to good use, especially in preparation of our August sale.

Administrative

Winter weather reminder

By WCDSB Newswire

Winter weather can be very unpredictable. So it's best to be prepared. Here are some key things to remember – because not every day with snow is a snow day:

1. Bad weather — such as a snow storm or frigid temperatures — is always a possibility during the winter months. It is very important to dress appropriately for the conditions.
2. During bad weather, schools and board administrative sites may still be open, even if school buses are cancelled.
3. At 5:30 a.m. on mornings when inclement weather has been forecast for Waterloo Region, the General Manager of Student Transportation Services of Waterloo Region (STSWR) assesses the current weather conditions – in consultation with local bus companies, if necessary. If a

recommendation to cancel transportation (including potential closure of schools) is to be made, the local Directors of Education are contacted and a joint decision is made between STSWR, the WCDSB and the Waterloo Region District School Board.

4. All reasonable efforts are made to announce any cancellation of buses or school closures by 6:00 a.m.
5. It is recommended that parents, guardians, staff and students tune in a local Waterloo Region radio station and also monitor the following online information sources for information about potential closures or cancellations:

STSWR Website: <http://www.stswr.ca/>

STSWR Twitter Feed: @STSWR

WCDSB Website: <https://www.wcdsb.ca/>

WCDSB Twitter Feed: @WCDSBNewswire

Important graduation information!

By Mrs. N. Offak

On Tuesday, January 9, students who are on track to graduate this June were given a green *Graduation Registration Form* to be **completed and returned to Guidance by this Friday**.

There is also an \$85 fee that is due and can be paid online or with cash. The online payment instructions are on the back of the registration form.

This registration form is very important as it allows the student to verify the name that will be printed on their diploma and verify the address where the invitation--with tickets to the ceremony--will be sent in May. It also indicates the size of the graduation gown the student will require for the ceremony and confirms that the student has all of the required credits and volunteer hours.

If the student does not plan to attend the ceremony, the Graduation Registration Form still must be returned to Guidance indicating this option.

This year, Graduation will be held on Wednesday, June 27, 2018 at 7pm at The Kitchener Memorial Auditorium Complex.

St. Benedict C.S.S. Proudly Presents

Navigating The Teen Years

The teen years can be a confusing and overwhelming time for both teens and parents. St. Benedict's is pleased to offer a community information session that will address specific areas of concern; providing parents with a better understanding of some of the challenges teens encounter, as well as providing strategies for working through these challenges.

The evening will consist of short presentations, followed by an open form carousel for those wishing to speak directly with community agency representatives. Participants will also receive a free resource package with additional information regarding supports and resources available within our community.

Parent & Teen Conflict Presented by 	Anxiety, Depression, Mental Health Presented by 	Substance Abuse Presented by 	Internet Gaming Addiction & Overuse Presented by

Lecture Hall

* We are very excited to offer a 3 credit package for students in the 2018-2019 school year. The Kenya Service Learning Program provides a once in a lifetime experience to partake in a 2-week service learning, volunteerism, and educational program in Kenya. As part of this package, students will register in HRE4MW and HSE4MW to be scheduled semester 2 of the 2019 school year. An additional COOP credit will be earned for the experiential learning component of this program. Please plan to attend the information sessions to find out more about the program and the application process.

News from Guidance

By Mrs. L. O'Neill

Course Selections for 2018 - 2019

Over the semester break is a great time to continue educational planning and start completing course selections for next year. We will visit Grade 11 classes during period three in semester 2. Grade 12 students who are interested in returning to St. Benedict for a 5th year will be invited to attend a lunch session at a date to be determined. The decisions that students make now regarding their choices for next year are what drive the scheduling decisions that are made with regard to both the courses and the numbers of sections of each course that we offer at the school next year. The importance of making the right choices should not

be underestimated as inappropriate course changes are not always easily corrected once the school year is underway.

As has been the practice for the past number of years, students will be choosing their courses on-line through Career Cruising. All students will receive detailed instructions regarding the process for choosing their classes during our classroom presentations. The site can be accessed as follows:

1. Go to the Career Cruising website: www.wcdsb.ca/planner
2. Your Username is the prefix "wl-" plus the last 5 digits of your student ID and the first 3 characters of your last name. (eg. John Smith wl-12345SMI)
3. Your Password is your birth date. (mmddyyyy) For example, if your birthdate is August 25, 1990 your password will be 08251990. You will be asked to change your password when you log in for the first time.

Please note that course selections must be submitted to the school and signed by a parent, by Wednesday February 28th. Students are encouraged to consult the course calendar, as well as subject specific teachers and guidance counsellors for help making the correct decisions. In addition to before school, after school and during the school day, guidance counsellors will also be available in one of the computer labs during lunch on specific days leading up to the deadline date.

Specialist High Skills Major (SHSM) and Course Selection

All students who are registered in one of the Specialist High Skills Major programs will receive a report which indicates their progress in their sector of choice. Students should use this report to make sure that they choose courses for next year which will allow them to complete the SHSM academic requirements.

K-W Legacy Scholarship

The Legacy Scholarship Program was established to provide exemplary students with meaningful financial assistance for their pursuit of post-secondary education. Recipients of a Legacy scholarship will be leaders who create footprints, citizens who pay tribute to others, and individuals who enjoy fellowship with other members of the community.

Legacy Scholarship requirements

In order to qualify for a Legacy Scholarship, applicants must meet the following requirements:

*Attend a post-secondary institution that is approved by the Ontario Student Assistance Program

Have a minimum cumulative average of 70% in their top six 12 M/U courses

**Demonstrate financial need

Student wishing to apply for the KW Legacy Scholarship should speak to their Guidance counsellor.

Applications should be received in Guidance by February 16th.

University of Waterloo Grade 10 Family Night

The University of Waterloo will be hosting an evening for Grade 10 students and their parents on Thursday, February 22 from 6:30 – 8:30 PM. This is a great opportunity for grade 10 students who are thinking about attending any of Ontario's universities. Information covered will include finding a program that is a good fit, navigating the application process, and financing post-secondary education. Register to attend or watch the live webcast at <https://uwaterloo.ca/future-students/grade-10-family-night>

Community Service Hours

It is a requirement of graduation that each student complete 40 hours of community service. There are many opportunities to fulfill this requirement. If you have already registered for Hour Republic check out the guidelines on the website www.hourrepublic.com. This website can also be used to track your hours and see volunteer opportunities.

Volunteer Spotlight

Please visit the United Way of Cambridge volunteer centre for current opportunities.
www.uwcambridge.on.ca

Great Big Theatre Company is welcoming again this summer 2018, Secondary School Co-op students as well as Student Volunteers who would like to earn their community service hours by joining our Summer Drama Camp staff.

Great Big Theatre Company also offers March Break Drama Camps. We are welcoming student volunteers to assist us with these camps.

For more information, please visit www.gbtc.com

New Course Option in Business!

By Mrs. C. Ratz

Are you thinking of a possible career in business? Can you see yourself working in sports marketing, hospitality, accounting, finance or management?

Course Code: BUSPRO, Project Based Business Innovation

This course focuses on the development of essential skills used in businesses today. Students will have an opportunity to choose a business focus and project according to their own interests. They will explore and learn about business functions such as marketing, entrepreneurship, or finance by choosing an area of interest and then developing a business plan related to that area. This course is open to all senior students. DECA students are encouraged to enroll in this course as their DECA competitive event could be the foundation of their project-based learning.

The credit received through completion of this course will be related to the area of study and project chosen by the student. Possible credits to be granted will include:

- BMI 3C (Marketing, Grade 11)
- BDI 3O (Entrepreneurship, Grade 11)
- BOH 4M (Business Leadership, Grade 12)
- BBB 4M (International Business, Grade 12)

See Mrs. Ratz in the Business Workroom across from room 210 for more information.

SHSM students Course selection

Make sure you refer to your latest SHSM progress report when choosing your courses for next year. See your guidance counsellor or Mrs. Crowell in coop (2nd floor) if you have any questions.

Interested in taking a COOP/Experiential Learning program next year?

By Mrs. M. Crowell

Complete a yellow application form and 2 green teacher reference forms available in the coop office or guidance.

See Mrs. Crowell or Mr. Jankura in coop if you have any questions.

Stay posted for a general information session that will happen February 21 or 22.

College or University Financial Assistance

Financial help for students attending university and college in 2018-19

Is your child making plans to attend college or university next fall? Visit Ontario.ca/OSAP to see what financial aid is available to help pay for tuition and other expenses. Apply early and use the OSAP comparison tool to help your child make the best choice for their future.

Find out more and apply at Ontario.ca/OSAP

Calling All Kindies – JK Registration Time is Finally Here!!!

It's time to sign up for the 2018-19 school year – and registering to attend one of Waterloo Region's 45 **Catholic elementary schools** and five **Catholic secondary schools** has never been easier. In fact, a quality, inclusive, faith-based education is now just a click away thanks to the Waterloo Catholic District School Board's **Online Registration** system. Registration runs until Wednesday, February 28, 2018.

Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

Interested in Engineering?

The Hydro One- Gr. 10/11 Conference is designed for young women in grades 10/11 to explore engineering and gain a better understanding of the course pathway that is needed in high school.

Engineering is an exciting field and too many women don't realize they want to pursue this career path until after grade 12. Don't wait this long to discover what engineering is all about, what courses you need to take, the different types of engineers there are, meet current female engineers from industry, and try out hands-on activities related to coding, tech, math, and physics.

By the end of this one-day conference, you will have a clear understanding of the engineering field, what engineers do, and how to pursue this career!

Senior Saints silver in weekend tournament

By Mr. J. Malnerich

Congratulations to the seniors boys basketball team who won silver at the Crescent Winter Invitational tournament over the weekend in Toronto. The boys ended up 4 and 1 beating a number of top ranked Toronto schools on their way to the finals where they unfortunately lost the game in the dying seconds. Jake Polski was named a tournament all-star. The team is now 38 and 9 as they head into play-offs next week.

Senior volleyball girls perfect!

By Mrs. Stefan

Please congratulate the Senior Girls Volleyball team for closing out a perfect season on Monday February 5. The girls begin playoffs hosting their semifinal game on Monday Feb. 12th. Please come out and support the team. Game starts at 3:00 pm for both the Senior Girls and Junior Girls. Also girls who ordered jacket volleyball spiritwear can pick it up on Thursday at lunch in the Science office. Hoodies are not ready yet.

PhysEd trip to Blue Mountain in March

By Mr. N. Dufresne

All students who have taken or are presently taking a Phys-ed course this year are eligible to go on our annual ski trip to Blue Mountain. The Trip is on March 8th. The \$60.00 cost includes return trip by highway motor coach, lift ticket and lesson. Ski, snowboard and helmet rentals are \$15 extra! All students interested must pick up a registration package from the PHE office and have their forms and money submitted no later than Thursday, March 1st. Spaces are limited so don't delay.

Student Activities

Buy Semi-Formal Tickets online!

This year, Semi-Formal ticket sales will start on **February 12th** using the School CashOnline system. If you want to buy a ticket for the Semi-Formal this year, your parent or guardian will need to set up an account before Monday, February 12th.

Setting up an account takes only a few minutes, so do it right away. Get your parent or guardian to click on the School CashOnline icon on the school's website and fill out the information.

On Monday, February 12th you can simply go to School CashOnline, click on the Semi-Formal ticket, enter your credit card information, and you're done! No waiting in lines, no fighting crowds, no worrying about cash. School CashOnline is the new way to pay for Semi-Formal tickets!

Clubs

Reach for the Top!

Do you love trivia? Do you like competition? Come out to the semester 2 start for Reach for the top! There is a meeting on Thursday Feb 8th in room 319 at the start of lunch.

Eco Schools Team

Eco Schools Team is having its first information meeting on Thursday, March 1 at lunch in room 315. We are working towards our school certification due in April. If you have an interest in tracking our schools green efforts, this is the club for you! See Ms. O'Brien for details.

Champions for Change

Attention all "Champions for Change" club members, please come to room 123 at the start of lunch today for a brief meeting for an exciting opportunity! Also, new members for our club are always welcome so please come by room 123 at the start of lunch today if you are interested in social justice issues.

Star Trek Club

Are you interested in Science Fiction? Then come out to room 123 at lunch every Friday to watch an episode of Star Trek! Bring your lunch and get ready to sit back and travel the galaxy and the pursuits of humanity by watching an episode each week. Live long and prosper!

E-Car Club

The E-Car club runs every day at lunch Monday through Thursday in room A4. All are welcome! See Mr. Castela if you are interested.

Boys' Field Lacrosse Club

New to Bennie's! Introductory boys' field Lacrosse club. Tuesday and Thursday at lunch time in the single gym next to the phys. ed. office. This will start next week Feb 13th. See Mr. Calhoun for more information.

Finance Club

The Finance Club is a chance for students who are interested in the world of investing and financial instruments to get together to share their passions, and look at what it takes to have a seven-digit figure in the bank. We will look at stocks, investing, and run a bit of a contest to see who can build a money making stock portfolio.

Another important component of the club is financial literacy—knowing what to do with your money, from earning it to spending it, saving, and investing. ***It's the important money stuff that most people don't know where to turn to get.***

While we cannot guarantee that you will leave the club at the end of the year with a million dollars in your pocket, we do guarantee that you will have fun talking with other students about your financial passions, share some hints and tips, and gain some insight into the world of investing.

This semester the Finance Club meets in room 216 Mondays and Fridays at lunch. If you get on our email list, we will send out an email to inform you of the coming week's topic of discussion. Bring your lunch and a friend! Attendance at all meetings is not mandatory, but having fun and learning about your money is!
