St. Benedict School and Idea Exchange, Clemens Mill - Heart of the Community

In June 2017, the Waterloo Catholic District School Board and Idea Exchange announced they were awarded a \$545,000 grant from the Lyle S. Hallman Foundation's Children and Youth Capital Grants program.

This successful application, facilitated and received by the Waterloo Region Catholic Schools Foundation, was the result of the Heart of the Community partnership between St. Benedict Catholic Secondary School, Idea Exchange Clemens Mill, the Region of Waterloo Public Health and Emergency Services, and other community partners.

This new phase of the partnership builds on the success of previous grants. It features a redesign of the exterior and interior of the library, making it more effective as a school library, a public library, and community space that is accessible to all.

"By providing diverse, balanced, and accessible options to the community, we believe that multi-generational role modeling of active and social lifestyles will support all ages in building strong relationships, understanding, and respect," said Dan Witt, Principal, St. Benedict Catholic Secondary School.

To make these exciting changes possible, Clemens Mill will temporarily close to the public on Saturday, June 30, 2018 for renovations and will re-open on Tuesday, September 4, 2018.

"Our partnerships with St. Benedict and local organizations allow us to create a community space that is welcoming to children, teens, and adults alike. With a school, library, and outdoor park, we're certainly an energetic location, but also one that is evolving to create better opportunities for learning, play, and recreation," said Caitlyn Hicks, Manager of Idea Exchange, Clemens Mill. The community is invited to enjoy the Clemens Mill outdoor park and discover other Idea Exchange locations during the closure.

St. Benedict Catholic Secondary School and Idea Exchange are excited by the opportunity to share this community-strengthening approach by creating a community hub. Our shared vision is made possible by the support of the School Board, the Library Board, and the many community partners who have been part of the Heart of the Community project from the beginning.

For more information, please contact: Dan Witt – Principal, St. Benedict C.S.S. at 519.621.4050 or dan.witt@wcdsb.ca Caitlyn Hicks – Manager, Idea Exchange, Clemens Mill at 519.740.6294 x 301 or cehicks@ideaexchange.org

The WCDSB Multi Year Strategic Plan (MYSP) 2015-2018 was approved by the Board of Trustees in December 2015. We are inviting all staff, students, parents and community members to complete the MYSP Survey (one per family).

Your input is valued and appreciated. This survey will take approximately 10 minutes to complete.

You are invited to consider the survey from the perspective from the role that you have identified in the first question (some questions may not apply to every individual). Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.
