St. Benedict C.S.S. – Faith in Action

Every week the Waterloo Catholic District School Board features one of its schools and shows how the school lives out our *faith in action*. On October 1, St. Benedict was featured. [Check out this video on the WCDSB website](#) of some of the things that happen at St. Benedict to demonstrate how we truly live our faith in action.

Parent-Student-Teacher Conference Day Timetable Change

Administrative

A message from the Student Success Team

If your son or daughter is on an Individual Education Plan (IEP), please know that a copy of their IEP will be sent home with them on Tuesday, October 16. Please review the IEP and have your son or daughter return the signed consultation page to room 208 as soon as possible.

Please contact the Student Success Centre at (519) 621-4050, extension 208, if you have any questions or concerns or if you did not receive a copy.

Grand River Transit: Cambridge high school students EasyGO fare card promotion

As part of the Region's Transit Supportive Strategy for the City of Cambridge*, all Grade 9-12 students attending a Cambridge high school in fall 2018 are eligible to receive GRT's new [EasyGO fare card](#) pre-loaded with \$24 in stored value (equivalent to 10 rides at the 2018 high school reduced fare rate).

The cards are non-refundable, non-transferable, and are registered to each student. This promotion cannot be applied to the cost of a monthly pass. Cambridge high school students must request this promotion by December 31, 2018.

Who is eligible?

- Any Grade 9-12 student with a valid student card for a high school in Cambridge
- Any Cambridge high school student who has a Term Pass provided by Student Transportation Services of Waterloo Region.

Bring with you:

1. A printed and signed [consent form](#). All students 17 years old and younger must present a consent form signed by a parent or legal guardian to get the EasyGO fare card.
2. A valid Cambridge high school student identification card or timetable with student name.

Where to get your EasyGO Fare Card:

- [Ainslie Transit Terminal](#) or
- [Charles Street Terminal](#)

Additional Information:

- \$24 stored value can only be used when a monthly pass or term pass is not active on the fare card.
- \$24 value cannot be applied to the cost of a pass.
- One \$24 promotion per student. If a student's EasyGO fare card is lost or stolen, GRT will cancel the card and issue a new card with the remaining value on your account.
- The EasyGO fare card can be reloaded at GRT's Ainslie or Charles terminal, and online in future.

*Transit Supportive Strategy for the City of Cambridge

As part of the approval of ION light rail transit in 2011, Regional Council approved funding for special projects to improve transit ridership in the City of Cambridge. The Transit Supportive Strategy for the City of Cambridge is to accelerate the implementation of light rail transit in that City.

College and University Presentations

We have been fortunate in arranging visits to our school with liaison officers from several Ontario universities and colleges who will be making presentations to interested grade 12 students. The presentations will get started at the end of September and provide an excellent way for students to ask questions about specific schools that they are interested in. Students must sign up to attend the presentations that they are interested in attending, by the end of lunch the day prior to the visit. While we do not limit the number of visits that students may attend, we do encourage students to be selective about the visits that they attend as many of them take place during class time. Students are responsible for any school work that they miss if they choose to attend a presentation. Please refer to the complete list of presentations that is posted on our school website by going to **Student Services > Post-secondary planning > Post-secondary visits**.

Take Our Kids To Work Day

This year, **Take Our Kids to Work Day** falls on Wednesday, November 14th. This nation-wide program is an opportunity for all grade 9 students to experience the world of work by shadowing a family member for the day. Permission forms and further information will be distributed in homerooms later this week. The permission form needs to be signed and returned to their homeroom teacher in order for the student to have

their absence from school approved. If you have any questions, please feel free to contact the Guidance department.

Please visit <https://www.thelearningpartnership.ca/events/take-our-kids-to-work-day> for further information.

Community Service Opportunities

In addition to fulfilling an important diploma requirement, volunteering provides students with a way to give back to their community. As opportunities become known to the guidance department, they will be announced on the announcement system, posted on the Guidance bulletin board and listed in the BENN.

Community Service opportunities at St. Mary of the Visitation

Our Parish has a program called "Special Friends". It is for children and young people who have special needs. We seek to partner them with "Buddies" who would be with them in their programs (eg. Children's Liturgy, Visitation Kids, Iwannago or Kids Klub) as one to one support. We have three trained EA's who are overseeing the program but would like to invite teens to serve as the "Buddies". You may want to consider this if you are looking for a challenging and rewarding experience!

Also, are you *tech savvy*? Do you like videography, powerpoint, and running the show? Consider joining our parish **Tech Team**. Talk to Father Freitas or visit www.stmaryhespeler.ca for more information. Training begins soon!

Experience your Future with SHSM!

The Specialist High Skills Major (SHSM) Program allows grade 11 & 12 students to experience their future career while in high school! Students complete certifications and training, a Co-op placement and take a bundle of courses related to their major. By completing these 3 components, students will earn a special designation on their diploma proving they have knowledge, experience and skills in their future employment sector.

SHSM programs available at St. Benedict

Arts & Culture, Business, Construction, Energy, Environment, Health & Wellness, Hospitality & Tourism, Information & Communications, Community Justice and Safety, Manufacturing, Transportation

Participating in SHSM gives students the opportunity to gain important skills on the job with actual employers, at skills training centres and at school, while earning valuable industry certifications including first aid and CPR qualifications.

Grade 11 & 12 Students

Be sure to sign up before the deadline of October 12!

Grade 9 & 10 Students

You are welcome to sign up at anytime, as you will receive further support with course selection in grade 10 going into your senior years. However, the program will begin Grade 11.

Last day to sign up is Friday, October 12!

For more information, visit the [SHSM Explained](#) area of highskills.ca or contact SHSM@wcdsb.ca.

Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

Provincial Government Consultations on the Education System

By WCDSB Newswire

On Friday, September 28, 2018, the provincial government launched a [Public Consultation](#) on various aspects of Ontario's education system. The government's announcement stated:

"We're consulting with parents across the province to address concerns and get feedback in several areas of the education system.

Feedback from these consultations will help shape decisions in the following areas:

1. Improving student performance in [Science, Technology, Engineering and Math \(STEM\)](#)
2. Preparing students with needed job skills, such as [skilled trades](#) and coding
3. Improving provincial [standardized testing](#)
4. Ensuring students graduate with important life skills, including [financial literacy](#)
5. Managing the use of technology in classrooms, such as cell phones
6. Building a new age-appropriate [Health and Physical Education curriculum](#) that includes subjects like mental health, sexual health education and the legalization of cannabis
7. Developing the first-ever [Parents' Bill of Rights](#)"

Consultation closing date: December 15, 2018

Enriching the Lives of Students

By Mrs. D. Wittmann

There many opportunities for students to enhance their learning experience: Enrichment courses, LEAP, OYAP, UCEP, Co-op, Home Build, SHSM, and Skills Canada. Visit the Enrichment blog for information on all these opportunities. The Blogroll contains a plethora of learning enhancements. To learn more about what we offer, click on [Enrichment@St.Benedict](#).

English Corner

By Mrs. D. Wittmann

To receive an Ontario Secondary School Diploma (OSSD) each student must obtain four credits in English (one credit per grade). Visit the English blog to read the course offerings provided by the Saint Benedict English Department. The Blogroll has great resources for both students and parents. Enjoy! Advanced Placement at St. Benedict

By Mrs. D. Wittmann

Advanced Placement (AP) is an internationally recognized program that allows students to enrich the Ontario Curriculum with the goal of achieving university accreditation.

What does the research say about AP students?

Research shows that the best predictor of whether or not a student completes a university degree is not their high school grades or standardized tests. Rather, the best predictor is how many challenging courses a student has taken in high school. Students who challenge themselves with AP courses and exams are much more likely to complete a university degree in four years or less.

Junior boys soccer

By Mr. N. Dufresne

The junior boys took on the Celtics of Waterloo in a rare Friday afternoon match nearly two weeks ago. The young saint squad took an early lead in the 14th minute off the foot of Colin Vrugteman. Colin kept pressing and put another two goals into the back of the net within the next 7 minutes for a natural hat trick. The team never looked back, scoring another 5 goals (2 by Razen Emira, and single goals by Austin Machado, Daniel Pop and Noah Tekelsion). The final score was 8-2 for the saints.

This afternoon the Saints FC took on the Mustangs in the battle of Cambridge to claim bragging rights as the best Catholic soccer team in the city. The boys took the pitch with great confidence and displayed great ball control during the match. Adam Kocjan scored his first goal of the season off a beauty corner kick by Daniel Pop. The team maintained control of the match and had numerous other scoring attempts with Spiros Goros potting an early second half goal to give the team a 2 nil lead.

A shout out to our two keepers, Dorian Rocha and Lucas Caprara, who both claimed shutouts. The Saints take on the Celtics of Waterloo next Monday.

Junior boys football

The junior boys football team used a huge second half to dominate St. Mary's 28-8 last week. Touchdowns were scored by Jacob Kaminski, Najay Peart, and Caleb Hamilton. A two point convert reception by Max Benoit helped seal the deal. The defense shut down the St. Mary's run game and contributed a touchdown of their own courtesy of TJ Delafranier. A special shout out to coach Mathe for his clutch play calling and Zack Morris for always keeping it cool.

Senior boys volleyball

By Mrs. A. Kreuger

Congratulations to the Sr. Boys Volleyball team who fought hard to win their game against Rockway. Our boys took the first 2 sets, lost the next 2, and then battled hard to win back the momentum and take the final

set and the game! Way to go Saints!

Cross Country update

By Ms. P. Stang

Special shout out to the members of the Cross Country team who raced last week at Shade's Mill Conservation Area. In a tough field of 12 team and almost 100 athletes the Midget Boys team place 4th overall with Issay Tieu placing 7th. Luke Meadus placed 10th in a challenging field of Junior Boys. In Senior Boys, Weldon Hovey ran an impressive 18:50 in the Senior Boys 5km run. And finally, congratulations go to all the members of the Senior Girls team who placed 1st overall with Nikki Soares, Faith Nieson, Charlotte Jones and Abrianna Gonzalez-Day who placed in the top four spots for the team.

Coffee House next Wednesday!

By Mr. A. Renner

On Wednesday, October 17, we will be hosting our Harvest Moon Coffee House from 7:00 - 9:00 PM in the cafetorium. Coffee House is an open-mic performance that gives Bennies students a chance to show their talent as singers, musicians, spoken word artists, and other unique acts in a fun and supportive environment. A long standing and popular tradition going back to 2001, Coffee House is always one of the highlights of our year. Admission is \$2. Families are welcome to attend!

For students interested in performing, auditions are during lunch on Wed. Oct. 10 and Thurs Oct.11 in room 104. If you can't make it this time around, there will be another opportunity in February.
