The cards are non-refundable, non-transferable, and are registered to each student. This promotion cannot be applied to the cost of a monthly pass. Cambridge high school students must request this promotion by December 31, 2018.

Who is eligible?

- Any Grade 9-12 student with a valid student card for a high school in Cambridge
- Any Cambridge high school student who has a Term Pass provided by Student Transportation Services of Waterloo Region.

Bring with you:

1. A printed and signed [consent form](#). All students 17 years old and younger must present a consent form signed by a parent or legal guardian to get the EasyGO fare card.
2. A valid Cambridge high school student identification card or timetable with student name.

Where to get your EasyGO Fare Card:

Additional Information:

Students who are considering graduating this year and their parents are invited to sign up for our [Graduation information newsletter](#). Information that will help you as you move towards graduating will be sent to your email address: applying for scholarships, deadlines for college and university applications and more! You can easily unsubscribe at any time.

Post-Secondary Timeline

1. College and University visits that have been held at our school this fall will be coming to a close in November; however, there are still a few opportunities for students to attend a presentation. See the guidance office for more information on how to sign up for, and attend one of these presentations.
2. Grade 12 students should continue to do specific institution research at the E-info site (www.electronicinfo.com) for university and www.ontariocolleges.ca site.
3. PIN numbers for student applying to university have arrived in the guidance office. Students planning to apply to university must use this personal PIN number to set up their account. Students planning to apply to college do not need a PIN number in order to set up their application account.
4. Now is a great time to arrange for a campus visit or tour at institutions that are of interest. The value of making a personal visit to a school should not be underestimated. Students who have visited campuses are finding this to be very beneficial in their decision making process. Most colleges and universities typically host these events in the fall, as well as in the spring. Specific dates can be found on the web sites of all university and colleges.
5. Review your semester two timetable to make sure that you have all of the necessary pre-requisite courses for the programs that you are interested in applying for.
6. Complete your Community Service Hours – AND – remember to hand them in!!
7. Be prepared to wait for confirmation of acceptance from schools. Each institution has its own timeline with regard to admission offers. Try not to let anxiety about acceptance interfere with your progress at school.

Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

Advanced Placement at St. Benedict

By Mrs. D. Wittmann

Advanced Placement (AP) is an internationally recognized program that allows students to enrich the Ontario Curriculum with the goal of achieving university accreditation.

What does the research say about AP students?

Research shows that the best predictor of whether or not a student completes a university degree is not their high school grades or standardized tests. Rather, the best predictor is how many challenging courses a student has taken in high school. Students who challenge themselves with AP courses and exams are much more likely to complete a university degree in four years or less.

By Ms. P. Stang

Congratulations to the members of the 2018 Cross Country Team which came home victorious after a day of racing at the District 8 Championships this past Friday, October 19, 2018 at Bechtel Park.

It has been described as “one of the loudest celebrations heard at a District 8 Cross Country Championship” when the Saints were declared the Overall District 8 Champions, Overall Girls Champions and the Senior Girls Champions.

It was the Saints’ senior girls team of Nikki Soares, Faith Nieson, Charlotte Jones and Abrianna Gonzalez-Day that led the way to win the senior girls title which helped to secure the Overall Girls title for the fifth straight year. On race day, the Saints junior girls team of Zakrewski, Santo, Dottori, Brown and Walsh also moved up the ranks and finished in second place in their division, while the midget girls placed third. Congratulations “Lady Saints”!

Top 10 finishers in their respective divisions included Cassie Wilkie, Issay Tieu, Nathan Pedro, Brianna Zakrewski, Luke Meadus, Nikki Soares, Faith Neison and Charlotte Jones.

Finally, special congratulations to Issay Tieu who placed second with a personal best time of 15:14 min. in the midget boys 4k race and all the members of the midget boys team (Nathan, Evan, Logan, Thomson, Noah, Coll, Aaron, Cole and Clinton) who placed 2nd. in a very competitive division.

Good luck to all 45 team members who will be competing at CWOSSA Championship this week Thursday at Bechtel Park.

Come develop yourself and make friends

Community Service opportunities at St. Mary of the Visitation

Our Parish has a program called “Special Friends”. It is for children and young people who have special needs. We seek to partner them with “Buddies” who would be with them in their programs (eg. Children’s Liturgy, Visitation Kids, Iwannago or Kids Klub) as one to one support. We have three trained EA’s who are overseeing the program but would like to invite teens to serve as the “Buddies”. You may want to consider this if you are looking for a challenging and rewarding experience!

Also, are you *tech savvy*? Do you like videography, powerpoint, and running the show? Consider joining our parish **Tech Team**. Talk to Father Freitas or visit www.stmaryhespeler.ca for more information. Training begins soon!
