2019-2020 Student Verification Forms & School Start Up Information

The Waterloo Catholic District School Board continually strives to find new and improved ways to become Eco-friendly. Beginning with the 2019-2020 school year, St. Benedict Catholic Secondary School will be going cashless & paperless.

On June 3, all returning students will receive a ***School Start Up Package***.

Included in this package is:

- Important Dates & Information notice
- Start Up Forms & Information Check Lists by Grade Level
- A personalized lilac ***Student Verification Form***; this will be the only printed form provided. ***This form MUST be completed and returned to homeroom teachers or the Main Office by June 14th.***
- All other mandatory Start Up Forms are accessible through School Cash Online and must be completed by **June 14th**.

Thank you for your cooperation with this initiative.

Student Transportation Services of Waterloo Region surveys

We are asking parents and/or guardians to participate in a survey about their student's journey to school. The purpose of the surveys is to get a better understanding of the thoughts and opinions of the student's journey to school. We have created surveys for students using the school bus and for students who use other forms of transportation like walking or biking to school. Our goal is to enhance the student's experience and to improve our services in the future. The survey typically takes 5 minutes to complete and will be open until Friday, June 14th, 2019.

If you have any questions in regards to the surveys please contact the Morgan Potts at (519) 744-7575, extension 229 or at morgan_potts@stswr.ca.

Thank you for providing your feedback. We appreciate the time you have taken and will actively use it to improve our services to you in the future!

News from Student Transportation

Transportation details for the 2019-2020 school year will be available on **Monday, August 19, 2019**.

Parents can login and view your child's transportation details by going to www.stswr.ca and following these easy steps:

1. Click on "Student Login"
2. Enter your child's Ontario Education Number (OEN)
3. This can be found on your child's report card
4. Numbers only, no space, no dash
5. Enter your child's birth date
6. Enter your child's street number house number only
7. Select the school your child is attending from the drop down menu

Please note: any address changes need to be done through your school. If you are moving this summer or change caregiver arrangements for the fall, you should communicate the change of address to your child's school before the end of the 2018-2019 school year.

You can also visit www.stswr.ca to see bus delays and cancellations, subscribe to receive e-mail notifications for late buses and closures and follow us on Twitter.

Bring Your Own Device and Purchase Program

Partnership with STAPLES Canada for Chromebooks and Windows 10 Cloudbooks

WCDSB has made significant investments to ensure our students and staff have access to a variety current technologies. The use of technology to support learning remains a key priority to ensure that students are equipped with the skills to flourish in an increasingly digital world. Chromebooks and Windows 10 Cloudbooks have proven to be versatile, reliable, and affordable digital tool in the classroom.

As students have engaged more with the technology that is available in their classrooms, many families have expressed interest in purchasing a device for their child to use at school and at home. Many parents have reached out, seeking advice about which technology would best support their child's learning, is reasonably priced, yet durable enough to withstand the wear and tear of daily use as it's transported back and forth to school each day.

More information can be found on the BYOD information page on the school board website:

<https://www.wcdsb.ca/programs-and-services/byod/>

If you are interested in pursuing this opportunity, you need to [download and print out this document](#) and take it to your nearest Staples store.

Integrity

Welcome to the Umbrella Project! The Umbrella Project program is designed to help you and your family proactively build wellbeing and prepare for life's challenges. This can be done through practicing a set of skills that are known to improve our children's happiness and success. Much like an umbrella protects us from the rain, each of these skills forms a piece of an umbrella that protects us from life's rainy days and helps us learn and succeed.

This month, we're building the Integrity piece of your child's umbrella. Integrity is when we have a set of positive values and our actions in life match that set of positive values. If you look up integrity in the dictionary, it also means 'wholeness', when the things that we say and do match up with what we value.

What is Integrity?

Integrity is when we have a set of positive values and our actions in life match those values. If you look up integrity in the dictionary, it also means 'wholeness'. When we say one thing and do another, it can make us feel like we always have something to cover up or hide. Integrity allows us to feel whole and take pride in and accountability for our actions.

Integrity also increases the release of oxytocin in our brain which is our bonding hormone and it makes us more trustworthy to others. Integrity is the number one quality people look for in a leader and will help our children feel proud of who they are.

Umbrella Integrity Tip #4

Respond consistently to behaviour that lacks integrity.

One of the first things I realized after becoming a parent was that it is impossible to control children's behaviour with threats or anger. Consistency goes a long way towards creating the boundaries for healthy and respectful actions. Once you have established the values (see last week's email) that matter to your

child and your family, respond with consistency when reinforcing them. Dishonest and disrespectful behaviour often fall into this category. Listen and respect your child as they explain their behaviour and provide information about why this isn't acceptable behaviour in your family, with friends or in their communities. Consequences of this type of behaviour should be clear, predictable and reinforced. When your children are young, the consequences are smaller for not using integrity and honesty. As they get older, the stakes get higher. Most children will test the boundaries of dishonesty, irresponsibility and disrespect as a normal part of learning about the world and their role in it. When we teach integrity and consistently reinforce that there are consequences of not using this important skill from an early age, it helps our children make informed choices about how to identify positive values and live in a way that matches these values.

News from the Guidance Department

By Mrs. L. O'Neill

Community Service Hours

It is a requirement of graduation that each student complete 40 hours of community service. There are many opportunities to fulfill this requirement. If you have already registered for Hour Republic check out the guidelines on the website www.hourrepublic.com. This website can also be used to track your hours and see volunteer opportunities.

Important Graduation Information 2019

ARE YOU GRADUATING?

Yes you may have 'registered' to graduate, BUT things can change IF:

- You have not completed your 40 Community Service Hours
- You do not have 30 credits by June 26th

There will be a meeting at the beginning of June for all Graduates to help prepare them for the graduation ceremony – STAY TUNED!

Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

Registration is Open: It's Time to Sign Up for School!!

It's time to sign up for the 2019-20 school year – and registering to attend one of Waterloo Region's 44 **Catholic elementary schools** and five **Catholic secondary schools** has never been easier. In fact, a quality, inclusive, faith-based education is now just a click away for families of Kindergarten students thanks to the Waterloo Catholic District School Board's **Online Registration** system.

Advanced Placement at St. Benedict

By Mrs. D. Wittmann

Advanced Placement (AP) is an internationally recognized program that allows students to enrich the Ontario Curriculum with the goal of achieving university accreditation.

What does the research say about AP students?

Research shows that the best predictor of whether or not a student completes a university degree is not their high school grades or standardized tests. Rather, the best predictor is how many challenging courses a student has taken in high school. Students who challenge themselves with AP courses and exams are much more likely to complete a university degree in four years or less.

Science Olympics Western Recap

By Ms. Skinn

The science team has been busy this month and have completed their second Science Olympics this month, this time at the University of Western Ontario on Thursday May 23. Competition was fast and fierce. After much preparation the results are in:

- 1st place goes to our senior chemistry team! Winning the mystery solutions event, a very difficult event requiring excellent (and safe) lab skills and logical analysis of multiple “unknown” chemicals. The chem crew consisted of: Bianca Angheluta, Cassandra Brajuka, Anna Baumgartner, Curtis Hall, Muna Mohamed, and Victoria Windsor
- 2nd place to our senior engineering team, winning the “heavy engineering” event, a timed design challenge. The energetic engineers consisted of: Ijlal Abdali, Brooke Befekadu, Areeb Mohammed, Joseph Pham, Wesley Tran, Bryce VanZant.
- 3rd place to our grade 10 team, winning the “metric madness” event, combining science and trigonometry. The madness was performed by: Darion Dias, Piper Johnson, Amy Low, Kelly Martin,

Ryleigh McDermid, Zainab Mohiuddin.

In other nerd news our top award for the Univeristy of Waterloo Chem13 exam goes to Jackie Ogata-Bean finishing in the 72nd percentile in the world rankings for the contest!

What a great way to wrap up the science team for this year! Look for science team to start up again next year in October!

Congrats to the entire science team:

Ijlaal Abdali	Francesco Filippone	Zainab Mohiuddin
Aiman Ahmed	Morgan Goodfellow	Yusra Mohiuddin
Madeleine Andrasic	Curtis Hall	Valentina Moreno
Bianca Angheluta	Alaina Hansen	Jacquelyn Ogata-Bean
Hailey Barrett	Piper Johnson	Andy Pham
Anna Baumgartner	Paige Kanthers	Joseph Thao Pham
Brooke Befekadu	Allison Kempton	Cate Robb
Cassandra Brajuka	Amy Low	Erika Singh
Meghan Cymbron	Carson MacDonald	Aariana Singh
Natalie Davidson	Kelly Martin	Wesley Tran
Darion Dias	Ryleigh McDermid	Dennis Tran
Mariam Elghamudi	Muna Mohamed	Bryce VanZant

Junior Achievement at St. Benedict C.S.S.

By Mr. R. Szpiech

Once again, St. Benedict was an active participant in the Junior Achievement program of Waterloo Region. The students were involved in all aspects of running a business, from idea generation and planning, to production, sales, reporting, and liquidation.

Six non-profit companies were formed:

Company	Product/Service	Price	President
Suz's bath bombs	Bath bombs	\$3	Suz Sayed
FUN Inc.	Coffee mug with treats	\$3	Nathan Dokis
Smiles Inc.	Jar of Smiles	\$6	Natasha Furzer
Original Stickers	Customized Stickers	\$1.50/per sticker	Evan Parkinson
Freedom 45	Bennies bags	\$10	Derick Da Silva
PowerPack Inc.	Emergency cellphone charging kit	\$10	Bailey King

Over \$200 was raised for a variety of different local charities, that each company chose. The students' skills in problem solving, decision-making, numeracy, literacy, communication and team-work were put to good practice throughout the process. Thank you everyone for the support in making this a valuable experience for our future leaders.

Saints savour success at CWOSSA

By Mr. R. Martinello

Last Wednesday and Thursday, St. Benedict's track and field athletes participated at the CWOSSA meet held at Jacob Hespeler HS.

Wednesday we had a strong start with six of our athletes performing extremely well:

Terrell Webb - 1st in Senior Boys javelin, 5th in triple jump

Alex Webb - 1st in Senior Girls javelin

Riley Silva - 1st in Senior Boys 100 m

Spiros Goros - 2nd in Midget boys sprint hurdles

Daniel Hernandez - 2nd in Junior boys sprint hurdles

Olivia Benzin - 6th in Senior Girls 100m

All six athletes have qualified for OFSAA West Regionals next Friday and Saturday.

Thursday was another successful day for St. Benedict athletes as we came away with 2 gold, 1 silver and 2 bronzes, as well as a number of other athletes advancing to OFSAA West.

Winning gold were Alex Webb in Senior Girls shot put and Daniel Hernandez in the Junior Boys 300 Meter Hurdles.

Winning silver was Alex Webb in Senior Girls Discus.

Winning bronze were Spiros Goros in Midget Boys Triple Jump and Emily Taborek in Midget Girls

Advancing to OFSAA West with 6th place finished include Cassie Gute in Junior Girls 200 Meter, and Alexia Lewis in Junior Girls Triple Jump.

Alex Webb was named top Senior Girls performer with 28 out of a possible 30 points while Daniel Hernandez was the 5th overall Junior Performer with 18 points.

We had 28 athletes compete at CWOSSA and 9 are moving on in 14 events.

Our total medal haul was: 5 gold, 3 silver, and 2 bronze.

Congratulations to the entire team on a great effort from the coaches: Stephanie Blackwell, Colin Cabral, Adam Carriere, Nicole Carriere, Sarah Gonzalez Day, Dan MacArthur, Ron Martinello, Sam Martinello, James Porto, Augustine Soga, Patricia Stang, and Vicki Webb.
