Parent-Student-Teacher Conferencing tomorrow

Tomorrow we are on a modified schedule to accommodate parent-student-teacher conferencing. If you need to book a time with a teacher, please visit the school website and click on the large box on the front page. From there you can select individual teachers and book an appointment if they have times available.

What if a teacher has no time to see me?

Email the teacher (their email address is on their personal page) and indicate how you would like to be contacted, and when would be the best time to reach you.

Schedule for Thursday, October 24

Period 1 8:00am – 9:00am

Period 2 9:05am – 10:05am

Lunch 10:05am – 10:45am

Period 3 10:50am – 11:50am

Period 4 11:55am – 12:55pm

Buses will depart from the school at 1pm.

Interviews 1:30pm – 4:30pm

Dinner Break 4:30pm – 5:30pm

Interviews 5:30pm – 8:00pm

Food Bank Collection

Every October the St. Benedict school community collects food donations for the Cambridge Self Help Food Bank. This year is no exception. Each home room class has a box to fill with food. Students are encouraged to bring in food regularly during the month. At the end of the month, we combine all the food donated and send it off to the Food Bank. This year we are focusing on special dietary options as well as infant items.

Take our Kids to Work Day coming soon!

Take our Kids to Work Day is a national program involving more than 250,000 grade 9 students annually, and 2019 is the 25th year of this event! It will be held this year on Wednesday, November 6th, and is an excellent opportunity for students to obtain an appreciation for their parents or family member's jobs. It also allows students an opportunity to start thinking about career options for their future.

Paperwork and information will be handed out this week by period 1 teachers to all grade 9 students.
Signed permission forms are due back on Friday, November 1st.

ATTENTION Grade 12 students who signed up to attend the University of Ottawa presentation Thursday, October 24

The presentation will still take place at 1:00pm in Room 111.
Due to parent/teacher conferencing this will take place at the end of the school day.

Hey Grade 9's!

Your Take our Kids to Work Day permission forms are due back next Friday!

Make sure they are handed into your period 1 teacher by this date so that you can take advantage of this fantastic opportunity!

College and University Presentations

We have been fortunate in arranging visits to our school with liaison officers from several Ontario universities and colleges who will be making presentations to interested grade 12 students. The presentations will get started at the end of September and provide an excellent way for students to ask questions about specific schools that they are interested in. Students must sign up to attend the presentations that they are interested in attending, by the end of lunch the day prior to the visit. While we do not limit the number of visits that students may attend, we do encourage students to be selective about the visits that they attend as many of them take place during class time. Students are responsible for any schoolwork that they miss if they choose to attend a presentation. Please refer to the complete list of

presentations that is posted on our school website.

Nutrition for Learning back at St. Benedict

Hot breakfast has started up again and is available in room 107 at 7:30am until the first bell at 7:55am. Hot breakfast will again this year be offered on Wednesdays for "Waffle Wednesday" and on Fridays for "Bagel Friday". Look forward in seeing you there!

Are you considering volunteering at St. Benedict?

Volunteers are a welcome resource at St. Benedict C.S.S. The school is in a position of trust with regards to students and must strive to protect their intellectual, physical, mental, and emotional well-being. As such, the WCDSB administrative procedure (APO 001) mandates that all volunteers be screened, references checked, and Criminal Background Check (CBC) done. School administration reserves the right to oppose or rescind any volunteer placement.

If you would like to volunteer at St. Benedict, please contact [Ms. Fondacaro](#) or visit our [Volunteering](#) page on the school website.

Support Catholic Education

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

Updates to the GRT fare card promotion

Fare Cards processed after September 1 are now preloaded with \$25

Students currently attending a Cambridge high school and who have not previously taken part in this promotion are eligible to receive GRT's EasyGO fare card pre-loaded with \$25 in stored value (increased from last year to still be equivalent to 10 rides at the new 2019 high school reduced fare rate).

Students have until December 31, 2019 to take advantage of this promotion. More information can be found here: www.grt.ca/cambridgehs

New! Online Request Option for Parents and Students

In an effort to make getting the card easier, parents and students can now request a card by completing the online consent form available here: www.grt.ca/cambridgehs

The card, loaded with \$25, will be sent directly to your high school for student pick up.

Enriching the Lives of Students

By Mrs. D. Wittmann

There many opportunities for students to enhance their learning experience: Enrichment courses, LEAP, OYAP, UCEP, Co-op, Home Build, SHSM, and Skills Canada. Visit the Enrichment blog for information on all these opportunities. The Blogroll contains a plethora of learning enhancements. To learn more about what we offer, click on [Enrichment@St.Benedict](#).

English Corner

By Mrs. D. Wittmann

To receive an Ontario Secondary School Diploma (OSSD) each student must obtain four credits in English (one credit per grade). Visit the English blog to read the course offerings provided by the Saint Benedict English Department. The Blogroll has great resources for both students and parents. Enjoy! [English@St.Benedict](#) blog.

Advanced Placement at St. Benedict

By Mrs. D. Wittmann

Advanced Placement (AP) is an internationally recognized program that allows students to enrich the

Ontario Curriculum with the goal of achieving university accreditation.

What does the research say about AP students?

Research shows that the best predictor of whether or not a student completes a university degree is not their high school grades or standardized tests. Rather, the best predictor is how many challenging courses a student has taken in high school. Students who challenge themselves with AP courses and exams are much more likely to complete a university degree in four years or less.

Visit the Advanced Placement blog:

<https://advancedplacementsaintbenedict.wordpress.com/>

Are you signed up for SHSM?

Training opportunities are happening! Check your school email account for messages about upcoming certifications.

You can also go to highskills.ca and go under trips and trainings for your school and sector to see what is coming up.

Still want to become a Specialist High Skills Major student?

Grade 10's and 11's can still get registered for the program—forms are in guidance and the coop office (2nd floor).

Grade 11 SHSM students watch for an information meeting to be happening in a few weeks.

So, what are these levels of achievement?

Historically, students were often compared to others in their class, course, or grade when being assessed and evaluated. Fortunately, teachers now use content and performance standards from the Ontario Ministry of Education curriculum expectations to ensure that assessment and evaluation practices and procedures are fair, transparent, and equitable for all students.

Achievement level descriptors

****If you want to know more about the levels of achievement, consider having a conversation with your child's teacher and/or an administrator.****

St. Benedict Library Learning Commons

All St. Benedict students should have an Idea Exchange library card.

This card allows you to access your school's library databases and eBooks, and to sign out books and other materials from your Library Learning Commons. Printing is available from the library computers for a cost of 25 cents per side. Your school print credits cannot be used in the library.

If you aren't sure if you have a library card or you have lost your card, please come to the member services desk.

Sports

Cross Country

Champs!

Congratulations to the St. Benedict Cross Country team for their gutsy performances that earned them a 6th straight District 8 Championship and the Women's Overall Championship!

Eight Bennies runners placed in the top ten overall:

Ciara Pavao - (Novice Girls)

Colin Carriere - (Novice Boys)

Emily Taborek, Cassie Wilkie, and Jacenia Pahal (Junior Girls)

Nathan Pedro and Issay Tieu (Junior Boys)

Weldon Hovey (Senior Boys)

Good luck on Thursday when the team will be representing St. Benedict at the CWOSSA championships in Kincardine.

Junior girls second in Guelph B-ball tournament

Congratulate the Junior Girls on a 2nd place finish at their tournament in Guelph this past weekend.

After winning their first 2 games the girls met a very tough GCVI team in the championship game where they fell just short. It was a great weekend for all the girls! They followed this performance up with a 34-31 win last night against Pere Renee.

Nicole Karpinski led the way with 12 points.
