Saints support those in need

The St. Benedict CSS food drive concluded last Friday with over 40 boxes of food collected for the Cambridge Self Help Food Bank. Students and their families contributed generously so that our Cambridge neighbours who are less fortunate could eat. Well done Saints!!

St. Benedict Fundraiser Vendor Market a success

By Mrs. L. Varriano Lane

St. Benedict's third fundraiser vendor market, held on Saturday, October 19th, was a success, and there were many contributing factors.

To begin, 83 vendors generously donated table fees to be a part of the event, and these fees will directly assist local and global social justice initiatives in the school including the Dominican Encounter with Faith and Hospitality.

In addition, vendors either donated a percentage of their sales back to our students' fundraising efforts (\$250.78) or donated a raffle prize. Likewise, there were three food trucks present whose owners also donated a percentage of their sales back to our students' fundraising efforts (\$180).

The Operation Smile Club ran the raffle table and raised \$291.10 in donations on the day of the event, and there was a staff raffle held after the event which raised \$510! These donations will cover the cost of surgeries to repair the cleft lip or cleft palate of three children.

A group of amazing students from Mrs. Currie's math class and the WE Day trip worked tirelessly with Mrs. Currie, Mrs. Kot and Ms. Stockie baking a variety of items for the bake sale, and they raised \$384.90 for

WE Charities!

A HUGE thanks goes out to the fantastic student volunteers who assisted with the massive jobs of set-up and clean-up, helping vendors with a variety of tasks (including helping them carry their products in and out of the school) and running the kids' zone, raffle table and bake table! Students also ran the prize table where local business partners thoughtfully donated items to be won! This day truly could not have happened without these students!

Lastly, as always, the St. Benedict school community played a large role in the success of this event. They generously helped out with their time, essential advertising efforts, purchasing raffle tickets and shopping at the market! Special thanks go out to Mr. Renner and Mr. Olinski who always help out and let us use their spaces - and Mme. Barbosa, Mrs. Rocha and Mr. Milardovic who always go above and beyond!!!

We are already looking forward to our next event, so stay tuned!

Are you considering volunteering at St. Benedict?

Volunteers are a welcome resource at St. Benedict C.S.S. The school is in a position of trust with regards to students and must strive to protect their intellectual, physical, mental, and emotional well-being. As such, the WCDSB administrative procedure (APO 001) mandates that all volunteers be screened, references checked, and Criminal Background Check (CBC) done. School administration reserves the right to oppose or rescind any volunteer placement.

If you would like to volunteer at St. Benedict, please contact [Ms. Fondacaro](#) or visit our [Volunteering](#) page on the school website.

The number of Catholic ratepayers in Waterloo Region has fallen in the last number of years to below 100,000. This has happened at the same time Waterloo Region's population has grown significantly. To help counter this downward trend, in conjunction with our annual Kindergarten sign-up campaign, we are also launching a campaign to increase the number of "official" Catholic school supporters in Waterloo Region.

So, what are these levels of achievement?

Historically, students were often compared to others in their class, course, or grade when being assessed and evaluated. Fortunately, teachers now use content and performance standards from the Ontario Ministry of Education curriculum expectations to ensure that assessment and evaluation practices and procedures are fair, transparent, and equitable for all students.

Achievement level descriptors

*Achievement at **Level 4** does not mean that the student has achieved expectations beyond those specified for the grade and/or course.

****If you want to know more about the levels of achievement, consider having a conversation with your child's teacher and/or an administrator.****

Updates to the GRT fare card promotion

Fare Cards processed after September 1 are now preloaded with \$25

Students currently attending a Cambridge high school and who have not previously taken part in this promotion are eligible to receive GRT's EasyGO fare card pre-loaded with \$25 in stored value (increased from last year to still be equivalent to 10 rides at the new 2019 high school reduced fare rate).

Students have until December 31, 2019 to take advantage of this promotion. More information can be found here: www.grt.ca/cambridgehs

New! Online Request Option for Parents and Students

In an effort to make getting the card easier, parents and students can now request a card by completing the online consent form available here: www.grt.ca/cambridgehs

The card, loaded with \$25, will be sent directly to your high school for student pick up.

Enriching the Lives of Students

By Mrs. D. Wittmann

There many opportunities for students to enhance their learning experience: Enrichment courses, LEAP, OYAP, UCEP, Co-op, Home Build, SHSM, and Skills Canada. Visit the Enrichment blog for information on all these opportunities. The Blogroll contains a plethora of learning enhancements. To learn more about what we offer, click on Enrichment@St.Benedict.

English Corner

By Mrs. D. Wittmann

To receive an Ontario Secondary School Diploma (OSSD) each student must obtain four credits in English (one credit per grade). Visit the English blog to read the course offerings provided by the Saint Benedict English Department. The Blogroll has great resources for both students and parents. Enjoy! Advanced Placement at St. Benedict

By Mrs. D. Wittmann

Advanced Placement (AP) is an internationally recognized program that allows students to enrich the Ontario Curriculum with the goal of achieving university accreditation.

What does the research say about AP students?

Research shows that the best predictor of whether or not a student completes a university degree is not their high school grades or standardized tests. Rather, the best predictor is how many challenging courses a student has taken in high school. Students who challenge themselves with AP courses and exams are much more likely to complete a university degree in four years or less.

Opportunity for current Grade 9 students

Waterloo Catholic District School Board is excited to offer a Grade 10 Civics and Careers travel for credit course during the summer of 2020. This course has two components. The first component consists of an eLearning module during the first two weeks of July. The second component consists of a 7 day trip that will take students to Ottawa, Montreal, and New York City during the second two weeks of July. The travel portion of the course will be organized by EF Educational Tours. We are hosting information nights for parents/guardians who are interested in learning more about this exciting opportunity.

We look forward to seeing you at one of these meetings. Please contact your Guidance counsellor or administrator if you have any questions.

Sr Boys win epic battle with Rez, both football teams to play in finals

Congratulations to the Senior Boys Football team who have advanced to the District 8 Finals with a thrilling 25-23 win over Resurrection in five overtimes! Quarterback Ethan Eveleigh ran the 2-point conversion into the endzone to seal the victory for the Saints.

The team now plays St. David's for the Championship this Thursday night at the University of Waterloo. Kick-off is set for 6:30 pm. Come on out and cheer on the Saints!!

For a recap of the game, [check out this video](#) by 519 Sports.

Junior boys also advance

On the junior side, our Junior Boys beat St. David 18-7 in the semifinals, and will be playing Resurrection in the District 8 junior finals at 4:00 on Thursday, also at the UW Field. Come out and cheer on the Saints boys to victory!

Junior Girls Basketball

The Junior Girls Basketball season came to an end yesterday with a loss to a tough St. Mary's opponent in their semi final. The girls fell behind early but managed to claw their way back into the game as it wore on, but were unable to overcome the early deficit and fell short. The girls showed great passion and determination day in and day out and Coaches Lam and Mathé could not be more proud of the way they
