

Accessing Student Board Email

Below is a set of instructions that will guide you through the process of accessing the student's Board email account

1. Select the link to access the "Student" webpage on the [Board's website](#)
2. From the Student page, select the "My Applications" icon:

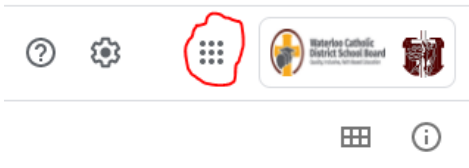

My Applications

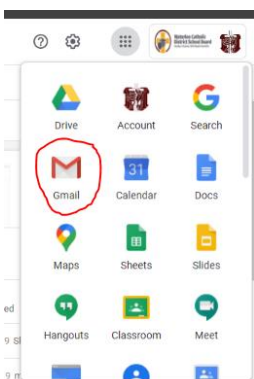

3. From the My Applications page, select the "Google Apps" icon:

4. This will bring you to Google Drive. Select the "Google Apps" launcher that looks like a waffle in the upper right hand corner.

5. From the Google Apps launcher window, select "Gmail":

This should automatically open your WCDSB Gmail Account.
