

Wednesday, November 3, 2021 - Volume 14, Issue 6

Message from Administration

On Thursday, we will celebrate and acknowledge the academic achievement of our students from the 2020–2021 school year. Although we are unable to celebrate with our traditional Academic Awards Night celebration, we will recognize these students through certificates delivered in classes and a video presentation. Congratulations to all our Academic Award winners. We are proud of your achievements and your commitment to academic excellence.

End of Quad 1: Important Information

As Quad 1 comes to an end, the administration wanted to make you aware of some important information:

- Students need to look on their quad 1 LMS to see when the final date to submit term work is. On November 10th and 11th, we will be operating on a special timetable, please see below.
- During each of those classes, teachers will be conducting end of quad activities.
- There will be **no final exams** this year, but we will have Final Course Evaluations. Possible activities could include: culminating activities, portfolios, exit interviews, credit rescue, unit tests, essays, reflections, etc.
- All Hybrid students will follow the same schedule outlined below.
- November 10th and 11th are regular instructional days, with an altered timetable. All students are expected to be at school on these days. Attendance will be taken.

- If your child is a member of the Active Living or Community Living program, they will be at school during regular hours on both the 10th and 11th, but they will not be attending school on Nov. 12th.

November 10: Period 1 Final Evaluation 8:00 AM – 10:00 AM

November 11: Period 2 Final Evaluation 8:00 AM – 10:00 AM

November 10 and 11: Buses Depart – First Wave at 10:20 AM / Second Wave at 10:25 AM

November 12: Turn Around Day. There are NO classes for students on this day.

November 15: Quad 2 Starts

If you have any questions, please call the Main Office 519-621-4050.

Important Update from the Director of Education

Dear WCDSB Community,

We hope that you continue to be well and that you are enjoying some of the beauty that the fall season affords us. We are pleased that, for the moment, cases seem to be slowing provincially and in the region, and in general, currently we are seeing fewer cases in our schools.

This letter brings a few important updates of which we would like you to be aware as they are important to your understanding as to how things are unfolding and precautions we wish to continue to enforce, so that we may continue on a safe, healthy and positive path as a community.

Screening

As we have shared before, please know that one of the most important things you do each and every day is to complete the screening tool before you as a staff member or student (or parent of a student) arrive at school. Any individual who fails the screener or who is symptomatic in any way should not be reporting to school. That is part of our collective responsibility to one another.

<https://covid-19.ontario.ca/school-screening/>

Vaccination

We have started our conversations with [Region of Waterloo Public Health](#) about vaccination for our 5-11 year olds but at this point, things are still in the planning and approval stage. As updates become available and we have specifics to share, we will be in touch as promptly as possible.

Testing

On October 28th, the government did share additional updates in relation to program with PCR testing and rapid antigen testing (“Test to Stay”). In both cases these programs feed from pilot programs in the province, and will be utilized when deemed necessary. Both are in relation to when there are positive cases being experienced in a given school community. There are specific criteria tied to their use and are not general surveillance/screening tools.

Sports / Athletics

As reported in my last letter, we have been pleased to see the return of athletics and sport to our schools and for inter-scholastic play to have returned for those age 12 and older. The criteria to play is full vaccination and/or proof of a negative test. This strategy is being used in a very targeted way for students who are not able to use our other usual strategies to ensure their safety – that is – they are unable to ensure masking and social distancing. We have been heartened by how well received the return to athletics has gone, and remain enormously grateful to our (coaching) staff for supporting this “return to play/competition”. The tests we were able to provide, through the support of a local partner, are no longer available to us. At a provincial level, informed by the Chief Medical Officer of Health, they have indicated we are no longer able to access or provide the tests. We are disappointed by this decision as we did feel it was a safe and equitable way to deliver sports. Our policy that a player /athlete must be fully vaccinated or provide evidence of a negative test has not changed. Families will now have to source the tests. Below we provide some links where those purchases may be made. Of course, vaccination remains an option.

<https://rapidtestcanada.ca/product/covid-19-rapid-test-maple/>

<https://rapidtestandtrace.ca/>

Inclement Weather Protocol

Every year at this time we like to share some reminders about protocols for snow days. As you know – there are sometimes days in the winter when we have to cancel bussing due to the weather and unsafe driving conditions for our buses. In the past, if roads were still passable, we would leave schools open. On those days however, we often pooled classes based on the number of staff who fully attended and the number of students. This year, as was the case last year, that is not possible due to our COVID-19 cohort – related restrictions. In consultation with the public board, with whom we share bussing, when we cancel buses, we will close schools and have a remote learning day. Your teacher will communicate with you in advance so you know where to look for school work for the day and protocols on such days, but in broad terms, the teachers will post work in the morning, no later than 9:30 a.m. and students will work on their own timing in their home. It will allow all students to access some learning and we will be continuing to keep one and all safe. We realize it may not be a perfect solution and learning day, but bus snow days rarely were. We apologize in advance for any inconvenience and hope that we are not in this situation too often.

Potential Travel

A reminder that students under 12, travelling with vaccinated parents do not have to quarantine per se, but they are not allowed to return to school until 14 days from return have passed. This guidance is found on our webpage. This is federal policy we are sharing.

<https://www.wcdsb.ca/covid-19-student-screening-and-testing/>

Please review our full [Operational Guidelines](#) to ensure you understand how we are continuing to ensure a safe and happy school experience for all.

We are grateful for your support and partnership as we navigate this unique year.

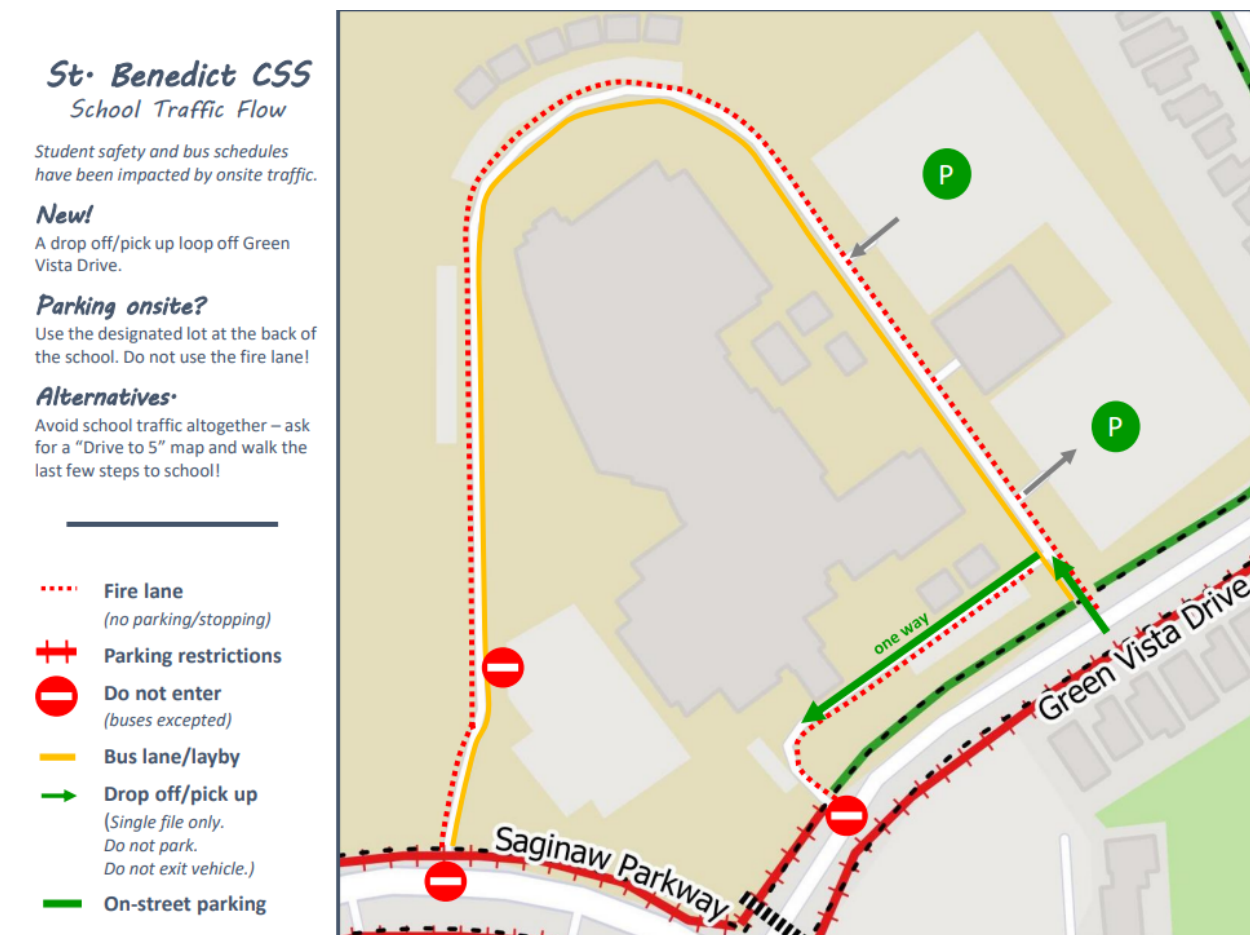

Sincerely,
Loretta Notten
Director of Education

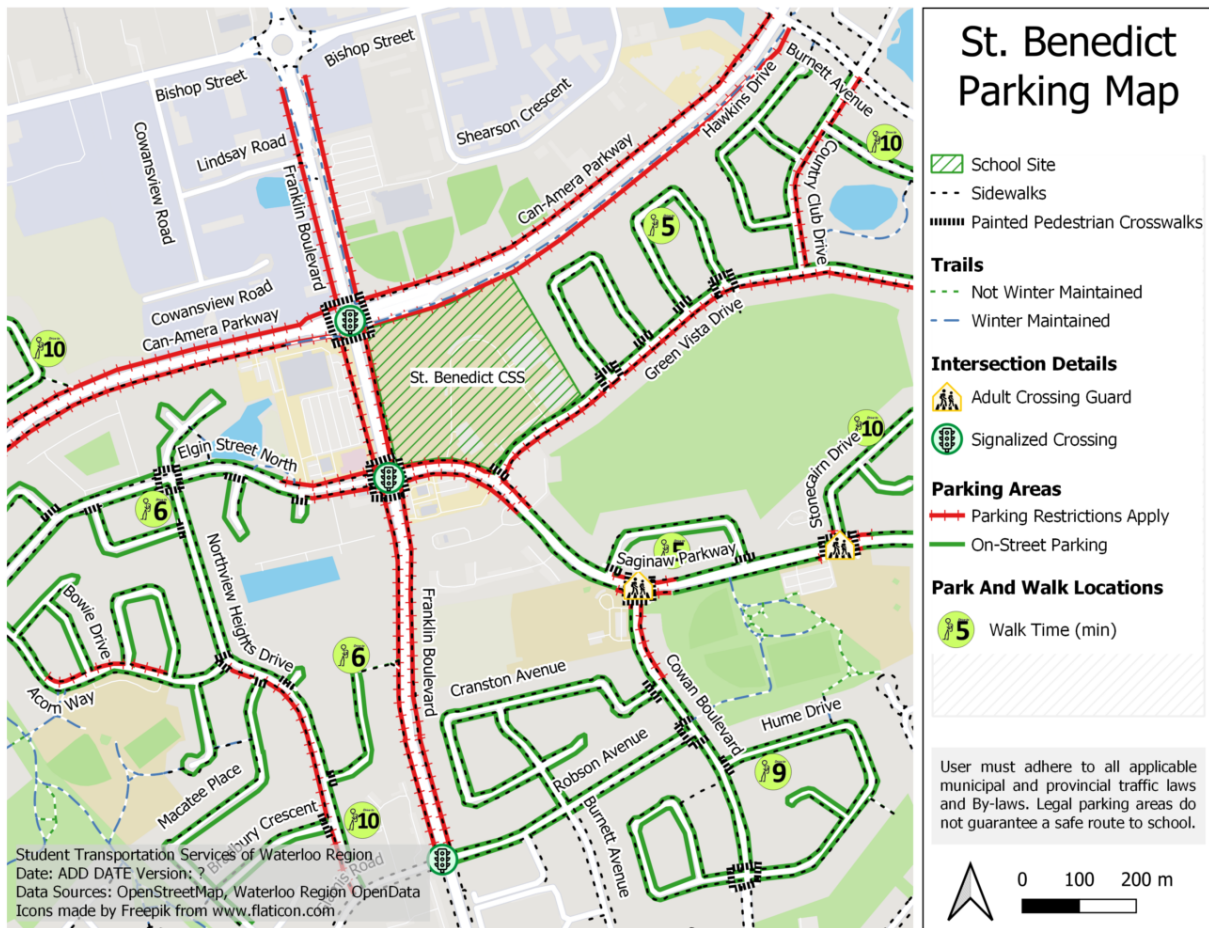

Student pick-up and drop-off

We have now had the new Pick up and Drop off procedure in place for about a week and a half. After a very rough start (Day 1 was a rainy day so everyone was driven in apparently), the process has been a big success in a few key ways. Many parents have been using the drop off area and that has taken a lot of safety concerns away from "the circle". The fire route has been cleared out for the most part and buses have been leaving more efficiently. To everyone involved in this improvement – THANK YOU!!

We will continue to ask parents to come in off Green Vista into our back entrance, follow the signs in the parking lot and leave out the other exit back onto Green Vista. We would like to see all the cars drive right through to drop off however. If student get dropped off at the start of that parking lot, it just jams up the traffic as other cars try to pull in. Otherwise, traffic is much better at the school. On the Pick up, please feel free to pull into that lot also to take some traffic away from the actual street on Green Vista.

We would also like to thank those that are dropping off and picking up students in the "Drive to 5" locations. This is also taking strain away from our congested bus routes. All your effort makes a difference and it is very much appreciated!! Thank you again as we work towards safety for all our students!!!

Ontario Secondary School Literacy Test (OSSLT) - Fall 2021-2022

The Ontario Secondary School Literacy Test (OSSLT), administered by the Education Quality and Accountability Office (EQAO), an independent agency of the Government of Ontario, measures whether students are meeting the minimum standard for literacy across all subjects up to the end of Grade 9. Successful completion of the literacy test is a requirement of the Ontario Secondary School Diploma. All students across the province write this test. Results on the OSSLT help to understand strengths and areas for improvement, and to monitor and celebrate progress. The results support discussions with teachers and help to guide school improvement initiatives. This benefits all students in the school and results are used by the school board and the Ministry of Education to direct attention and resources where they are needed.

This year, the OSSLT will be written in November. The test format and the content has changed since the last writing and this note is to inform you of those changes and give you some key information.

OSSLT Test Dates

November 17th – 25th: Grade 10, 11 and non-graduating grade 12 students

*Students will be made aware of their specific dates in their homeroom classes.

If needed, there will be another window for students who need another attempt in the spring.

Test format

The OSSLT is an online format, split into two different sections (booklets) and consists of the following:

- 31 multiple choice questions to test reading and writing conventions
- 1 short answer question
- 1 essay response

Who's writing the test?

- All students currently in grade 10 and grade 11 (including remote learners)
- Students in grade 12 who are not on track to graduate

**Students in grade 12 that are on track to graduate will have the literacy requirement waived this year.*

****REMOTE learners** – further information will be sent following this communication

Students with an IEP: Available Accommodations

Several tools are built into the test and can be accessed by all students. If your child needs accommodations beyond these tools and these accommodations are noted on their IEP, they will have access to extra features.

What materials are needed for the test?

- The test will be completed on a school provided device
- Each student may bring water and a snack for their break between sections of the test
- Snacks and drinks will also be provided by the school
- The test features a notepad that students can use to plan and brainstorm
- Paper and pens will also be provided

Schedule for Students Writing the Test

Testing runs from November 17th – 25th

- Students will be writing the scheduled test over a two-day period in their PERIOD 1 Homeroom Classes in Quad 2.
- Following their testing students will head have lunch and attend their period 2 classes.

Test Preparation and Resources

All students can prepare for their test using the following resources:

- EQAO website: [PRACTICE TEST](#)
- Benedict TIP SHEETS: [HELPFUL TIPS](#) and [WHAT YOU NEED TO KNOW](#)
- OSSLT Presentation – shared in classrooms: [PRESENTATION](#)
- Homework Club (every Monday and Wednesday 1:45pm – 3:00pm in Room 210)
- Join the OSSLT Google Classroom: OSSLT STUDY HUB – **Classroom Code: wp66dzq**
- School Website – Literacy Test Preparation

Homework Club Literacy Test prep

Hello Saints! As we approach the testing of OSSLT we would like to remind our Grade 10 & 11 students that homework club is running from 1:45 – 3:00 in room 210 every Monday and Wednesday with a LITERACY FOCUS!

We also have a Google classroom that is specific to OSSLT prep; please join using the code: **wp66dzq**.

Remember Saints – practice and reach out! You got this!

****Make sure to PRACTICE – read every day from multiple sources, review your writing tips for both paragraph and essay writing and always remember to reach out – WE ARE HERE to SUPPORT YOU! REMEMBER SAINTS – YOU GOT THIS!****

For support with any questions, please feel free to email: andreia.borba@wcdsb.ca

Student Census

As you are aware, we have our WCDSB Student Census beginning in just over 2 weeks. We invite you to please have a look at the census here: <https://www.wcdsb.ca/student-census/>

The purpose of the WCDSB Student Census is to eliminate systemic racism and advance racial equity in the WCDSB as authorized by the Anti-Racism Act in s.7(2). The WCDSB Student Census is a confidential and voluntary survey for all students from Grades 4 to 12 that students will complete with their classroom teacher during class time. The results and analysis of the census will allow us to gain a deeper understanding of the diversity of students within the WCDSB and of the cultural, social and demographic makeup of our students.

The WCDSB Students Census is voluntary. Any student may choose not to participate, to stop participating, or to skip a question at any time. Additionally, parents/guardians of students under 18 years of age can ask that their child be exempt from participating in the census. As part of our communication campaign, information has been distributed electronically by school Newswire, on our website, and on social media. As you will read within the Student Census information, there is an OPT out opportunity, this process is explained within the link. The OPT out option is available until

October 25th should parents choose this.

We look forward to sharing the results from the Student Census as it becomes available.

News from Guidance

Academic Awards Celebration

Thursday, November 4th

We are so grateful to have returned to a much more typical school year. Despite not being able to gather as an entire community for traditional celebrations, we do want to continue to acknowledge the outstanding academic achievements of our students.

Therefore, in lieu of a community celebration in our gymnasium, this year we are going to honour our academic award winners through a school-wide Teams Meet at the beginning of period 1 on

Thursday, November 4.

We will begin, as always, with anthem, land acknowledgment and prayer; and then our principal, Mrs. Ingoldsby, will lead us in recognizing students who have earned:

- Subject Awards by achieving the top overall grade in each course offered at St. Benedict
- University of Waterloo Canadian Computing Competition Certificates of Distinction
- Honour Roll distinction by maintaining averages in the following categories: 80%+, 85%+, 90%+

At the end of the virtual meet, homeroom teachers will distribute academic award certificates to our deserving recipients. We are so proud of all of your academic achievements – way to go, Saints!

Who is your Guidance Counsellor?

Counsellor's Name	Ext	Last names
Mrs. O'Toole	5190	A – DI
Ms. Arkell	5636	Do – Ki
Mr. Betik	5633	KI – PI
Mrs. O'Neill	5634	Po – Z
Ms. Varriano Lane	5635	International Students/ICP

Guidance Google Classrooms

Once again, the Guidance department will have google classrooms available to share information with our students. Please consider joining the classrooms:

Grade 9 and 10

<https://classroom.google.com/c/Mzg1OTc4MjA0MDk1?cjc=7c3t6un>

Grade 11 and 12

<https://classroom.google.com/c/Mzg1OTc4MjA0MjMz?cjc=mxmohzx>

Scan the code below to book an appointment with your Guidance Counsellor

Then click the plus sign beside your Guidance Counsellor to book an appointment.

Ontario College Virtual Fair

This year's information fair will be a virtual event. Attendees will be able to speak with faculty and staff from 24 of Ontario's colleges in a fully interactive virtual environment. Prospective students can participate in information sessions, learn more about available programs, and how to apply to college. Visit the [OCVF website](#) for registration information.

Need some EXTRA SUPPORT with your classes?

HOMEWORK CLUB has started in ROOM 210. This club will help you with your LITERACY and NUMERACY needs. This program will run every Monday and Wednesday after school until the end of the school year – that's right all the way until JUNE! Come out join us! We look forward to helping you in your learning journey!

Academics

Interested in learning more about the Specialist High Skills Major program?

Please go to highskills.ca or drop by the coop office on the second floor to speak with Mrs. Crowell

Need space for your snowblower?

Looking to clean out the garage?

The Transportation Department can help! We are looking for donations of used bikes/parts for an upcoming project. Any size/shape/condition. We will be exploring design principles and alternative energy to turn scrap bicycles into fully functional electric vehicles!

Donations of used bikes/parts can be dropped off at the auto shop gates between 8am and 2pm. Please email [Mr. Anatol](mailto:Mr.Anatol) if pick-up is needed.

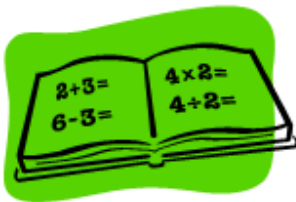

MATH CLUB

Starting this week, Thursday, October 14.

Grade 9, 10, 11, 12 students who want to:

- be able to answer those tough questions from class
- preview up-coming math contests
- prepare for tests, assignments or final exams
- have all your questions answered
- get ready for college or university

Meet with Dr. CHERNYSH

Senior Footballers head to D8 Finals Friday

Please congratulate the members of the senior boys football team for an impressive 28-0 semi-final win over St. Mary's High School. A strong all-around team effort contributed to the victory!

The team travels to Resurrection Secondary School on Friday afternoon for the District 8 Final. Wish them luck!

The Senior Girls basketball advanced to the D8 championship game with a convincing 52–27 win over Pere Rene. High scorers for the Saints were Lily Vrugteman with 20 points and Ana Garcia with 10 points.

The girls will face a tough St Mary's team today. Wish them luck!

JUNIOR

The Junior girls' basketball team won big semi-final game vs Pere Rene Monday night in our gym by a score of 30–28. 20 points from Stacey Tran, and the tremendous defensive efforts of Kaitlyn Elliot helped the girls to advance to the championship game verses Woodland Christian on Wednesday. GO Saints!

Junior Boys V-ball season ends

Although the Junior Boys Volleyball team swept their first play-off game against St. Mary's last Wednesday, they unfortunately they lost a hard-fought battle to Rockway in the Semi-finals yesterday. The boys had a phenomenal season, and were undefeated until yesterday loss. Congratulations, Saints, on a wildly successful season!

Reminder

As per District 8 and Public Health protocols

No spectators are permitted in the gym (or school) during Volleyball and Basketball games. It is our hope that these protocols change in the future.

At this time we hope that you respect these protocols and make the return of athletics enjoyable for all participants.

Clubs

New Club! New Club! New Club! New Club!

Star Trek Club starts Friday!

Are you a fan of science fiction such as travelling through space in starships, time travel, worm hole events and wondering about how different species might get along... or not? Do you like to watch science fiction series and movies? If so, then join Mrs. Kot in room 123 for the Star Trek Club starting this Friday, Nov. 5th at lunch. Hope to see you there!

Student Activities

October in Review...

By Kamal Pahal

It has been so nice to finally be back at school and have some normalcy around school events and activities these past two months. October was a month full of sports games, arts events and various activities led by St. Benedict's student council! The biggest event that the spirit sector held was our first ever movie night on the back soccer field this past Wednesday. The turnout was incredible and everyone enjoyed watching the classic movie, Coraline! The weather was in our favour as well, as it was not too cold or rainy! Students arrived at the school around 6:30pm with canned food items that were all donated to the Cambridge Self Help Food Bank. Alongside these canned items, our Saints community donated \$1938 for our October Civvies day, which has been donated to the Food Bank too! Lastly, we are so appreciative of all the teachers who came out to supervise and support, since we couldn't have done it without them.

A Message from the Mental Wellness Sector

By Jenna Haveman

Hey Saints! Our newest sector of SAC, Mental Wellness, has planned plenty of new initiatives to share with the school! We are hoping to feature a variety of mental health resources for anyone at St. Benedict's seeking some extra help and support. Make sure to keep an eye out for our weekly Wellness posts every Wednesday on the SAC Instagram!

on the Bennies SAC instagram & maybe it will
flourish into an event!

Courtyard Coffee House

By Sarah Gomes

Our first event of the school year was our Courtyard Coffee House! On October 13 we were able to see all the wonderful talent of our school community in person once again! It was a wonderful fall evening to be able to witness outstanding performances live, after so long. There were over 20 acts including a variety of; vocalists, instrumentalists, spoken word artists, bands and the music class who performed during the evening! We are so grateful for our audience who was able to attend the event while still abiding by the COVID guidelines. It means so much to all of us that we were able to host this event after so long, with the help from our teachers, administrators and custodial staff who made it possible for the show to go on!

Nothing new from the library in this issue! Stay tuned. :-)

REMEMBER!

*Clocks go back one hour
this weekend!*
