

Wednesday, October 5, 2022 – Volume 15, Issue 4

Message from Administration

Today is World Teachers Day and we are indeed blessed to have a fantastic community of educators here at St. Benedict. Teachers play a critical role in inspiring learners to be positive citizens in our world and help them to reach their God given potential. A special thanks to the amazing teachers at St. Benedict!

As October is now here, we reflect on the wonderful start to the school year and turn our thoughts to student achievement and learning. You will be hearing from your students' teacher soon regarding their progress in class as progress reports will be emailed to parent/guardians October 17th, and 18th. We are also pleased to be hosting in-person parent/teacher/student conferences on Thursday, October 27th, 2022, once again.

Lastly, as we enter the Thanksgiving weekend, we hope that you can gather with loved ones and give thanks for all of God's blessings. We are truly grateful for each member of our school community.

Have a wonderful week and a blessed Thanksgiving Weekend.

#SentToBuild

Important Message from Student Transportation Services of Waterloo Region

We want to share an important update about school buses. Due to the ongoing bus driver shortage and lingering impacts of the public board's cyber attack on our shared bus planning software, some routes will need to be temporarily cancelled.

Most bus routes are operating normally. However, some routes are experiencing more frequent and prolonged delays (30 minutes or greater).

This temporary measure will be effective Monday, September 19, 2022 and will continue until Christmas, at which time our need for cancellations will be reviewed.

We understand the significant impact this decision will have on our students and their families and caregivers. Student Transportation Services of Waterloo Region (STSWR) does this only as a last resort. We hope that this proactive message will allow families and caregivers to better prepare for and react to the cancellation of bus routes.

Please note that delays have not been caused by our current bus drivers. When they are late, it is because they are trying to support students on bus routes that have no driver, with the best of intentions. They do not have to do this. They are trying to help. Please be kind to them!

What Happens If A School Bus Route is Cancelled?

Effective September 19, 2022

A school bus route will be cancelled when the driver shortage causes a route to be late by more than 30 minutes consistently. Affected students and families will be informed immediately of the cancellation period. Cancellations are done on a week to week basis.

Supporting Student Learning

If a school bus route is cancelled, families are responsible for transporting their children to and from school each day.

Where this is not possible, students should access asynchronous learning materials posted by their classroom teacher on their Learning Management System (LMS), either D2L or Google Classroom. Additional activities can be found here: <https://bit.ly/WCDSBIW>.

Families should contact their school to let them know if they are unable to get to school. The school can also help families to sign out a Chromebook if necessary.

Stay Informed

Families will be informed the day prior to any cancellation. Cancellations will be posted on the STSWR website with an expected return date.

- Register for notifications on the STSWR parent portal
- Check the Bus Delays page on the STSWR website

The Bus Delays page will be updated with cancellation information each afternoon by 4:30 PM.

Questions?

Please contact [Student Transportation Services of Waterloo Region \(STSWR\)](#).

News from Guidance

Who is your Guidance Counsellor?

Counsellor's Name	Ext	Last names

Grade 11 and 12 - <https://classroom.google.com/c/Mzg1OTc4MjA0MjMz?cjc=mxmohzx>

Ontario Universities Virtual Fair

Ontario's universities are excited to host a collection of in-person and virtual events in the fall of 2022.

Ontario Universities' Fair (OUF)

Regional Fairs

Various locations and dates throughout September and October (TBD)

Can't make the OUF? Ontario's universities are coming to you this fall!

The Regional Fairs travel across the province, offering fair-style events that allow you to gather information about Ontario's universities. Learn about programs, campus life and anything else that may help you decide which Ontario university to choose.

Locations, dates and times TBD.

Virtual Events

October 11 5– 8 pm

November 9 5 – 8pm

December 1 5 – 8pm

Join us for any (or all!) of your virtual information sessions.

Each event is divided into 6 time slots where students can learn about the universities of their choice and ask questions.

Ontario College Virtual Fair

This year's information fair will be an in-person event. Please visit the [OCF website](#) for more information.

Wednesday, October 19, 2022

5 pm – 9 pm

Thursday, October 20, 2022

9 am – 2 pm

Are you interested in being a TEACHER in the future?

Wilfrid Laurier's Faculty of Education's Equity, Diversity, Inclusion and Indigenization (EDI&I) Coalition is looking for FIVE students from Bennies (grades 9–12) for a full-day event being held on their campus on October 18, 2022.

Please check out the information on the Guidance Google Classroom or see Ms. Varriano Lane.

Financing Post-Secondary: Scholarships, Bursaries, and OSAP

Got a 'rich uncle' with a bank full of cash waiting for you to cover your post-secondary costs? Well, I did not either. The reality is that post-secondary education is costly and takes planning, so we hope you've begun. Many students supplement their post-secondary savings through scholarships, bursaries, and loans. This article will get you pointed in the right direction to access the necessary resources for information.

Most scholarships for first year students are 'entrance' scholarships and are automatically awarded based on marks. Some awards, called bursaries, are based on financial need, but may also include other components such as volunteer service, leadership, or being associated with a service group, employer, or union. These are very individual, and you can search these out using the resources set out below.

The following sites are Canadian websites where you can register and search online for a variety of scholarships, bursaries, and contests to help fund post-secondary education.

- scholartree.ca
- scholarshipscanada.com/
- schoolfinder.com/
- disabilityawards.ca/
- <https://studentawards.com/>

The Scholarship Report is a service Guidance subscribes to at Bennies. It is a wonderful resource that you can use to search for scholarship opportunities by the month. It also provides a great deal of post-secondary information for all pathway opportunities. As the Scholarship Report is a proprietary service, access to it must be for the St. Benedict Community. In order, to view the report, go to the Scholarship page on the website and hit the link to the report. You will need a **PASSWORD** that is for St. Benedict students only. The password can be obtained through guidance.

What can you do now?

- Determine your post-secondary costs including tuition, books, room and board, travel, etc.

- Check parents' places of employment/ your place of employment or service groups for scholarships or bursaries
- Check with the schools in which you are going to apply
- Check Bennies website, through the Students Services tab, AND the Guidance Google Classroom (code – MXMOHZX)
- Create a scholarship/bursary resume where you collect all of your accomplishments, achievements, involvements, and potential barriers overcame in chronological order; you should line up references from teachers, community members and coaches who can speak to your involvement and character
- Talk seriously, with your family about your plan to fund post-secondary which may include applying for OSAP

OSAP – The Ontario Student Assistance Program (OSAP) is a financial aid program that can help you pay for college or university. Applying, for OSAP is done individually and one may be eligible for grants (free money!) and/or loans. OSAP applications will open in April or May 2023 for the 2023–2024 school year. Check out the OSAP website [OSAP](#) for more information. In order to plan, you can use the [OSAP Estimator](#) tool for a quick guide to see if you eligible for loans or grants. This can be completed anytime.

Post-secondary education is an investment in yourself. Planning, as best as possible, will help reduce stress and strain, and is certainly more reliable than finding a 'rich uncle'.

Academics

[The St. Benedict Food Garden](#) is the brainchild of Mr. Neil Calhoun and Mr. Ken Hodgins, both culinary instructors with a passion for sustainable food communities and food production. The idea came from their "Soup and Bread" program that was developed in 2019, where both soup and bread are produced in hospitality classes to send to the Cambridge Food Bank.

Upon return from Covid distance learning, they re-focused their in-school catering efforts feeding school staff twice a week. Staff were made aware that meals would have a surcharge of 10% to support the Cambridge Food Bank. In December 2021, St. Benedict Catholic High School donated \$500 which was then followed by a \$1500 donation this past September.

Rachel O'Brien: Science teacher, Chef Ken Hodgins: Technology teacher, Fig Grevers: Food Bank Coordinator, Zeb Foss: Energy Conservation Officer WCDSB, Remberto Roque: St. Benedict V.P. and Neil Calhoun: Technology Program Lead, Holding the Camera Jennifer Passy: Manager of Planning WCDSB

The St. Benedict School Garden is located on a recaptured part of the school parking lot. The garden includes boxes used for vegetables along with herbs, berries (raspberry and strawberry), and greens. The construction class has recently built and put in place a grow shed that will allow the transition of seedlings to the garden in the spring. Milkweed has been added to support our butterfly and bee population for cross pollination. The garden boxes are reserved for beans, squash, tomatoes, garlic, onions, zucchini with the intention of adding corn to complete the Three Sisters Unity.

Each box is fitted with an irrigation system, which in the future will be fed by the cisterns attached to the Annex eaves trough system.

Both the St. Benedict C.S.S. Technology department and the Science department work together to sustain the garden. The science department contributes seedlings from lab investigations on soil pH, will conduct water testing, and aid with garden maintenance. The technology department builds and maintains the structures within the garden, as well as the garden itself: planting and harvesting the garden product for the Hospitality program and to support the Cambridge Food Bank.

During this summer, when most school staff is off, a volunteer group from the Cambridge Food Bank comes twice a week to irrigate, weed and harvest. This summer alone, the food bank harvested 51lbs of produce to use in their own kitchens. Garlic that was picked and not used in their kitchens were prepared for planting this fall.

The garden provides students and staff the opportunity to contribute to the community it is part of. We consider it to be a physical representation of the Catholic Graduate Expectations, connecting: faith, learning and community. This garden would not have been possible without the support of our school administration, the Waterloo Catholic District School Board, grants from the Waterloo Region School Food Gardens and the staff at the Food Bank. Thank you for seeing the potential in our program.

**Waterloo Catholic
District School Board**
Quality, Inclusive, Faith Based Education

- At St. Benedict CSS
- Students of all grade levels are welcome
- Get help in your current courses
- English, Math, Science and much more!

DROP IN

Mondays, Wednesdays & Thursdays

2:20 PM—3:20 PM

Rooms 206 & 207

Attention grade 9s and 10s!

Are you a problem solver? Do you like challenging puzzles? Interested in maybe getting into the world of programming? The UW Beaver Computing Challenge may be your first step on that journey! This contest is made up of 15 multiple-choice questions to test your logic skills—no programming knowledge is required! If you are taking grade 9 or 10 math this semester, your teacher may be running the contest in your class.

Meet with Mr. Milardovic every Monday and Wednesday at lunch to try some previous contest questions. If you want the questions we are working on this week, pop by 216 at lunch today to grab your copy!

Check out the Coding Club page on the school website and scroll down to Contests and Competitions for more information.

UNIVERSITY OF
WATERLOO

The CENTRE for EDUCATION in
MATHEMATICS and COMPUTING

Calling all grade 9 & 10 students!

Beaver Computing Challenge

A 15-question, multiple choice quiz to
test your logic skills—no programming
knowledge required!!

**Test to be written in
mid-November (date TBD)**

Check with your Math teacher for more
information, and come to Coding Club
at lunch Mondays and Wednesdays in
room 216 for practice sessions.

See Mr. Milardovic in 216 for more info.

MATH CLUB

EVERY Thursday in ROOM 309

Grade 9, 10, 11, 12 students who want to:

- be able to answer those tough questions from class
- preview up-coming math contests
- prepare for tests, assignments or final exams
- have all your questions answered
- get ready for college or university

Meet with Dr. CHERNYSH
Thursdays after school
in room 309...
See you there!!!!

Athletics

Junior Girls Basketball start 3 and 0

Congratulations to our junior girls' basketball team for winning their first three games of the season! They won against Pere Rene with a final score of 60 to 26 points, Resurrection with a final score of 36 to 33 points, and Rockway with a final score of 55 to 41 points.

Senior Boys Volleyball tournament win

Please congratulate the members of the senior boys volleyball team on an exceptional showing at the Paris Volleyball Tournament on Friday. The boys walked away as tournament champions after a crushing final game. The boys will continue their league play on Wednesday against Rockway

Check out the calendar on the bottom of the newsletter and on the school website for up-to-date information about game times for all your St. Benedict teams!

Weight Room Club

Weight Room Club is back. It runs every day after school from 2–3pm. Pick up your permission forms from Mr. Malnerich, Mr. Jolag or the Phys. Ed Office.

Clubs

Are you interested in the fields of medicine and healthcare?

Consider joining the HOSA club!

The mission of HOSA Canada is to enable students to become leaders in the healthcare industry by enabling future health professionals to acquire knowledge, skills training and leadership development through Canada's largest health science competition.

Join our first meeting on Thursday, October 6th at the start of lunch in room A2 (out in the Annex) to learn what it is all about.

See Mrs. Taylor and Mrs. D'Aversa for more details.

DECA is back!

Join one of the biggest student groups in Ontario and see how DECA works for you. Meetings continue in room 214 on Wednesdays at lunch. You must sign up by October 7 to be eligible for all that DECA has to offer this year.

Model UN

Are you interested in the news, world events, and developing your research skills? Love to debate and pick apart the points and arguments of others? Even more importantly, love to work with others to try and solve global problems? If you said yes to one or more of these, come join the St. Benedict Model UN! Even if you said I don't know to any of these, come out and see what Model UN is all about! We'll be meeting with the rest of the high schools in our board throughout the year to try and find solutions to global problems!

We meet Tuesdays at lunch in room 217, find Mr. Healey if you want more information!

Writing Skills Society

Did you know that writing is an essential job skill? Our writing is often the first impression that others have of us. Whether it's an application, resume, cover letter, essay, or report, good writing skills can

help you get a job, get into school, or help you move up the work ladder. It doesn't matter which pathway you are choosing in life, how you write matters. If you feel like you could use some help, come to the Writing Skills Society Wednesdays and Thursdays at lunch, in room 305. Bring your questions or any task you may be working on and let's help build up those communication skills.

Lights Out! back up and running

Hey Saints, are you interested in making St. Benedict a safe community for BIPOC students? Are you interested in learning about racism by generating open and honest conversation? Do you want to create change through education within the St. Benedict Community? Do you want to be a part of a safe space where you can discuss the experiences that you've had? Then join Light's Out! We meet every Tuesday at lunch in room 110. Hope to see you there!

SAC's Social Justice Sector Presents:

SOCIAL JUSTICE COUNCIL

**GET INVOLVED IN
SOCIAL JUSTICE EVENTS
AROUND OUR SCHOOL**

First Meeting:

Thursday October 6th
@ lunch in room 306

Google
Classroom
Code:
56vwan4

MEET NEW PEOPLE - SHARE IDEAS - MAKE AN IMPACT

Coding Club

Coding Club is back in full swing, meeting Mondays and Wednesday at lunch in 216. Until mid-November, the focus will be on preparing grade 9 and 10 students to write the UW's **Beaver Computing Challenge**.

Students with coding experience who want to do the UW contest in February are strongly encouraged to attend for some self-directed learning using Project Euler. For more information, see Mr. Milardovic in 216.

Student Activities

Design Our Next Saints Spiritwear!

Hey Saints! The student spiritwear design contest is underway! This is your chance to submit your own design to be featured the next spirit wear store. The submission deadline is Wednesday October the 12th, and student voting for the winning design will take place later next week. See the SAC instagram for more details on what to include and where to submit your designs. Let's get creative!

SAC is getting busy!

SAC wanted to share the upcoming events for October spirit month and Halloween celebrations!

- Outdoor Movie Night – Tuesday, October 11
- Pep Rally – Hosted by Lights Out and SAC Thursday, October 13
- Coffee House hosted by Mr. Renner and Arts Sector/Council – Tuesday, October 25
- Pumpkin Painting Contest – at lunch in the caf on Wednesday, October 26
- Haunted House hosted by Cosmo Club & Mr. Renner – more info to come
- Halloween Candy handout at lunch on Monday, October 31

And coming in November...

- HOCO (homecoming) Dance – Thursday, November 3
- Athletic leadership Terry Fox Run on Wednesday, October 12

Other News

News from the Library

From the Librarian's Desk

FOOD

It's great to see so many students spending time in the library, working on assignments, reading, using the piano, using the exercise bikes, or just relaxing with friends. A gentle reminder that there is NO FOOD in the library during school hours. Light snacks such as muffins or granola bars are fine after school. Please respect our policy regarding food so that we can keep our library clean for both students and our members of the public.

CHROME BOOKS

A reminder to students that there will be a WCDSB library technician in the library on Mondays and Thursdays from 7:30 to 11:30AM for school chrome books. If you need a chrome book, need to replace your chrome book, or need a charger, please come to the library on either of those days.

Resource Spotlight

The library is now offering several new online databases:

Academic database offering peer-reviewed journal articles.

Academic alternative to Wikipedia: good for doing background research. Also offers tips on the research process.

Offers tips and techniques for better writing skills and developing research skills.

You can find these new databases on the school's Library Learning Commons website, on the Online Resources page.

Featured Idea Exchange Programs

Note: The following events are hosted by Idea Exchange and are not affiliated with St. Benedict or the WCDSB. Please visit ideaexchange.org to register.

DAY OF THE GIRL (AGES 14+)

WHEN: Wednesday, October 12, 2:00 to 3:00 PM **WHERE:** Clemens Mill Library, CreativeHub Classroom

THIS DROP-IN PROGRAM IS FREE!

Join Rhythm and Blues Cambridge through the Black Girls Excellence program and celebrate United Nations International Day of the Girl.

Let's get crafty! Feel empowered everyday when you look in your new affirmation mirror or gaze upon your awesome dream board. We'll provide the supplies and inspiration; you bring your own unique style and vision to create truly original pieces.

Join us in our efforts to amplify your voice. You have something valuable to say and the world needs to hear it, your voice matters. We want to continue in the global efforts of the UN where we can create a space to support, empower and continue to inspire girls to lead and become change makers, as they are our future.

Please connect with us to celebrate the voices and power of girls in our community through activities, guest speakers, self reflections.

STRANGER THINGS: THE VECNA CHAPTER

WHEN: Friday, October 21 2:00 to 5:00 pm Saturday, October 22 10:00 AM to 5:00PM **WHERE:** Clemens Mill Library

it's time. Do you have what it takes to beat Vecna's Curse?

Calling all Stranger Things fans, now is your chance to build a party, travel to the Upside Down and defeat the evil powers of Vecna. Will this be "your year?"

Content is for mature teens (Ages 14+) and adults.

Please call Clemens Mill to secure a timeslot at 519-740-6294. We recommend groups of 3-5 participants.

Cost: Free

PUMPKIN CARVING

Carve out a little time for yourself or with your family and friends and create your own one-of-a-kind pumpkin! Make it funny, make it scary, but most of all, make it yours. Send us a photo of your creation using [Readsquared](https://ideaexchange.readsquared.com/) between October 14th and October 31st for a chance to win a prize! Students can sign up here: <https://ideaexchange.readsquared.com/>
