## Wishing you a joyous Easter!

### IEP Distribution

This is a message from the Student Success Centre at St. Benedict. If your son or daughter is on an Individual Education Plan (IEP), please know that a copy of their IEP was sent home with them earlier last week. Please review the IEP and have your son or daughter return the signed consultation page to room 210 as soon as possible.

Please contact the Student Success Centre at Ext 210, if you have any questions or concerns or if you did not receive a copy.

### Admin Team

**Mrs. M. Ingoldsby**  
Principal  
A-BI

**Mr. J. Figueiredo**  
Vice Principal  
Bo-G, International

**Mrs. C. Kamta**  
Vice Principal  
H-N

**Mr. R. Roque**  
Vice Principal  
O-Z

### Meet our new administrator: Mrs. Kamta

I am excited to begin my journey as a Vice Principal here at St. Benedict! Some of you might know me from 2019-2020, when I was a teacher here for one semester (although I went by Ms. Lam at the time). This school year, I returned as the History/Geography Program Head and taught Career Studies and Senior Social Sciences. I am thrilled to transition from teacher to Vice-Principal at the school I am so proud to be a part of. There is something very special about this community. In the short time I have been here, I have observed and gotten to know the many talents and gifts that our community shares. Above all else, I value the kindness that gets spread everywhere. This is the type of community I know I belong to and it is already feeling like a second home. I am also blessed to work and learn from the fabulous admin team here.

In 2010, I graduated from York University with a Hons. B.A. in Sociology and B.Ed. Immediately, I made the decision to travel the world and teach abroad in South Korea, Taiwan, and the U.K. During my time in South Korea, I was also an Elementary Principal for 2.5 years. In 2016, I returned to Canada and settled back in Toronto where I grew up all of my life. In 2017, my husband and I decided to start

our new family in Cambridge. At that time, I also joined WCDSB and what an amazing decision that was! I have worked here as well as at St. Mary's, Resurrection, and St. Gregory. In over 12 years of teaching, I taught on both elementary and secondary panels. I am a lifelong learner and graduated with a M.Ed. from Wilfrid Laurier in 2021. Through this program, I developed my leadership skills to be more prepared for this role today.

I am a proud wife and mother to my son (2.5) and stepdaughter (7.5). Family is very important to me, which is why I will do everything I can to ensure our families in this community feel supported and welcomed as a Saint. I am very passionate about equity, diversity, and inclusion. My goal is to do my part in providing an equitable environment for our community to learn safely in. In my leisure time, I like to shoot hoops with my family, practice calligraphy, and cook new recipes.

I look forward to continuing developing relationships I already have with some of you and getting to know new faces as well. Say hello in the hallways, stop by my office, or send me a quick email to introduce yourself. I can't wait to meet you!

## Looking for a quick way to navigate all things WCDSB for parents?

Check out the Board website for information and information pertaining to Aspen Portal, Brightspace, School Cash Online, Transportation updates, and other resources:

<https://www.wcdsb.ca/parents/>

## Grad and Prom Information

Dear grade 12 students and guardians,

The purpose of this communication is to provide some clarity regarding prom. Like last year, a group of students and parent volunteers are organizing a Prom for St. Benedict students. This is consistent with the practice of many of our local schools for the past several years. To ensure that all students in grade 12 have access to the information and the opportunity to attend the event, we are working with the organizers to provide further details on the event that is being planned. Please [click on this link](#) to access information about Prom 2023.

The school will provide further details about the graduation liturgy, breakfast, and convocation ceremony at a later date.

## **District 8 Athletics seeking Sponsors**

District 8 Athletic Association – after a ten year absence, will be hosting its annual coach appreciation event which will return in the Spring of 2023.

The purpose of the event is to honour and thank current and past teacher-coaches and community volunteer coaches who dedicate their time working in high school athletics at the eight member schools of District 8.

The coaches appreciation event, once run annually, ended more than ten years ago after its funding model became unsustainable. The updated version of the event will be delivered in partnership with District 8 and the Catholic Community Foundation of Waterloo Region.

Together, the Catholic Community Foundation of Waterloo Region and District 8, with support from its member schools, will be seeking community sponsors who share the same appreciation for the opportunities that school sport can offer to students.

If you are interested and able to donate – please contact St. Benedict athletic director – Tim Jankura (timothy.jankura@wcdsb.ca) – he can provide more details and answer any questions you may have.

[Please see attached Link for the information document from District 8](#)

## Saints Spring Food Drive

**Tomorrow is the last day!**

Bennies will be conducting a spring food drive to support the important work of The Cambridge Self-Help Food Bank. The food drive will take place from Monday, March 30 – Thursday April 6. The Food Bank is short of breakfast items and so the focus of our food drive will be breakfast cereal. Students are encouraged to bring in cereal items on more than one day. We know our current economic times are putting pressure on many people. We invite to as generous as you have been in the past. Together we can care for and support members of our Cambridge community.

## Ontario Secondary School Literacy Test information

On Wednesday, April 19, most Grade 10 students will be writing the Ontario Secondary School Literacy Test (OSSLT). In order to facilitate the administration of this test, as it is a graduation requirement for our students, there will be a change to our school day and bus schedule for the above-mentioned date. Below is a description of the altered schedule.

- Students who are required to write the test are to be in their designated location at 8:00am
- Students who are not required to write the test (most of our Grade 11 & 12 and all our Grade 9 students) will have work posted on their class D2L or Google Classroom

**\*\*All students are expected to be in full uniform\*\***

**ALL students who have a school Chromebook/Cloudbook are REQUIRED to bring them in for the day of the test**

### Bus Schedules

- WCDSB morning school bus routes will run on their regular schedules

- WCDSB afternoon school bus routes will run on an altered schedule and will depart the school at 11:30am

### **Resources for the test can be found:**

- On our school website, under Student Services à Student Success à Literacy Test Preparation
- Google Classroom: z3cnkya

### **Test Preparation for Students**

We recognize that some students find testing stressful, and we will provide students with support leading up to the test. Classroom visits are occurring in grade 10 classes. Grade 10 teachers will also be including literacy activities in weeks leading up to the test. Furthermore, we are providing students with literacy support in small group sessions during school hours. Below is listed the information of additional supports available to students at lunch or outside school hours.

**Literacy Support:** Wednesday 10:35–11:15 (lunch) in room 206

**Google Classroom:** z3cnkya

### **Accommodations**

All students are eligible to receive extra time if required. As per past practice, additional accommodations are available to students with special program needs who have an IEP (Individual Education Plan). Those accommodations are listed on your child's Individual Education Plan. If you have any questions or concerns regarding the accommodations your child will receive, please contact Andreia Borba at the information listed above or your child's IEP Monitor.

We wish all our students the best of luck as they participate in the Ontario Secondary Literacy Test.

Thank you for your continued support.

# Positive Parent-Teacher communication

As always, parents/guardians are valuable partners in a child's education. We invite you to keep the lines of communication open as you can be an effective resource to support the learning your child. As per our WCDSB Administrative Procedures Memorandum #APC001, Communication Guidelines, all public and interpersonal communications must recognize the dignity of the individual and be conducted fairly, honestly, and respectfully.

When a parent, guardian or other board stakeholder has a concern or suggestion, it is expected that the matter will first be taken up with the staff member. The process outlined below should be followed.

1

Speak directly to the staff member. If the issue is not resolved, proceed to step two.

2

Speak to the Principal. If the person with the concern has not yet addressed the issue with the staff member involved, the Principal will ask them to do so.

3

If, having spoken to the Principal, the person with the concern believes the issue is not resolved, they may speak to the Superintendent of Learning responsible for the school.

4

If, having spoken to the Superintendent of Learning responsible for the school, the person with the concern believes the issue is not resolved, they may speak to the

5

If, having spoken to the Director of Education, the person with the concern believes the issue is not resolved, they may register as a delegation to address the Board of Trustees. Information on how to register as a delegation to the board is available in the WCDSB website. Please note that stakeholders are free to address the Board of Trustees as a registered delegation at any time, subject to any pertinent laws, regulations or board policies.

## News from Guidance

### Community Service Hours – for 2023 Graduates

It is a requirement of graduation that each student complete 40 hours of community service. There are many opportunities to fulfill this requirement. Potential graduates should submit their hours to the Guidance office as soon as possible, so it can be recorded for graduation.

The WCDSB Community Involvement Activity Record can be found here –

<https://lf.wcdsb.ca/Forms/APO015-01F>

### Who is your Guidance Counsellor?

Counsellor's Name	Ext	Last names
Mrs. O'Toole	5190	A – D
Ms. Arkell	5636	Do – Ke
Mr. Betik	5633	Kh – Pa
Ms. Varriano Lane	5635	Pe – Q, International students
Mrs. O'Neill	5634	R – Z

### GUIDANCE GOOGLE CLASSROOMS

Once again, the Guidance department will have google classrooms available to share information with our students.

Please consider joining the classrooms:

Grade 9 and 10 – <https://classroom.google.com/c/Mzg1OTc4MjA0MDk1?cjc=7c3t6un>

Grade 11 and 12 – <https://classroom.google.com/c/Mzg1OTc4MjA0MjMz?cjc=mxmohzx>

## Financing Post-Secondary: Scholarships, Bursaries, and OSAP

Got a 'rich uncle' with a bank full of cash waiting for you to cover your post-secondary costs? Well, I did not either. The reality is that post-secondary education is costly and takes planning, so we hope you've begun. Many students supplement their post-secondary savings through scholarships, bursaries, and loans. This article will get you pointed in the right direction to access the necessary resources for information.

Most scholarships for first year students are 'entrance' scholarships and are automatically awarded based on marks. Some awards, called bursaries, are based on financial need, but may also include other components such as volunteer service, leadership, or being associated with a service group, employer, or union. These are very individual, and you can search these out using the resources set out below.

The following sites are Canadian websites where you can register and search online for a variety of scholarships, bursaries, and contests to help fund post-secondary education.

- [scholartree.ca](https://scholartree.ca)
- [scholarshipscanada.com](https://scholarshipscanada.com)
- [schoolfinder.com](https://schoolfinder.com)
- [disabilityawards.ca](https://disabilityawards.ca)
- [studentawards.com](https://studentawards.com)

**The Scholarship Report** is a service Guidance subscribes to at Bennies. It is a wonderful resource that you can use to search for scholarship opportunities by the month. It also provides a great deal of post-secondary information for all pathway opportunities. As the Scholarship Report is a proprietary service, access to it must be for the St. Benedict Community. In order, to view the report, go to the Scholarship page on the website and hit the link to the report. You will need a **PASSWORD** that is for St. Benedict students only. The password can be obtained through guidance.

### What can you do now?

- Determine your post-secondary costs including tuition, books, room and board, travel, etc.
- Check parents' places of employment/ your place of employment or service groups for scholarships or bursaries
- Check with the schools in which you are going to apply
- Check Bennies website, through the Students Services tab, AND the Guidance Google Classroom (code – MXMOHZX)
- Create a scholarship/bursary resume where you collect all of your accomplishments, achievements, involvements, and potential barriers overcome in chronological order; you should line up references from teachers, community members and coaches who can speak to your involvement and character
- Talk seriously, with your family about your plan to fund post-secondary which may include applying for OSAP

**OSAP – The Ontario Student Assistance Program (OSAP)** is a financial aid program that can help you pay for college or university. Applying, for OSAP is done individually and one may be eligible for grants (free money!) and/or loans. OSAP applications will open in April or May 2023 for the 2023–2024 school year. Check out the OSAP website [OSAP](https://osap.ca) for more information. In order to plan, you can use the [OSAP Estimator](#) tool for a quick guide to see if you eligible for loans or grants. This can be completed anytime.

Post-secondary education is an investment in yourself. Planning, as best as possible, will help reduce stress and strain, and is certainly more reliable than finding a 'rich uncle'.

**NEW** ←  
**GET UP TO \$1,000**

**Students in grades 5 to 12!**  
**Do you like solving problems?**

Use your talents to create a solution to a problem that affects you, your family, your friends, the world!

Our goal is to say **YES** to all ideas.

Get started at: [youthcreativityfund.ca](http://youthcreativityfund.ca)

### Apply your creativity towards solving a problem

**You can try to change the world or fix a small problem in your life. We're here to help.**

#### Ask for some funds

\* You pick the problem and then you apply for free funds (\$500 - \$1,000) to creatively put a plan in place to help solve the problem.

#### The deadline is the last day of every month.

We'll meet with you to ask a few questions. If you're ready, we'll send your application to the Program Committee for approval.

#### Ready. Set. Action!

Now's the big moment to try out your idea and celebrate success or embrace failure. Then figure out how to improve and try again.

#### Tell us how you did

After 3 months, we ask you to get back to us, tell us what you did, and what you learned so far.

Get started at:  
[youthcreativityfund.ca](http://youthcreativityfund.ca)

Local charity BEP Waterloo Region (bepwr.ca) runs YCF.

### HEY PARENTS & CAREGIVERS!

**Help develop a culture of creativity in Waterloo Region's youth**

We do that by investing in building the creative confidence of our young people. We all benefit when our youth thrive. They are the talent we need to thrive as a community.

**Invest in our youth now at:**  
[youthcreativityfund.ca](http://youthcreativityfund.ca)
